- Logo will appear on all advertisements (must be submitted by March 11, 2023)
- Name in our Silent Auction online publicity
- 2 complimentary drink tickets

Wings Fundraiser: Tennyson Center April 1, 2023 @ 5:30-7:30

I would love to show my support to Wings by sponsoring their upcoming fundraiser! This will be Wings first major fundraiser for the purpose of raising funds for our new expansion. We will be adding two new preschool rooms, an infant program, a commercial kitchen, and three new playgrounds. This will create more early childhood slots in Pagosa Springs so that families can continue to work while knowing their children are well taken care of!

A Little More About Our Project...

1. Wings opened their doors in August of 2020. In only 2 years, Wings fully enrolled their program serving 52 children ages 1-5. They now have a waitlist of over 62 children. With so many families in need of care, Wings is planning an addition that will start construction in June 2023.
2. The new construction will allow for 26 additional slots and also provide space for children as young as 6 weeks old. This will be the only school in Archuleta County that will serve infants.
3. The new construction will include 2 additional preschool rooms, an infant program, a commercial kitchen, and 3 new playgrounds (one of which will be an infant playground).
4. The total cost for expansion is \$800,000 for an additional 2600 sq ft.
5. The Board of Directors and Director of the school are working on grants, but it will still take community support through sponsorships and fundraising events.
6. Tourism is a major industry in Pagosa. Many of our present parents work in this industry, that is traditionally a lower paying job. To continue working, these families need childcare. The combination of childcare and workforce housing go hand in hand.
