

## CALL FOR SPEAKERS

### AISA SydneySEC Conference 2024 Call for Speakers

AISA is pleased to invite current members and the wider cyber security community to submit a proposal for AISA's SydneySEC Conference. This year the conference is being held on **Tuesday 25 June 2024** at Hyatt Regency and the conference is expected to attract over 600 attendees. This one-day event is run and hosted by members, for members and guests of the NSW information and cyber security community.

We are now calling upon the community to share your experience and knowledge at this year's conference by submitting your presentation proposal as detailed further below.

No matter whether you are an independent consultant, a security professional at a small company, a blogger, an expert security architect at a large company with a story to tell, a security manager or privacy expert – your submissions will all be reviewed equally. All submissions will be reviewed by the AISA Sydney Branch Committee and will have to adhere to the same criteria we apply for keynote speakers – the presentation must be vendor neutral and cannot be product focused.

Whilst we are not limiting the topics that you can submit a paper on, we will rate favourably those presentations which are focused on the following areas:

- Leadership, risk, governance and strategy
- Cyber security, incidents and technology

### CONFERENCE DETAILS

**Date:** Tuesday 25 June 2024

**Venue:** Hyatt Regency Sydney  
161 Sussex Street, Sydney NSW 2000

**Time:** 9:00am – 5:00pm

**Attendance:** 600

**Sessions:** All sessions are for a duration of **40 minutes** which includes Q&A.
