AL'MAURI KHAN TRIBAL TRUST

**Territorial Jurisdiction: Moorish Dominions: Northwest Amexem / Turtle Island: commercially called North America**

### **Holy Moorish Koran Chapter XLVII**

#### **Egypt, the Capital Empire of the Dominion of Africa**

1. The inhabitants of Africa are the descendants of the ancient Canaanites from the land of Canaan.
2. Old man Cush and his family are the first inhabitants of Africa who came from the land of Canaan.
3. His father Ham and his family were second. Then came the word Ethiopia, which means the demarcation line of the dominion of Amexem, the first true and divine name of Africa. The dividing of the land between the father and the son.
4. The dominion of Cush, North-East and South-East Africa and NorthWest and South-West was his father's dominion of Africa.
5. In later years many of their bretheren from Asia and the Holy Lands joined them.
6. The Moabites from the land of Moab who received permission from the Pharaohs of Egypt to settle and inhabit North-West Africa; they were the founders and are the true possessors of the present Moroccan Empire. With their Canaanite, Hittite, and Amorite bretheren who sojourned from the land of Canaan seeking new homes.

7. Their dominion and inhabitation extended from North-East and SouthWest Africa, across great Atlantis even unto the present North, South, and Central America and also Mexico and the Atlantis Islands; before the great earthquake, which caused the great Atlantic Ocean.

8. The River Nile was dredged and made by the ancient Pharaohs of Egypt, in order to trade with the surrounding kingdoms. Also the Niger river was dredged by the great Pharaoh of Egypt in those ancient days for trade, and it extends eastward from the River Nile, westward across the great Atlantic. It was used for trade and transportation.

9. According to all true and divine records of the human race there is no negro, black, or colored race attached to the human family, because all the inhabitants of Africa were and are of the human race, descendants of the ancient Canaanite nation from the holy land of Canaan.

10. What your ancient forefathers were, you are today without doubt or contradiction.

11. There is no one who is able to change man from the descendant nature of his forefathers; unless his power extends beyond the great universal Creator Allah Himself.

12. These holy and divine laws are from the Prophet, Noble Drew Ali, the founder of the uniting of the Moorish Science Temple of America. 13. These laws are to be strictly preserved by the members of all the Temples, of the Moorish Science Temple of America. That they will learn to open their meeting and guide it according to the principles of Love, Truth, Peace, Freedom and Justice.

13. Every subordinate Temple of the Grand-Major Temple is to form under the covenant of Love, Truth, Peace, Freedom and Justice; and to create their own laws and customs, in conjunction with the laws of the Holy Prophet and the Grand Temple. I, the Prophet, Noble Drew Ali, was sent by the great God, Allah, to warn all Asiatics of America to repent from their sinful ways; before that great and awful day that is sure to come.

14. The time has come when every nation must worship under its own vine and fig tree, and every tongue must confess his own.

15. Through sin and disobedience every nation has suffered slavery, due to the fact that they honored not the creed and principles of their forefathers. 17. That is why the nationality of the Moors was taken away from them in 1774 and the word negro, black and colored, was given to the Asiatics of America who were of Moorish descent, because they honored not the principles of their mother and father, and strayed after the gods of Europe of whom they knew nothing.

# CHAPTER 117 CRIMES AND CHARGEABLE OFFENSES DEFINED AND DESCRIBED; RIGHTS RESERVED BY THE TRIAL CLERKS AND JUDGES

## **LEGAL CONCLUSIONS THAT SHALL NOT PREJUDICE TREATY RIGHTS BUT MAY BE TAKEN INTO CONSIDERATION BY THE TRIAL COURT:**

Excerpt from the ‘Tribal Court Clearinghouse’

<https://www.tribalinstitute.org/lists/jurisdiction.htm>

**Inherent Sovereign Authority:** Indian tribes - as sovereign nations - historically have inherent jurisdictional power over everything occurring within their territory. Tribal courts are courts of general jurisdiction which continue to have broad criminal jurisdiction. Any analysis of tribal criminal jurisdiction should begin with this sovereign authority and determine whether there has been any way in which this broad sovereign authority had been reduced (see below).

**Federal or State Concurrent Jurisdiction:** Congress has granted limited jurisdictional authority to the federal courts (under the General Crimes Act and the Major Crimes Act) and to state courts (under Public Law 280). It is important, however, to note that tribal courts maintain concurrent (or joint) criminal jurisdiction.

**Criminal Jurisdiction over Non-Indians:** The U.S. Supreme Court decision Oliphant v. Suquamish Indian Tribe, 435 U.S. 191 (1978) limits the ability of Native Nations to try and punish non-Indians. Under this decision, Native Nations generally do not have jurisdiction to prosecute non-Indians. The Violence Against Women Act Reauthorization of 2013 slightly modified this decision however. A Native Nation may choose to exercise “Special Domestic Violence Criminal Jurisdiction (SDVCJ) and exert their inherent ability to prosecute non-Indians who commit the following offenses: domestic violence, sexual assault, dating violence, and violation of protection orders. In order to exercise SDVCJ, the Nation must meet certain requirements. The resource listed at the top of this page, TLPI’s Tribal Code Resource: Implementing TLOA and VAWA 2013 has a greater discussion of the requirements and provides examples of tribal codes and provides more information and guidance on this topic.

**Criminal Jurisdiction over Non-Member Indians:** The Supreme Court ruled that tribal courts did not have criminal jurisdiction over non-member Indians. Duro v. Reina, 495 U.S. 676 (1990). Congress, however, overturned this decision and restored tribal court criminal jurisdiction over non-member Indians by adding the following language to the definition of “powers of self-government” in the Indian Civil Rights Act (25 U.S.C. § 1301) - “means the inherent power of Indian tribes, hereby recognized and affirmed, to exercise criminal jurisdiction over all Indians” (Public Law 102-137).

**Sentencing Limitation:** The Indian Civil Rights Act ((25 U.S.C. § 1301 (Definitions); § 1302 (Constitutional rights); § 1303 (Habeas corpus)) provides that tribal courts cannot “impose for conviction of any one offense any penalty or punishment greater than imprisonment for a term of one year or a fine of \$5,000 or both.” If a person is convicted of more than one crime (e.g., domestic violence and kidnapping), federal law allows up to one year for each offense. The Tribal Law and Order Act (TLOA) 25 U.S.C. § 1302 amended ICRA, thus increasing tribal court authority to incarcerate for up to three years and/or fine up to \$15,000 for one offense. However, if a tribal court orders incarceration for more than one year, it must:

- Provide licensed legal counsel for an indigent defendant at tribal expense (The defense attorney must be licensed to practice law by a tribe, state, or federal government in a manner that ensures professional competence and responsibility.);
- Ensure that tribal court judges are law trained and licensed; • Publish criminal laws, rules of evidence, and procedure; and
- Maintain an audio or video record of the criminal trial.

Incarceration for more than a year also requires that the defendant either was previously convicted of the crime or that the crime is one that would carry a penalty of more than a year if prosecuted in a state or federal court. The TLOA also allows for the defendant to be convicted of more than one offense at a time, allowing incarceration for up to nine years. 25 U.S.C. § 1301(a)7D Indian Civil Rights Act does not limit other forms of sanctions—including restitution, banishment, and probation.

**Charging Defendant in both Federal and Tribal Court is NOT a violation of Double Jeopardy:** The U.S. Supreme Court has held that the source of the power to punish offenders is an inherent part of tribal sovereignty and not a grant of federal power. Consequently, when two prosecutions are by separate sovereigns, (e.g. the Navajo Nation and the United States), the subsequent federal prosecution does not violate the defendant’s right against double jeopardy. United States v. Wheeler, 435 U.S. 313 (1978).

### **Federal Criminal Jurisdiction**

Federal courts are courts of limited jurisdiction (that is, they cannot hear all cases - there must be specific constitutional or statutory authority in order to bring a case in federal court). Congress has granted criminal jurisdiction in Indian country to the federal courts in certain circumstances, including the following:

**General Crimes Act (18 U.S.C. § 1152):** This federal statute (enacted in 1817 and set forth below) provides that the federal courts have jurisdiction over interracial crimes committed in Indian country as set forth below:

Except as otherwise expressly provided by law, the general laws of the United States as to the punishment of offenses committed in any place within the sole and exclusive jurisdiction of the United States, except in the District of Columbia, shall extend to the Indian Country. This section shall not extend to offenses committed by one Indian against the person or property of another Indian, nor to any Indian committing any offense in the Indian Country who has been punished by the local law of the tribe, or to any case where, by treaty stipulations, the exclusive jurisdiction over such offenses is or may be secured to the Indian tribes respectively.

