- **Indoor Yard Sale 9 - 2** (First Parish Unitarian Universalist Church) 26 North Street.
- **Electric Yard Care Equipment Demonstration 11 - 1** (Medfield Energy Committee). Talk to Medfield resident Eric Shand about the many benefits of electric lawn care equipment and the financial incentives for buying electric in 2022. Eric will have his own battery powered lawnmower, weedwhacker, and leaf blower on site for demonstrations.
- **TOMCAP Porch Chat at 11am & 12 noon** (Medfield Energy Committee). Hear a 15-minute overview of the town's Climate Action Plan and have an opportunity to ask Dr. Hilli Passas questions.
- **Yard Composting and Food Scrap program information 11-1** (Transfer Station & Recycling Committee). Learn how composted yard waste can help your garden & how food scraps can be diverted from your trash. Yard composting bins will be for sale for \$25+tax.
- **Green Groups Welcome Tent 11 - 1** Visit with representatives of Sustainable Medfield, Medfield Environment Action, Medfield Energy Committee and the Transfer Station & Recycling Committee. Learn more about each of the groups and how you can get involved.
- **Coloring Table 11 - 1** Stop by and color the Net Zero 2050 scene and enter the Sustainable Medfield drawing for a \$50 or \$25 gift certificate.
- **Sweet Sophie Scents 11 - 1** Soy wax candles. 26% of profits go to Dana Farber.
- **New Life Furniture Bank collection 10 - 2** Check their website for accepted items.

Sustainable Medfield is a group of friends, neighbors & local groups that are helping our town reach its environmental goals. We provide a one-stop resource of Medfield-specific actions you can take to be Net Zero by 2050! Read testimonials from your neighbors as well as steps to take and deep dives about these topics written by Medfield organizations. Visit our website today and take action.

Because individual actions create big results.
