FOR PROFESSIONAL SERVICES**

THIS FIRST EXTENSION is made and entered into this 12 day of October, 2016, by and between the Community Monitor Committee ("Committee"), and Environmental Science Associates ("Consultant"), a California Corporation.

RECITALS

On October 8, 2013, Committee and Consultant entered into an agreement for Consultant to provide professional Community Monitor services to Committee ("Original Agreement"). Section 7 of the Original Agreement contains an option to extend it for one additional three year term with unanimous approval from the Committee at a Community Monitor meeting.

Committee and Consultant desire to extend the Original Agreement for an additional term from January 1, 2017 to December 31, 2019. This is the first extension to the Original Agreement.

AGREEMENT

NOW, THEREFORE, Committee and Consultant agree that the aforementioned recitals are true and correct and further agree as follows:

1. The term of the Original Agreement is extended for an additional three year term commencing January 1, 2017 and ending December 31, 2019.
2. The total compensation for work conducted in the first year of the extension period **SHALL NOT EXCEED** the sum of \$88,000 ("not-to-exceed amount") in the first year. The total compensation for work conducted in subsequent years shall be determined as set forth in Section 5 of the Original Agreement.
3. This is the final extension option allowed by section 7 of the Original Agreement.
4. This extension does not relieve the parties of the terms and conditions of the Original Agreement as written and in effect at the time the Services were rendered.
5. Except as amended above, the Original Agreement shall remain in full force and effect.

In concurrence and witness whereof, and in recognition of the mutual consideration provided therefore, the parties have executed this agreement, effective on the date first written above.
