

## **Celebrate Our Neighborhood Heroes — Help Us Raise the Banners!**

We're launching a special project to honoring our late community leaders — those who gave and meant so much to our community.

With your help, we'll create **custom pole banners** to be proudly displayed throughout our neighborhood. These banners will serve as a public tribute and a lasting reminder of the heroes of our past.

**We need your support to bring this to life.**

Your donation will go directly toward the design, production, and installation of the banners. Whether it's \$10 or \$100, every gift makes a difference and helps us shine a light on the people who gave so much to our community.
