AISA AdelaideSEC Conference Call for Speakers

AISA is pleased to invite current members and the wider cyber security community to submit a proposal for AISA AdelaideSEC Conference. This year the conference is being held at the Adelaide Convention Centre on **Friday 22 August 2025** expected to attract over 550 attendees. This one-day event is run and hosted by members, for members and guests of the South Australian information and cyber security community.

We are now calling upon the community to share your experience and knowledge at this year's conference by submitting your presentation proposal as detailed further below.

No matter whether you are an independent consultant, a security professional at a small company, a blogger, an expert security architect at a large company with a story to tell, a security manager, legal or privacy expert – your submissions will be reviewed equally.

All submissions will be reviewed by the AISA South Australian Committee. Presentations must be vendor neutral and cannot be product focused.

Whilst we are not limiting the topics that you can submit a paper on, we will rate favourably those presentations which are focused on cyber security and the related domains e.g. research, technology, incidents, cyber crime, intelligence, governance, policy, strategy, vulnerabilities and exploits.

CONFERENCE DETAILS

Date:	Friday 22 August 2025
Venue:	Adelaide Convention Centre North Terrace, Adelaide SA 5000
Time:	9:00 am – 5:00 pm
Sessions:	All sessions are for a duration of **40 minutes** which includes 5-10 minutes for Q&A.

*Please note: AISA **does not cover the costs** associated in presenting at this conference – travel, flights, parking and accommodation. If accepted as a speaker, each speaker will need to make and pay for their own arrangements. As a speaker at the conference, you will receive a complimentary ticket to the conference.*