**Major Crimes Act (18 U.S.C. § 1153):** The Major Crimes Act (enacted following the U.S. Supreme Court’s 1883 Ex Parte Crow Dog decision) provides for federal criminal jurisdiction over seven major crimes when committed by Indians in Indian country. Over time, the original seven offenses have been increased to sixteen offenses currently.

### **State Criminal Jurisdiction**

The states generally do not have jurisdiction over crimes occurring in Indian Country with three exceptions set forth below:

**Public Law 280 (18 U.S.C. § 1162):** Congress in 1953 authorized states to exercise jurisdiction over offenses by or against Indians. Public Law 280 provided for broad state concurrent criminal jurisdiction on those states and reservations impacted by Public law 280 (both mandatory states and those states which opted to assume PL280 jurisdiction).

**Other Federal Acts conferring State Jurisdiction:** Some tribes have been affected by federal legislation in which states have received a federal mandate to exercise jurisdiction outside of Public Law 280, e.g., through state-wide enactments, restoration acts, or land claims settlement acts.

**Non-Indian v. Non-Indian Crimes:** The U.S. Supreme Court ruled in United States v. McBratney, 104 U.S. 621 (1881), and Draper v. United States, 164 U.S. 240 (1896), that state courts have jurisdiction to punish wholly non-Indian crimes in Indian country.

### **Criminal Actions May Need to Be Treated as Civil Actions in Certain Circumstances**

Please note that actions which might be treated as a criminal action in federal or state court may need to be treated as civil actions in tribal courts. This may be due to many factors, including legal jurisdictional limitations (such as the lack of tribal jurisdiction over non-Indians), practical jurisdictional limitations (such as Public Law 280), and resource limitations. Consequently, victims of crime in Indian Country and their advocates may need to research victims' rights in civil procedures to a much greater extent than would be needed in federal and state courts.

### **SECTION 117.1 PARTIES TO A VIOLATION.**

Any person who is concerned in the commission of a violation of a tribal ordinance is a principal and may be adjudged to have committed the violation although such person did not directly commit it and although the person who did directly do so has not been subject to an act or in Tribal Court. ## **CHAPTER 121 - APPEAL PROCEDURE**

### **SECTION 121.1- PURPOSE**

The purpose of this chapter is to establish the procedures by which appeals are taken from the decisions of the Tribal Court.

#### **Comment**

This chapter does not establish the structure of the Tribe's Court of Appeals. The appellate court is established and structured by other tribal law. See. Sec. 121.4(b), below. Comments such as this one follow many sections of this chapter. They are not part of the chapter but are furnished as guides to understanding the chapter. The Tribal Court and the Court of Appeals may use these comments to the extent they deem appropriate.

### **SECTION 121.2 - AUTHORITY**

This chapter is adopted pursuant to Art. VI, Sec. 1(q), of the Constitution of the Tribe.

### **SECTION - 121.3 - REPEAL OF INCONSISTENT ORDINANCES**

All ordinances or parts thereof which are inconsistent with this chapter are hereby repealed.

### **SECTION 121.4 - DEFINITIONS**

- (a) "Appellant" means the party filing an appeal.
- (b) "Court of Appeals" means the Tribe's appellate court as established by Chapter 119, Al'Maurii Khan Ordinances.
- (c) "Respondent" means the party responding to another party's appeal.
- (d) "Tribal Council" means the tribal council of the Tribe.
- (e) "Tribal Court" means the trial level court of the Tribe.
- (f) "Tribe" means the Al'Maurii Khan Tribal Nation.

### **SECTION 121.5 - EXCLUSIVE JURISDICTION**

- (a) The Court of Appeals shall have exclusive jurisdiction to review all decisions of the Tribal Court as provided herein. The decision of the Court of Appeals shall be final as to all such review.

(b) The jurisdiction of the Court of Appeals shall include the authority to determine the constitutionality of acts of the Tribal Council.

**Comment**

Subsection (a) safeguards the authority of the Court of Appeals to perform its review function without interference from other governmental agencies either before or after it has acted.

Subsection (b) establishes the authority of the Court of Appeals to review the constitutionality of Tribal Council acts of whatever nature. Because tribal constitutions do not typically provide for a separation of powers between the judiciary and the other functions of the government, some question may be raised as to the implicit authority of the courts to review the acts of tribal government. Whatever the correct answer is to that question, this subsection delegates whatever authority is necessary to perform such review.

**SECTION 121.6 - ONE FORM OF REVIEW**

There shall be one form of review in the Court of Appeals, to be designated an appeal.

**Comment**

This ordinance provides the only method of obtaining review in the Court of Appeals. This section eliminates any argument that any Anglo-American common law writs may be pursued for extraordinary relief

**SECTION 121.7 - WHO MAY APPEAL**

Any party aggrieved by a decision of the Tribal Court may initiate an appeal.

**Comment**

Only a party in the case below, who is in some way harmed by the decision below, may appeal.

**SECTION 121.8 - WHAT MAY BE APPEALED**

Any final judgment or order of the Tribal Court may be appealed to the Court of Appeals. A final judgment or order is one which disposes of all issues in litigation between at least two parties to a case.

**Comment**

All final judgments and orders may be appealed. Nothing but a final judgment or order may be appealed. If an order in a case leaves other matters to be decided, and does not completely settle all disputed issues between the parties, so that the Tribal Court still has work to do, then the order is not final and an appeal cannot be filed. In cases involving multiple parties, an order or judgment may dispose of all issues between two or more of the parties, and would therefore be appealable. In cases involving multiple issues, an order disposing of one or more issues may leave others as yet unresolved and would therefore not be appealable.

**SECTION 121.9 - WHEN AN APPEAL MAY BE TAKEN.**

(a) Notice of appeal must be filed with the Clerk of the Tribal Court, and served on all other parties, no later than 30 days after the entry of the judgment or order from which the appeal is taken.

If one party has timely and properly filed a notice of appeal, any other party may file a notice of appeal within 15 days of service of the initial party's notice of appeal.

(b) A judgment or order is entered when it is filed with the Clerk of Court.

(c) Failure to file a notice of appeal as provided in this section deprives the Court of Appeals of subject matter jurisdiction in the appeal.

**Comment**

The appeal is started by filing the notice of appeal, a simple form for which a model is provided as Official Form no. 1. A party other than the initial appellant may decide to appeal in light of the initial appellant's appeal and is therefore allowed additional time to do so after service of the first

notice of appeal. The interest of parties in the security of judgments entered by the court requires that an appeal must be filed within the time prescribed or be forever waived.

**Calculation of time is prescribed by Sec. 121.17.**

**Proper methods of service are prescribed by Sec. 121.18.**

#### **SECTION 121.10 - HOW AN APPEAL MAY BE TAKEN**

(a) A notice of appeal shall be filed by any party seeking review of a final judgment or order of the Tribal Court. The notice of appeal shall be filed and served, together with the request for transcript required by section 121.10(c), within the time prescribed by sec. 121.9 of this ordinance. The notice of appeal shall bear the caption and case number of the case in the Tribal Court and shall be labeled "Tribal Notice of Appeal." The notice of appeal shall identify by date, judge, and case number the judgment or order appealed, and shall state the substance of the judgment or order and whether the appellant appeals from the entirety of the judgment or order or from only part thereof. and if the latter, shall specify the part thereof. The notice of appeal shall also include a brief statement of the grounds for appeal and shall specify the precise relief sought. No appeal shall be dismissed for any formal defects in the notice of appeal as long as the matter appealed is clearly identified and filing and service are timely and properly made. If a notice of appeal does not contain every item required by this subsection, the Court of Appeals may make such orders as the interests of justice require.

#### **Comment**

The essence of the notice of appeal is to give fair notice to the other parties that what would otherwise be a final disposition of a case will not be final, and to allow the other parties to begin preparation for responding to the appeal or for filing a cross-appeal. The notice of appeal provided for in this section also requires a statement of the grounds for appeal and the relief sought, in the event an appellant appearing pro Se elects not to file a brief. Any party including in the notice of appeal the items listed in this subsection will be deemed to have clearly identified the matter appealed. A notice of appeal that fails to include all of the items listed in this subsection, may cause the Court to expand the time for response, dismiss the appeal, or make other appropriate orders.

(b) Unless waived, the filing fee prescribed by Sec. 121.19 shall be paid to the Clerk of the Tribal Court at the same time the notice of appeal is filed. The Clerk of Court shall not accept for filing a notice of appeal that is not accompanied by the filing fee or an order waiving fees. No filing fee shall be required in an appeal filed by the Tribe. (c) A request for transcript shall be filed with the Clerk of the Tribal Court at the same time the notice of appeal is filed. The request for transcript shall specify those proceedings, or parts thereof, to which any reference will be made in the appeal proceedings and for which the official transcript will be required by the Court of Appeals for its review. Any other party may request transcription of additional proceedings or parts thereof by filing a request no later than 15 days after service of the appellant's notice of appeal and request for transcript. No fee shall be required for any transcript requested by the Tribe.

