

Smart Sleep Monitor

AX-SS1657

Our Sleep Monitor is an ultra-thin, medical-grade strap placed on top of your mattress, under the fitted bed sheet right at your chest area during sleep. Unlike other bed mats, our sensor's advanced sensitivity, extra-long band monitors your sleep even as you toss and turn.

Automatically sync's to your account in our cloud.

Continuously communicates wirelessly with our Gateway.

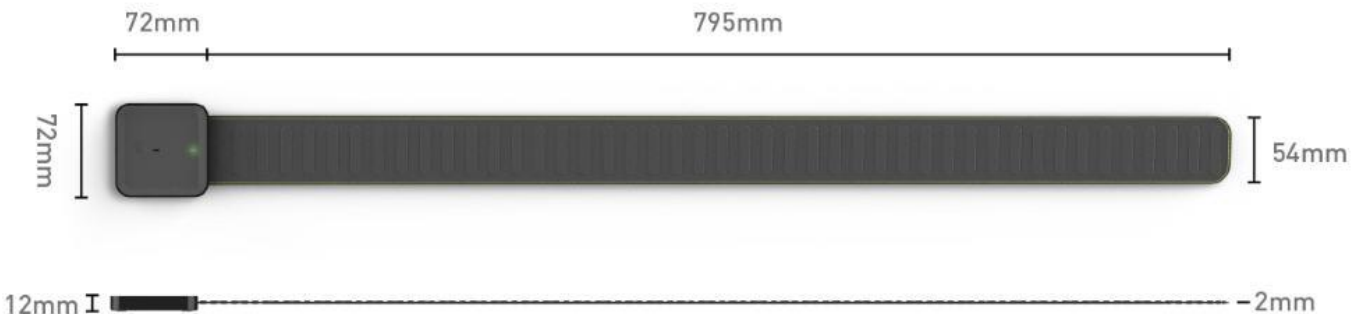

Record and save measurements for future review.

Rechargeable internal Lithium battery

Monitor Your:

- Heart rate
- Sleep quality
- Breathing rate
- In and out of bed
- Movement, tossing & turning activity
