We are a volunteer organization made up of parents, teachers, administrators, and support staff who are all dedicated to the successful education of our children. The PTO works hard to help make the school year both enjoyable and exciting for the students, teachers and parents. We meet once a month at 9:00 am and would love parents to join us! OUR PURPOSE:

Our purpose is to aid the students and staff by providing support for educational and recreational needs, to promote open communication between all members, and to encourage school spirit and pride. The PTO uses its resources, both manpower and monetary, to support all efforts of the staff of our school. We are looking forward to meeting all LCE families and hope many of you get involved with our PTO this school year. We encourage you to not only join our organization; but participate in our many events as well! Everything we do is based on volunteers and we are always looking for many of you to help to make a difference in the lives of our children. Every positive imprint we make on our children can go a long, long way. If you are able to give some time, day or evenings, please join us! Many hands make the job easier.