(d) The filing of an appeal does not constitute an automatic stay of the tribal court's judgment or order. A motion seeking a stay may be addressed to the tribal court before or after the filing of the notice of appeal.

#### **SECTION 121.11 - CLERICAL FUNCTIONS UPON FILING OF APPEAL**

(a) Upon receipt of the notice of appeal, filing fee, and request for transcript, the Clerk of the Tribal Court shall forward to the Clerk of the Court of Appeals the notice of appeal and filing fee and shall prepare the record on appeal. The record on appeal shall consist of all papers filed by the

parties or the court, and the transcript requested by appellant or any other party, unless limited by stipulation of the parties.

**Comment**

The Court of Appeals will receive the entire Tribal Court written record, and a transcript of the trial or hearings that pertain to the appeal, unless the parties agree that the Court need not have the entire record. Any party requesting a transcript may be charged the per page rate provided at Sec. 121.19.

(b) Upon receipt of the notice of appeal and the filing fee, the Clerk of the Court of Appeals shall docket the appeal and shall notify the judges of the Court of Appeals of the pending appeal.

(c) The Clerk of the Tribal Court shall file the completed record on appeal with the Clerk of the Court of Appeals, and shall serve notice thereof, together with a copy of any transcript included in the record, on each of the parties.

**SECTION 121.12 - BRIEFING AND ORAL ARGUMENT**

(a) If the appellant intends to submit a brief, he or she shall file and serve a brief within 45 days of the filing of the record on appeal.

(b) If the respondent intends to submit a brief, he or she shall file and serve a response brief within 30 days of service of appellant's brief, or within 75 days of the filing of the record on appeal, whichever occurs first.

(c) The appellant may file and serve a reply brief within 15 days of service of respondent's brief.

(d) Briefs shall contain an argument and conclusion specifying the precise relief sought. The initial brief filed shall also include a statement of the case and statement of the issues presented on appeal and how the Tribal Court decided them.

(e) Briefs shall be typewritten, double-spaced, on white 8 by 11 inch paper, and shall not exceed 50 pages in length, except that reply briefs shall not exceed 15 pages in length, exclusive of any table of contents and table of authorities included. The original and three copies of each brief shall be filed with the Clerk of the Court of Appeals.

(f) Oral argument may be permitted in the discretion of the Court. Whether argument is allowed, and if so the length of argument allowed, shall be set by the panel of the Court of Appeals hearing the appeal.

**Comment**

The above rules are considered the minimum necessary for allowing the Court of Appeals to conduct its business in an efficient and just fashion. Briefing rules are purposely looser than in other jurisdictions to allow non-lawyers to represent themselves, or if otherwise permitted by the rules of the Tribal Court (see sec. 121.20), to represent others. Briefs are made optional, in recognition that some parties appearing pro Se may not wish to file briefs but may rather wish to present their cases solely in oral argument. The notice of appeal (see Sec. 121.10(a)) accordingly requires a short statement of the grounds for appeal and of the relief sought. A party may or may not be disadvantaged by failure to file a brief.

**SECTION 121.13 - DECISIONS**

(a) All decisions of the Court of Appeals shall be in writing, shall specify the relief granted, if any, and the Court's rationale therefore. The Clerk of Court of Appeals shall, within two days of their filing, furnish copies of the decision and any order of the Court of Appeals to the Tribal Court, the parties, and, for publication and distribution, to the Indian Law Reporter and the Florida Fish and Wildlife Commission.

- (b) All decisions and dissents shall be written by the most senior judge voting with the majority or dissent, unless assigned by that judge to another judge. Any judge dissenting or concurring shall file a written opinion, or join in a written opinion filed by another judge. The most senior judge is the judge having the longest term of continuous service as a judge at the time.
- (c) A petition for reconsideration may be filed by an aggrieved party within 15 days of the filing of any decision or order of the Court of Appeals. The petition for reconsideration shall state the specific change in the decision sought, and all reasons, and the authority therefor, for the change. Any non-petitioning party shall have 15 days from the date of service of the petition to respond. Oral argument on a petition for reconsideration is discretionary with the Court.
- (d) The Tribal Court shall in all respects be bound by the decisions and orders of the Court of Appeals.
- (e) The Indian Law Reporter is designated the official reporter of the decisions of the Court of Appeals.

#### **SECTION 121.14 - STANDARD OF REVIEW**

The Court of Appeals shall apply the following standards of review.

- (a) A finding of fact by a judge shall be sustained unless it is clearly erroneous. (b) A finding of fact by a jury shall be sustained if there is any credible evidence to support it.
- (c) A factual inference drawn by a judge or jury shall be reviewed as a finding of fact as long as more than one reasonable inference can be drawn from the facts.
- (d) A finding, explicit or implicit, of witness credibility shall be reviewed as a finding of fact.
- (e) Conclusions of law are review DE novo by the Court of Appeals.
- (f) A stipulated, uncontested, or documentary fact is reviewed as conclusion of law.
- (g) The meaning of an unambiguous contract is reviewed as a conclusion of law. (h) A mixed issue of fact and law is reviewed according to the appropriate standard for each part.
- (i) Whether a finding of fact or a conclusion of law has been properly labeled as such by the Tribal Court is reviewed as a conclusion of law.
- (j) A discretionary determination shall be sustained if the record reflects that the Tribal Court exercised discretion and applied the appropriate legal standard to the admissible facts of record.
- (k) Sentencing and the imposition of fines, forfeitures and other penalties or remedial measures, not including the assessment of damages, shall be reviewed as a discretionary determination.
- (l) The Court of Appeals shall not substitute its judgment for that of the Tribal Court on a matter committed to the discretion of the Tribal Court.

#### **Comment**

The standard of review defines the relationship between the trial court and the appeals court. The standard of review seeks to allocate to each court that part of the judicial work which it can best do. The trial court is in the best position to weigh the evidence and assess witness credibility and is therefore sustained on such matters unless its findings are clearly erroneous. The trial court is in no better position to interpret the law than the appeals court; in fact, the appeals court has the luxury of being able to analyze the law away from the heat of trial and can better perform this task itself. The appeals court can therefore look at questions of law afresh and need not defer at all to the trial court. Discretionary questions by their nature, can result in different decisions when put to different decision makers. The function of the appeals court in reviewing a discretionary decision is not to itself decide the result it would choose, but to determine whether the trial court

in fact exercised discretion and made a decision based on the applicable facts and law. The exercise of discretion is more than bold decision making and it is the task of the appeals court to see that the appropriate process was followed.

Specific instances of common standard of review problems are listed in this section; for instance, the definition of sentencing as a discretionary determination. These instances are not exclusive. The Tribal Council may provide by ordinance and the courts by decision the classification of other matters as factual, legal, or discretionary.

#### **SECTION 121.15 - OBLIGATIONS OF THE TRIBAL COURT**

(a) In all matters tried to a judge without a jury, the judge shall make separate findings of fact and conclusions of law. It is sufficient if the findings and conclusions are made orally on the record in open court, or if they are contained in a written opinion.

(b) In all civil matters tried to a jury, the jury shall return a special verdict on each issue of fact placed before it.

(c) If the Tribal Court fails to make findings of fact, the Court of Appeals may affirm the judgment if the record supports it, reverse if the record does not support it, or remand for findings and conclusions.

#### **Comment**

In order for the appeals court to properly perform its review function, it must have an adequate basis for understanding the trial court's decision.

#### **SECTION 121.16 - PRESERVATION OF ISSUES FOR APPEAL**

(a) Absent a compelling reason, issues not raised before the Tribal Court will not be heard before the Court of Appeals.

(b) An issue raised but not argued orally or by brief is deemed abandoned. (c) A moot issue will not be reviewed unless it is capable of repetition yet due to its nature is likely to evade appellate review.

(d) No facts not in the trial record may be presented in any manner to the Court of Appeals.

#### **Comment**

Subsections (a) and (d) preserve the basic function of the appeals court as a court of review, not a court of initial determination. The trial court should have the first opportunity to consider all issues in litigation and to see as only it can do that the record is fully developed.

Subsection (b) protects the court and parties from expending energy on issues that an appellant has no intention of pursuing.

