### Personal Prayer -

- Forgiveness & Repentance where we have lived independently of our Lord's standards and commands.
- Courage to pursue God's Kingdom purpose in our life and live that out every day
- Willingness to share the Good News of Jesus Christ with our family, friends, neighbors - He alone can restore relationship with God.

### Family Prayer -

- God values families. Pray that we honor The Lord in our homes; Teach His Word and live His ways for our children and grandchildren to see.
- Tell in our homes the goodness of God; The saving love and grace of Jesus Christ; the power and help of the Holy Spirit that helps us to make it through every, even when that day is a 'bad day' -
- That what we say we believe on Sunday morning....we live out every day at home with our family.

### Church Prayer -

- Realign with our Christ given commission to make disciples and teach His commands to everyone, everywhere.
- Repent for not making God the object of our worship & not keeping to the standards He has given for His Church
- We seek His Kingdom and His Righteousness first and align ourselves to His standards.....before / or instead of seeking out political standards (first)
- We rise up and speak the love and peace Christ into the chaos and turmoil going on. Only Christ can change a heart of hate into a heart that has love and compassion for others.
- We rise up and speak God's opinion from His Word into every area of life. The foundation of His throne is righteousness and justice. Pray for opportunities for the Church to speak God's perspective of how what is right and what is just can be implemented in our society.
- We rise up, speak out and live out God's view that He has no favorites based on skin color, race, creed, tribe or tongue. The church - God's people who are called by His name - need to speak this and model this truth.