Subsection (c) states the principle that a court will not decide issues over which there is no current controversy. The controversy that existed during trial may be dispelled by the time of appeal. The exception to this rule is the type of case that may occur again but is likely never to survive long enough to receive appellate review. For instance, an individual may wish to challenge a court's suspension of his hunting and fishing rights for a period of three months, but by the completion of the appellate briefing schedule the suspension would be ended and the case moot. Since the issue could recur, but would always become moot before it was ready for decision, the mootness doctrine would be set aside.

#### **SECTION 121.17 - TIME**

(a) In computing any period of time prescribed or allowed by this ordinance or by order of the Court of Appeals, the day of the act, event, or default from which the period of time begins to run is not included. The last day of the period is computed unless it is a Saturday, Sunday, legal holiday,

or day upon which the office of the Clerk of Tribal court is not open for business. When the period of time is less than 11 days, Saturdays, Sundays, legal holidays, or days upon which the office of the Clerk of Tribal Court is not open for business shall not be included in the period.

(b) Whenever a party has a right or is required to do some act within a prescribed period of time following service of a notice or paper on the party, and when that notice or paper is served by mail, 3 days shall be added to the prescribed period.

#### **SECTION 121.18 - SERVICE**

(a) Any paper filed with the Clerk of Tribal Court or the Clerk of the Court of Appeals shall be served upon each other party. Filing constitutes the certification of the party or the party's attorney that service has been properly made.

(b) Service shall be made upon a party's attorney, if any, or if the party is not represented by counsel upon the party.

(c) Service may be made personally or by first class mail. Service made by mail is complete upon mailing.

#### **SECTION 121.19 - FEES**

The Clerk of the Tribal Court shall collect the following fees:

(a) For filing of the notice of appeal, \$500.00.

(b) For the preparation of a transcript, \$2.50 per page, for the original, to be filed with the Court, and the first copy. Subsequent copies may be ordered for 50 cents per page. (c) The Tribal Court may order the waiver of the fees provided for in this section, upon the filing of a sufficient affidavit of indigency.

#### **Comment**

Fees are necessary to partially defray the costs of court operations and to discourage frivolous appeals. Fees should not however prevent an appellant who cannot afford them from filing an arguably meritorious appeal. Official Forms 2 and 3 prescribe the substance of a sufficient affidavit of indigency and an order waiving fees.

#### **SECTION 121.20 - PRACTICE BEFORE THE COURT OF APPEALS**

Any individual authorized to practice before the Tribal Court shall be authorized to practice before the Court of Appeals.

#### **SECTION 121.21 - MOTIONS BEFORE THE COURT OF APPEALS**

Any party to an appeal may file such motions as appear necessary, together with supporting briefs and affidavits, as appropriate. Such motions shall be filed with the Clerk of the Court of Appeals. All motions before the Court of Appeals shall be placed on a briefing schedule by the chief judge, who may order oral argument at his or her discretion.

#### **SECTION 121.22 - FRIVOLOUS APPEALS**

The Court of Appeals may in its discretion order a party, his or her attorney, or both, filing or pursuing a frivolous appeal, to pay the costs and reasonable attorney fees incurred by the other party or parties in responding to the appeal.

#### **Comment**

Law is developed by appeals cases which push against the limits of previously accepted doctrine. This section should not be lightly applied, or used in such a way that arguably meritorious appeals are discouraged. Frivolousness may be found, however, when an appeal is grounded neither on existing law nor on a good faith argument for extension, modification, or reversal of existing law.

## **CHAPTER 122- SMALL CLAIMS PROCEDURE**

- (d) If a counterclaim or cross complaint for more than \$3,000.00 is filed which the court, after hearing, finds may reasonably be valued at \$3,000.00 or less, the action shall proceed under this chapter. Any finding made under this subparagraph shall not preclude a verdict on the merits of the counterclaim or cross complaint exceeding \$3,000.00.

### **SECTION 122.6 - STARTING AN ACTION**

- (a) An action under this chapter is commenced by the filing of a summons and complaint as prescribed by this section.
- (b) The summons and complaint shall be a single document setting forth the following:
  - (1) The names and addresses of the parties.
  - (2) The case number assigned by the Clerk of Court.

- (e) The Clerk of Court may not accept for filing any summons and complaint that does not bear the dated signature of the plaintiff or plaintiff's attorney, or that is not accompanied by the filing fee and, if applicable, the mailing fee, as required by sec. 122.12.

#### **SECTION 122.7 - SERVICE OF THE SUMMONS AND COMPLAINT**

Service of the summons and complaint may be by the following methods: (a) Personal Service. The plaintiff may cause personal service to be made upon the defendant by hand delivery to the defendant in person or to any person of apparent normal understanding no less than 16 years old residing within the residence of the defendant. Any person over eighteen years of age, not a party to the action, may make personal service. In the case of personal service, an affidavit of service shall be returned to the Clerk of court and shall constitute proof of service.

(b) Service by Certified Mail. A plaintiff may request the Clerk of Court to make service by certified mail, in which case the Clerk of Court shall mail a copy of the summons and complaint to each defendant. Mail shall be certified, return receipt requested, return requested if not claimed within five days. The Clerk shall charge the plaintiff the fees provided by sec. 122.12 for service by certified mail, receipt requested, return postage guaranteed. Service by mail shall be complete upon mailing unless the envelope enclosing the summons and complaint is returned unopened by the post office to the Clerk of Court prior to the return date.

(c) If service cannot reasonably be made under subparagraphs (a) or (b), service by publication pursuant to section 111.3 may be made.

#### **SECTION 122.8 - ANSWERS, COUNTERCLAIMS, AND CROSS-COMPLAINTS**

(a) All parties shall appear on the return date specified in the summons and complaint. All answers, counterclaims and cross complaints may be made orally or in writing. If made in writing, any such pleading shall be filed with the Clerk of Court with copies served on all parties.

(b) Written pleadings shall not substitute for personal appearance or appearance by attorney on the return date. Failure of any party to appear may result in judgment as provided in Section 122.10.

(c) Upon the return date, the court shall determine whether the defendant wishes to make a defense to the complaint. If the defendant does not wish to make a defense or raise a counterclaim, judgment may be entered in favor of the plaintiff. If the defendant does wish to make a defense, the court shall determine whether the parties wish to settle their differences without trial. If such settlement is made, the court shall enter judgment, or dismiss the complaint, as called for by the settlement. If the parties do not make such settlement a trial date shall be set. Trial may be had on the returned ate if all parties and the court consent.

(d) Any party may request a substitution of judge for cause by making such request at the hearing on the return date.

(e) The court may in its discretion adjourn the return date as the interests of justice require.

#### **SECTION 122.9 - TRIAL**

(a) All trials under this chapter shall be to the court without a jury.

(b) A trial under this chapter shall be conducted informally, with each party being allowed to present evidence and argument and to examine witnesses to the extent reasonably required for full disclosure of the pertinent facts.

- (c) Proceedings under this chapter shall not be governed by the rules of evidence except those related to privilege under chapter 152. The court shall admit all evidence having reasonable probative value but may exclude irrelevant or repetitious evidence or argument. An essential finding of fact may not be based on oral hearsay unless it would be admissible under chapter 155.
- (d) The judge may question witnesses.
- (e) The judge shall establish the order of proof and argument consistent with the fair and prompt resolution of the dispute.

#### **SECTION 122.10 - JUDGMENT**

- (b) If the defendant fails to appear on the return date or at trial, the court may enter judgment for plaintiff upon due proof of facts which show the plaintiff is entitled to judgment.
- (c) After trial, the court may give its decision orally immediately, or it may file written findings of fact, conclusions of law, and judgment, no later than 30 days following trial. (d) Judgment may be reopened at any time within one year of judgment in any case where service was by mail or publication, the defendant did not receive actual notice of the action and did not appear in the action or otherwise submit to the jurisdiction of the court, and the defendant petitions the court to reopen the judgment within 15 days of receiving actual notice of the action or judgment. Such petition shall be verified and shall state the facts upon which the petitioner bases the claim the reopen under this subparagraph. After hearing, the court may grant the petition to reopen, in which case a trial date shall be set.
- (e) Default judgment may be reopened on all grounds other than failure of actual notice, by petition for good cause shown within six months of entry of judgment. (f) Judgment shall be entered by the Clerk within 20 days of the court's oral announcement or the court's filing of written findings, conclusions, and judgment. A notice of entry of judgment shall thereupon be prepared by the Clerk who shall mail a copy thereof to each party.

(c) In actions filed by the Tribe, no fee shall be required under subparagraph (a) and only the actual cost of mailing shall be required under subparagraph (b).

(d) In actions filed by an indigent person, whose indigency is established by the filing of a verified petition, no fee shall be required under subparagraph (a) and only the actual cost of mailing shall be required under subparagraph (b).

### **SECTION 122.13 - COSTS RECOVERABLE**

(a) The prevailing party in an action under this chapter may recover the following costs, which shall be added to the judgment.

- (1) All fees paid under sec. 122.12.

- (4) Witness fees and mileage.
- (5) Post-judgment interest of 1½% per month.

(b) The prevailing party shall within ten days of the announcement of judgment file a certified statement of costs with the Clerk to be taxed to the other party. The other party shall have five days to object in writing to the taxation of the costs submitted. Any such conflict may be resolved by the court with or without hearing the court's discretion.

## **CHAPTER 123A - CIVIL REMEDIAL MONEY PENALTIES.**

### **SECTION 123A.1**

Whenever any ordinance of the tribe shall provide for a civil remedial money penalty for the breach of such ordinance by any person, the tribe shall proceed against such person according to the procedure set forth in this subchapter. The provisions of the other chapters of the Tribal Court Code shall apply to proceedings instituted pursuant to this subchapter to the extent not inconsistent herewith. Unless an ordinance specified that a breach thereof shall subject the person breaching to a civil remedial money penalty. The other provisions of the Tribal Court Code shall apply.

### **SECTION 123A.2**

Proceedings for the recovery of a civil remedial money penalty shall be instituted by the issuance of a citation by an enforcing officer. Whenever an enforcing officer has reasonable basis to believe that a person subject to tribal authority has committed a breach of a tribal ordinance which provides for a civil remedial money penalty, such officer shall issue a citation to such person, serve a copy of same as provided in Chapter 111 hereof, and file a copy with the tribal court. The issuance of a citation by an enforcing officer in connection with a breach of an ordinance is adequate process to give the tribal court jurisdiction over the person upon the filing with the court of such citation.

### **SECTION 123A.3**

The citation shall contain a complaint, a case history, and a report of court action on the case. It must appear on the face of the citation that there is a reasonable basis to believe that a breach of an ordinance has been committed. The citation form shall provide the following:

- (a) The name of the person to whom the citation was issued, together with the person's age and address, if available;
- (b) The tribal permit or license number of the defendant, if applicable;
- (c) The breach alleged, the time and place of occurrence, a statement that the defendant committed the breach, the ordinance provision charged, and a description of the breach in language which can be readily understood;

- (d) The name and tribal department of the issuing officer;
- (e) The maximum civil remedial money penalty for which the defendant might be found liable;
- (f) A date, time and place for the tribal court appearance, and a notice to appear;
- (g) Provision for a deposit and stipulation or default in lieu of court appearance; (h) Notice that if the defendant fails to appear at the time fixed in the citation, the defendant will be defaulted and judgment entered against him in an amount up to the maximum penalty;
- (i) Notice that if the defendant makes a deposit and stipulation of default, judgment will be entered against him in the amount of the deposit; (j) Any other information.

#### **SECTION 123A.4**

A defendant to whom a citation is issued may make a deposit and stipulation of default in lieu of a court appearance at any time prior to the court appearance date. The amount of the deposit shall be determined by an enforcing officer, up to the maximum penalty set in the ordinance charged. By Signing the stipulation, the defendant consents to the entry of judgment against him for a penalty not to exceed the amount of the deposit. The person accepting the deposit and stipulation of default shall prepare a receipt showing the purpose for which the deposit was made and shall file the deposit and stipulation of default, together with a copy of the receipt, with the tribal court.

#### **SECTION 123A.5**

Upon return of the citation, the defendant shall enter a plea. If the defendant denies the allegations of the complaint a date for trial shall be set.

#### **SECTION 123A.6**

In all actions under this subchapter, the tribe shall have the burden of showing by a preponderance of the evidence that defendant breached the ordinance charged in the citation. The tribe shall not, however, be required to show that defendant intended to breach the ordinance charged.

#### **SECTION 123A.7**

If the defendant is found to have breached the ordinance charged, the tribal court shall enter judgment against the defendant and in favor of the tribe for a monetary amount not to exceed the maximum civil remedial money penalty provided for the breach, together with court costs, or in cases where a deposit and stipulation of default has been made by the defendant, for an amount up to the amount of the deposit. If the judgment is for an amount of the deposit, the balance shall be returned to the defendant.

#### **SECTION 123A.8**

All civil remedies are available in order to enforce the judgment of the tribal court, including the power of civil contempt. A judgment shall become a lien upon any available property of the defendant located within the Al'Maurii Khan Reservation or within the jurisdiction of the tribal court. When necessary, the tribe may bring suit in any court on the judgment against the defendant or property of the defendant located beyond the jurisdiction of the tribal court.

#### **SECTION 123A.9**

Deposits and money paid on judgments rendered pursuant to this subchapter shall be tendered to the tribal Clerk of court. Within 20 days after judgment on a deposit or receipt of funds in payment of a judgment the tribal Clerk of Court shall tender such sums to the tribal treasurer, who shall place such sums in the general account of the tribe such disposition as the Tribal Council shall make.

### **SUBCHAPTER 123 - B- CIVIL REMEDIAL FORFEITURE OF PROPERTY.**

#### **SECTION 123B.1**

Whenever any ordinance of the tribe shall provide for the civil remedial forfeiture of any property for breach of such ordinance by any person, the tribe shall proceed against the property according to the procedures set forth in this subchapter. The provisions of other chapters of the Tribal Court Code shall apply to proceedings instituted pursuant to this subchapter to the extent not inconsistent herewith.

#### **SECTION 123B.2**

Proceedings for civil remedial forfeiture of property shall be instituted by the filing of a complaint in rem against the property in tribal court by an enforcing officer. A complaint shall be filed whenever an enforcing officer has a reasonable basis to believe that a tribal ordinance has been breached and the property is forfeitable under the tribal ordinance.

#### **SECTION 123B.3**

It must appear on the face of the complaint that there is a reasonable basis to believe that tribal ordinance has been breached and the property is forfeitable under that ordinance.

The complaint shall contain:

- (a) A description of the property against which proceedings are instituted;
- (b) The ordinance provision allegedly breached;
- (c) A description of the breach in language which can be readily understood;
- (d) The name, address and other pertinent information about the owner of the property, if known, or a statement that the owner of the property is unknown; (e) A request for an order to seize the property; and
- (f) The name and attestation of the complaining enforcing officer.

#### **SECTION 123B.4**

If the owner of the property is known, the summons, complaint and notice of hearing on an order to seize shall be served on the owner as provided in Chapter 111 hereof. If the owner of the property is unknown or cannot be located, service shall be made by posting in the central tribal office and the Tribal Rights Protection office and by publication once in a newspaper of general circulation in Local County. An affidavit of publication and posting shall be filed with the tribal court.

#### **SECTION 123B.5**

All property alleged to be subject to civil remedial forfeiture may be seized pursuant to an order to seize issued by the tribal court and held by the tribal court pending disposition of the complaint or until a bond has been posted with the tribal court. Property may be seized by an enforcing officer prior to filing a complaint and issuance of an order to seize if:

- (a) A tribal ordinance authorizes the immediate seizure of the property; or
- (b) The property seized presents a danger to persons, property or a natural resource of the Al'Maurii Khan Tribal Nation Reservation or lands; or
- (c) An enforcing officer has a reasonable basis to believe that without immediate seizure the property will be removed from the jurisdiction of the tribe.

A receipt describing the property at the time of seizure, if such person is present.

#### **SECTION 123B.6**

The hearing on the order to seize shall be heard within 30 days of the filing of the complaint. The tribe shall use its best efforts to attempt to provide actual notice of the hearing to the owner of the property.

#### **SECTION 123B.7**

At the hearing on the order to seize the tribe shall have the burden of showing that there is a reasonable basis to believe that the property is subject to civil remedial forfeiture under the tribal

ordinance alleged and that the property is within the jurisdiction of the tribal court. The tribe may present evidence by testimony or affidavit. Any person alleging ownership of the property may appear and present argument and evidence by testimony or affidavit.

#### **SECTION 123B.8**

If after hearing the tribal court finds that there is a reasonable basis to believe that the property is subject to civil remedial forfeiture under the tribal ordinance alleged and that the property is within the jurisdiction of the court, it shall issue an order to seize directing the enforcing officer to seize the property and hold it pending disposition of the complaint. If the tribal court finds to the contrary, it shall dismiss the complaint and, if property was seized prior to the hearing, order the property released immediately.

#### **SECTION 123B.9**

An order to seize shall contain the following:

- (a) A description of the property subject to the order;
- (b) The date of filing of a property complaint for the forfeiture and the name and department of the complaining officer;
- (c) A finding that the property is within the jurisdiction of the court;
- (d) A finding that there is a reasonable basis to believe that the property is subject to a civil remedial forfeiture, a brief factual narration of the ground for finding, and citation to the ordinance allegedly breached;
- (e) Notice of the date and place of trial;
- (f) Notice that the property may be released by the posting of a property bond.

The order to seize shall be served as provided in Section 123B.4.

#### **SECTION 123B.10**

The enforcing officer shall make a reasonable effort prior to the hearing on the order to seize to ascertain whether a perfected security interest exists in the property, and if one exists shall give notice to the secured party of any hearing in the case and shall also give the secured party at least 15 days notice of the time and place of any sale conducted pursuant to Section 123B.13.

#### **SECTION 123B.11**

The person determined by the tribal court to be the lawful owner of the property seized may be allowed to post a bond in the amount of the value of the seized property as determined by the tribal court. When a proper bond has been posted with the court, the property shall be returned to the owner. The bond shall be available to be levied against if the owner does not return the property to the custody of the tribal court in proper condition or if the court determines after trial that the property should be forfeited.

#### **SECTION 123B.12**

At trial the tribe shall have the burden of showing by a preponderance of the evidence that the property is forfeitable under the ordinance charged. If the tribe fails to meet this burden, the tribal court shall dissolve the order to seize, enter judgment awarding title to the property to the owner, and order the immediate release of the property or discharge of the bond. If the tribe meets its burden, the court shall dissolve the order to seize, enter judgment awarding title to the property to the tribe, together with court costs, and place the property in the hands of the tribe for disposition or, if bond was posted, order the bond forfeited to the tribe.

#### **SECTION 123B.13**

Within 30 days after entry of a judgment forfeiting property to the tribe, the tribe shall sell the property at the highest obtainable price. The net proceeds of such sale, shall be remitted to the

tribal treasurer, who shall place such sums in the general account of the tribe for such disposition as the Tribal Council shall make. If there is a perfected security interest in the property forfeited, and the breach which occasioned the forfeiture was not committed with the knowledge, consent, or connivance of the secured party, but if a sufficient amount does not remain for such purpose after the other deductions, then the amount remaining shall be paid over.

#### **SECTION 123B.14**

Any perishable property seized pursuant to this subchapter may be sold by an enforcing officer at the highest available price and the proceeds of the sale shall be tendered into tribal court to await such disposition of the proceeds as the tribal court shall direct.

### **SUBCHAPTER - C - MISCELLANEOUS PROVISIONS**

#### **SECTION 123C.1**

No person in a suit brought pursuant to this chapter shall be required to answer questions which would tend to show that such person breached the ordinance under which the suit was brought.

#### **SECTION 123C.2**

Any person who is concerned in the commission of a breach remediable under this chapter is a principal and may be adjudged to have committed the breach although such person did not directly commit it and although the person who did directly do so has not been subject to the remedial provisions of this chapter. A person is concerned in the commission of a breach if such person:

- (a) Directly commits the breach;
- (b) Aids and abets the commission of the breach; or
- (c) Is party to a conspiracy with one or more others to commit the breach or advises, hires, counsels, or otherwise procures another to commit the breach.

#### **SECTION 123C.3**

The civil remedial forfeiture remedies governed by this chapter are not mutually exclusive, nor shall they be the sole and exclusive remedies of the tribe for breach of its ordinances. Nothing in this chapter shall restrict or curtail the right of the tribe to prosecute or seek the criminal prosecution of any defendant or owner or to institute a civil action for damages in any court against a defendant or owner.

In addition to the civil remedies provided in this chapter, the tribal court may order a defendant or owner to perform or refrain from performing such acts as may be necessary fully to protect the tribe, its members, its property, or its natural resources. The tribal court may order abatement of a nuisance, restoration of natural resource, or other appropriate action designed to eliminate or minimize damage caused by a defendant or owner. The tribal court may, where provided by ordinance, revoke or suspend any or all tribal permits, licenses or privileges.

## **CHAPTER 124 - LANDLORD - TENANT RELATIONS**

### **SECTION 124.1 - PURPOSE**

The purpose of this chapter is to define the rights of landlords and tenants and to establish procedures for the enforcement of landlord and tenant rights and obligations.

### **SECTION 124.2. - AUTHORITY**

This chapter is adopted pursuant to Art. VI, Sec. 1(q) of the Tribe's constitution.

### **SECTION 124.3 - DEFINITIONS**

- (a) "Lease" means a de jure agreement, whether oral or written, for transfer of possession of real property, or both real and personal property, for a definite period of time. A lease is for a

definite period of time if it has a fixed commencement date and a fixed expiration date or if the commencement and expiration can be ascertained by reference to some event such as completion of a building. An agreement for transfer of possession of only personal property is not a lease.

(b) "Periodic tenant" means a tenant who holds possession without a valid lease and pays rent on a periodic basis. It includes a day-to-day, week-to-week, month-to-month, year-to-year or other recurring interval of time, the period being determined by the intent of the parties under the circumstances, with the interval between rent-paying dates normally evidencing that intent.

(c) "Premises" mean the property covered by the lease, including not only the realty and fixtures, but also any personal property furnished with the realty.

(d) "Tenancy" includes a tenancy under a lease, a periodic tenancy or a tenancy at will. (e) "Tenant at will" means any tenant holding the permission of his landlord without a valid lease and under circumstances not involving periodic payment of rent; but a person holding possession of real property under a contract of purchase or an employment contract is not a tenant under this chapter.

(f) "Tribal Court" means the Tribe's Tribal Court.

(g) "Tribe" means the Al'Maurii Khan Tribal Nation.

(h) "Landlord" means a de jure owner of leased land and property appurtenant. Landlords must have aboriginal title or clear title originating from lawful transfer from a tribe (not any individual Indian or Moor). Only landlords having verifiable proof of ownership of leased / rented land or property may be protected under this code. Color of law titles and deeds shall not secure the benefits of protection under this chapter.

#### **SECTION 124.4 - RELATIONSHIP TO OTHER LAWS**

This chapter provides minimum rights, obligations, remedies, and procedures. Other rights, obligations, remedies and procedures may be provided by oral or written agreement of parties, or by applicable federal law. Proceedings under this chapter shall not be governed by Chapters 150 – 156 (Evidence) except as provided by Section 122.9.

#### **SECTION 124.5 REQUIREMENT OF WRITING FOR RENTAL AGREEMENTS AND TERMINATION**

(a) A lease for more than a year, or a contract to make such a lease or the assignment of any leasehold interest of more than a year, is not enforceable unless it is in writing and in addition sets forth the amount of rent or other consideration, the time of commencement and expiration of the lease and a reasonably definite description of the premises, or unless a writing signed by the landlord and the tenant sets forth the amount of rent or other consideration, the duration of the lease and a reasonably definite description of the premises and the commencement date is established by entry of the tenant into possession under the writing. Sections 124.6 and 124.8 govern as to matters within the scope of such sections and not provided for in such written lease or contract.

(b) Possession under unenforceable lease. If a tenant enters into possession under a lease for more than one year which does not meet the requirements of sub. (a), and the tenant pays rent on a periodic basis, he becomes a periodic tenant. Except for duration of the tenancy and matters within the scope of Section 124.6 and 124.8, the tenancy is governed by the terms and conditions agreed upon.

(c) Termination of written lease prior to normal expiration date. An agreement to terminate a tenancy more than one year prior to the expiration date specified in a valid written lease is not enforceable unless it is in writing signed by both parties. Any other agreement between the

landlord and tenant to terminate a lease prior to its normal expiration date or to termination a periodic tenancy or tenancy at will without the notice required by Section 124.12 may be either oral or written. Nothing herein prevents surrender by operation of law.

(d) Proof. In any case where a lease or agreement is not in writing signed by both parties but is enforceable under this section, the lease or agreement must be proved by clear and convincing evidence.

**SECTION 124.6. RIGHTS AND DUTIES OF LANDLORD AND TENANT IN ABSENCE OF WRITTEN AGREEMENT TO CONTRARY.**

(a) When section applicable. So far as applicable, this section governs the rights and duties of the landlord and tenant in the absence of any inconsistent provision in writing signed by both the landlord and the tenant. This section applies to any tenancy.

(b) Possession of tenant and access by landlord. Until the expiration date specified in the lease, or the termination of a periodic tenancy or tenancy at will, and so long as the tenant is not default, the tenant has the right to exclusive possession of the premises, except as hereafter provided.

The landlord may upon advance notice and at reasonable times inspect the premises, make repairs and show the premises to prospective tenants or purchasers; and if the tenant is absent from the premises and the landlord reasonably believes that the entry is necessary to preserve or protect the premises, the landlord may enter without notice and with such force as appears necessary.

(c) Use of premises, additions or alterations by tenant. The tenant can make no physical changes in the nature of the premises, including decorating, removing, altering or adding to the structures thereon, without prior consent of the landlord. The tenant cannot use the premises for any unlawful purpose nor in such a manner as to interfere unreasonably with use by another occupant of the same building or group of buildings.

(d) Tenant's Fixtures. At the termination of the tenancy, the tenant may remove any fixtures installed by him if he either restores the premises to their condition prior to the installation or pays to the landlord the cost of such restoration. Where such fixtures were installed to replace similar fixtures which were part of the premises at the time of the commencement of the tenancy, and the original fixtures cannot be restored the tenant may remove fixtures installed by him only if he replaces them with fixtures at least comparable in condition and value to the original fixtures. The tenant's right to remove fixtures is not lost by an extension or renewal of a lease without reservation of such right to remove. This subsection applies to any fixtures added by the tenant for his convenience as well as those added for purposes of trade, agriculture or business; but this subsection does not govern the rights of parties other than the landlord and tenant.

(e) Storage or disposition of personalty left by tenant.

(1) If a tenant removes from the premises and leaves personal property of an apparent total value of less than \$100, the landlord may:

(A) Store such personalty, with or without notice to the tenant, on or off the premises, with a lien on the personalty for actual cost of removal and storage or, if stored by the landlord, for the reasonable value of storage;

(B) Give the tenant notice, personally or by ordinary mail addressed to the tenant at his last-known address, of the landlord's intent to dispose of the personalty by sale or other appropriate means if the property is not repossessed by the tenant within 5 days of such personal service or 8 days of the date of mailing. If the tenant fails to repossess within the time specified, the landlord may proceed to dispose of such property by private or public sale or any other appropriate means.

The landlord may deduct from the proceeds of sale any costs of sale and any storage charges if he has first stored the personalty under sub d. A, and send the balance of the proceeds to the tenant by registered mail addressed to his last known address; if such proceeds are returned to the landlord and are not claimed within five months after the date on which they were mailed, the proceeds shall belong to the landlord.

(2) Rights of third persons. The landlord's lien and power to dispose as provided by this subsection apply to any property left on the premises by the tenant, whether owned by him or by others. Such lien has priority over any ownership or security interest and the power to dispose under this subsection applies notwithstanding rights of others existing under any claim of ownership or security interest. Notice of intended disposition need to be given only to the tenant. The tenant or any secured party shall have the right to redeem the property at any time before the landlord has disposed of it or entered into a contract for its disposition by payment of the landlord's charges for removal, storage, disposition, arranging for the sale and reasonable attorney's fees and legal expenses.

(3) Other procedure. The remedies of this subsection are not exclusive and shall not prevent the landlord from resorting to any other available judicial procedure.

#### **SECTION 124.7 - WATER HEATER THERMOSTAT SETTINGS**

A landlord of premises which are subject to a residential tenancy and served by water heater serving only that premises shall set the thermostat of that water heater at no higher than 125 degrees Fahrenheit before any new tenant occupies that premises or at the minimum setting of that water heater if the minimum setting is higher than 125 degrees Fahrenheit.

#### **SECTION 124.8 - REPAIRS, UNFITNESS**

(a) Application of section. This section applies only to residential tenancies. An agreement to waive the requirements of this section is void. Nothing in this section is intended to affect rights and duties arising under other law.

(b) Duty of Landlord.

(1) Unless the repair was made necessary by the negligence or improper use of the premises by the tenant, the landlord is under a duty to:

(A) Keep in a reasonable state of repair portions of the premises over which he maintains control;

(B) Keep in a reasonable state of repair all equipment under his control necessary to supply services which he has expressly or impliedly agreed to furnish to the tenant, such as heat, water, elevator or air-conditioning. (C) Make all necessary structural repairs;

(D) Repair or replace any plumbing, electrical wiring, machinery or equipment furnished with the premises and no longer in reasonable working condition, except as provided in sub. (c)(2).

(E) Comply with applicable housing code.

(2) If the premises are part of a building, other parts of which are occupied by one or more other tenants, negligence or improper use by one tenant does not relieve the landlord from his duty as to the other tenants to make repairs as provided in par. (1). (3) If the premises are damaged by fire, water or other casualty, not the result of the negligence or intentional act of the landlord, this subsection is inapplicable and either sub. (2) or (d) governs.

(c) Duty of Tenant.

(1) If the premises are damaged by the negligence or improper use of the premises by the tenant, the tenant must repair the damage and restore the appearance of the premises by redecorating. However, the landlord may elect to undertake the repair or redecoration, and in such case the

tenant must reimburse the landlord for the reasonable cost thereof; the cost to the landlord is presumed reasonable unless proved otherwise by the tenant.

- (2) The tenant is also under a duty to keep plumbing, electrical wiring, machinery and equipment furnished with the premises in reasonable working order if repair can be made at cost which is minor in relation to the rent.
- (3) A tenant shall comply with an applicable housing code.
- (d) Untenantability.

If the premises becomes untenantable because of damage by fire, water or other casualty or because of any condition hazardous to health, or if there is a substantial violation of sub. (b) materially affecting the health or safety of the tenant, the tenant may remove from the premises unless the landlord proceeds promptly to repair or rebuild or eliminate the health hazard or the substantial violation of sub. (b) materially affecting the health or safety of the tenant; or the tenant may remove if the inconvenience to the tenant by reason of the nature and period of repair, rebuilding or elimination would impose undue hardship on him. If the tenant remains in possession, rent abates to the extent the tenant is deprived of the full normal use of the premises. This section does not authorize rent to be withheld in full, if the tenant remains in possession. If the tenant justifiably moves out under this subsection, the tenant is not liable for rent after the premises become untenantable and the landlord must repay any rent paid in advance apportioned to the period after the premises become untenantable. This subsection is inapplicable if the damage or condition is caused by negligence or improper use by the tenant.

#### **SECTION 124.9 - TRANSFERABILITY; ASSIGNMENT OF INTEREST**

- (a) Unless specifically permitted by a written lease, no interest in any tenancy may be transferred or assigned by any tenant to any one else, unless the landlord specifically consents.
- (b) Effect of transfer on liability or transferor. In the absence of an express release or a contrary provision in the lease, transfer or consent to transfer does not relieve the transferring party of his contractual obligations under the lease, except in the special situation governed by Section 124.16(e).
- (c) Covenants Which Apply to Transferee. All covenants and provisions in a lease which are not either expressly or by necessary implication personal to the original parties are enforceable by or against the successors in interest of any party to the lease. However, a successor in interest is liable in damages, or entitled to recover damages, only for a breach which occurs during the period when such successor holds his interest, unless he has by contract assumed greater liability; a personal representative may also recover damages for a breach for which his decedent could have recovered.
- (d) Same Procedural Remedies. The remedies available between the original landlord and tenant are also available to or against any successor in interest to either party.
- (e) Consent as Affecting Subsequent Transfers. If a lease restricts transfer, consent to a transfer or waiver of a breach of the restriction is not a consent or waiver as to any subsequent transfers.

#### **SECTION 124.10 - LIEN OF LANDLORD**

If any tenant abandons a premises while owing rent or other sums to the landlord, the landlord may seize any personalty left on the premises by the tenant and sell it, publicly or privately, and may retain such of the proceeds as are necessary to offset the sum due. The landlord shall send an overage by registered mail to the last known address of the tenant; if such proceeds are returned to the landlord and are not claimed within five months after the date on which they were mailed, the proceeds shall belong to the landlord.

**SECTION 124.11. REQUIREMENT THAT LANDLORD NOTIFY TENANT OF AUTOMATIC RENEWAL CLAUSE.**

A provision in a lease of residential property that the lease shall be automatically renewed or extended for a specified period unless the tenant or either party gives notice to the contrary prior to the end of the lease is not enforceable against the tenant unless the lessor, at least 15 days more than 30 days prior to the time specified for the giving of such notice to him, gives to the tenant written notice in the same manner as specified in Section 124.15 calling the attention of the tenant to the existence of the provision in the lease for automatic renewal or extension.

**SECTION 124.12. NOTICE TERMINATING TENANCY, NO FAULT BY EITHER PARTY.**

(a) Unless otherwise provided by written agreement of the parties, notice terminating tenancy by either the landlord or the tenant, where no fault by the recipient of the notice is alleged, shall be given as provided by this section.

(b) A tenancy at will may be terminated by notice, terminating the tenancy 28 days after the date of notice.

(c) A periodic tenancy may be terminated by notice with an effective date of termination to be determined as follows:

(1) If notice is given on the first day of a period, then the tenancy is terminated as of the last day of a period, then the tenancy is terminated as of the last day of the same period.

(2) If notice is given on any day other than the first day of a period, then the tenancy is terminated as of the last day of the period immediately following the period in which notice is given.

(d) A lease that does not include an oral or written agreement as to notice terminating tenancy may be terminated by notice within an effective date of termination to be determined as follows:

(1) If notice is given on a date rent is due, then the tenancy is terminated 28 days after the date of notice.

(2) If notice given on any day other than a date rent is due, then the tenancy is terminated 28 days after the next date rent is due.

(e) If the periodicity of a tenancy, or the due date of rent, cannot be determined, tenancy may be terminated by notice terminating the tenancy 28 days after the date of notice. (f) In calculating the number of days notice, the day on which notice is given shall not be counted. All subsequent days, including weekends and holidays, shall be counted.

(g) Notice is considered given on the date specified in Section 124.13.

**SECTION 124.13. NOTICE TERMINATING TENANCY FOR FAILURE TO PAY RENT OR OTHER BREACH BY TENANT.**

(a) Failure to pay rent.

(1) Periodic tenancies of a period of one year or less; leases for one year less.

(A) If a tenant has failed to pay rent under a periodic tenancy of a week to week, month-to-month, or other period less than and including year-to-year, the landlord may terminate the tenancy if the landlord gives the tenant notice that tenant must pay rent or vacate the premises within ten days of the date of the notice, and if the tenant fails to pay accordingly.

(B) If notice has been given by a landlord to a tenant under sub. A, above, and tenant has paid rent or otherwise been permitted to remain in possession on the premises, and within one year of the notice again is in default on rent, the landlord may terminate the tenancy by giving tenant notice that tenant must vacate the premises within 14 days of the date of the notice.

(2) Leases for more than a year. If a tenant has failed to pay rent under a lease of more than a year, a landlord may terminate the tenancy as provided in, sub. 1, above, except that the time given to vacate the premises or pay rent under sub. 1(A) and the time given to vacate under sub.

1(B) shall be 30 days from the date notice is given.

(b) Default other than failure to pay rent.

(1) Periodic tenancies of a period of one year or less; leases for one year or less. (A) If a tenant commits waste or a material violation of sec. 124.8(c) or breaches any covenant or condition of the rental agreement (other than for the payment of rent), the landlord may terminate the tenancy if the landlord gives the tenant notice that the tenant must remedy the breach or vacate the premises within ten days of the notice, and if the tenant fails to remedy the breach.

(B) A tenant is deemed to be complying with a notice under sub. A, above if promptly upon receipt of such notice he takes reasonable steps to remedy the default and proceeds with reasonable diligence, or if damages are adequate protection for the landlord and the tenant makes a bonafide and reasonable offer to pay the landlord all damages for his breach.

(C) If within one year from the giving of notice under sub. A, above, the tenant again commits waste or breaches the same or any other covenant or condition of his lease (other than for payment of rent), his tenancy is terminated if the landlord, prior to the tenant's remedying the waste or breach, gives the tenant notice to vacate on or before a date at least 14 days after the giving of the notice.

(2) Leases for more than a year. If a tenant commits waste, or a material violation of Section 124.8(c), or breaches any covenant or condition of the rental agreement (other than for the payment of rent) the landlord may terminate the tenancy as provided in sub. 1, above, except that the time given to remedy the breach or vacate under sub. 1(A), and the time given to vacate under sub. 1(c), shall be 30 days.

#### **SECTION 124.14. REMOVAL OF TENANT ON TERMINATION OF TENANCY.**

If a tenant remains in possession without consent of the landlord after termination of his tenancy, the landlord may in every case proceed in any manner permitted by law to remove the tenant and recover damages for such holding over.

#### **SECTION 124.15. MANNER OF GIVING NOTICE.**

(a) Notice must be in writing, formal or informal, and substantially inform the other party to the landlord-tenant relation of the intent to terminate the tenancy and the date of termination. A notice is not invalid because of errors in the notice which do not mislead, including omission of the name of one of several landlords or tenants.

(b) Notice terminating a tenancy may be given in any of the following manners.

(1) By giving a copy of the notice personally to the other party, or by leaving a copy at the party's usual place of abode in the presence of some competent member of the family at least 14 years of age, who is informed of the contents of the notice. Notice is given under this subsection on the day the notice is given or left.

(2) By leaving a copy with any competent person apparently in charge of or occupying the tenants rented premises, or the landlord's place of business, and by mailing a copy to the party at the party's last known address. Notice is given under this subsection on the day the notice is given or left.

(3) By mailing a copy the registered or certified mail to the party's last known address. Notice is given under this subsection 3 days after it is mailed.

- (c) Any notice to a landlord may be given to the landlord or to a person who has been managing the property or receiving rent as the landlord's agent.
- (d) Any notice to a corporation, partnership, or other business association, may be given to any corporate director, general partner, manager, or agent who has made or received rental payments on behalf of the party.
- (e) If notice is not properly given under this section but is actually received by the other party, the notice is deemed to be properly given, but the burden is on the party alleging actual receipt to prove that fact by clear and convincing evidence. Notice is given under this subsection on the day it is actually received.
- (f) If a tenant vacates the premises without giving notice to the landlord, notice is deemed to have been given to the landlord as of the date of the tenant's vacation of the premises or, if such date cannot be ascertained, the date landlord had actual notice of the vacation.

**SECTION 124.16. EFFECT OF HOLDING OVER AFTER EXPIRATION OF LEASE; REMOVAL OF TENANT.**

- (a) Removal and recovery of damages.

If a tenant holds over after expiration of a lease, the landlord may in every proceed in any manner permitted by law to remove the tenant and recover damages for such holding over.

- (b) Creation of periodic tenancy by holding over.

- (1) Nonresidential leases for a year or longer. If premises leased for a year or longer primarily for other than private residential purposes, and the tenant hold over after expiration of the lease, the landlord may elect to hold the tenant on a month-to-month basis; but if such lease provides for a weekly or daily rent, the landlord may hold the tenant only on the periodic basis on which rent is computed.

- (2) All other leases. If premises are leased for less than a year for any use, or if leased for any period primarily for private residential purposes, and the tenant holds over after expiration of the lease, the landlord may elect to hold the tenant on a month-to-month basis; but if such lease provides for a weekly or daily rent, the landlord may hold the tenant only on the periodic basis on which rent is computed.

- (3) When election takes place. Acceptance of rent for any period after expiration of a lease, the landlord may elect to hold the tenant on a month-to-month basis; but if such lease provides for a weekly or daily rent, the landlord may hold the tenant for a weekly or daily rent, the landlord may hold the tenant only on the periodic basis on which rent is computed.

- (c) Terms of tenancy created by holding over. A periodic tenancy arising under this section is upon the same terms and conditions as those of the original lease except that any right of the tenant to renew or extend the lease, or to purchase the premises, or any restriction on the power of the landlord to sell without first offering to sell the premises to the tenant, does not carry over to such a tenancy.

- (d) Effect of contrary agreement. This section governs except as the parties agree otherwise either by the terms of the lease itself or by an agreement at any subsequent time.

- (e) Holdover by assignee or subtenant. If an assignee or subtenant holds over after the expiration of the lease, the landlord may either elect to:

- (1) Hold the assignee or subtenant or, if he or she participated in the holding over, the original tenant as a periodic tenant under sub. (b); or

(2) Remove any person in possession and recover damages from the assignee or subtenant or, if the landlord has not been accepting rent directly from the assignee or subtenant, from the original tenant.

(f) Notice terminating a tenancy created by holding over. Any tenancy created pursuant to this section is terminable under Section. 124.12.

**SECTION 124.17. DAMAGES FOR FAILURE OF TENANT TO VACATE AT END OF LEASE OR AFTER NOTICE.**

If a tenant remains in possession without consent of his landlord after expiration of a lease or termination of a tenancy by notice given either landlord or the tenant, or after termination by valid agreement of the parties, the landlord may recover from the tenant damages suffered by the landlord because of the failure of the tenant to vacate within the time required. In absence of proof of greater damages, the landlord may recover as minimum damages twice the rental value apportioned on a daily basis for the time the tenant remains in possession. As used in this section, rental value means the amount for which the premises might reasonably have been rented, but not less than the amount actually paid or payable by the tenant for the prior rental period, and includes the money equivalent of any obligations undertaken by the tenant as part of the rental agreement, such as payment of taxes, insurance and repairs.

**SECTION 124.18. RECOVERY OF RENT AND DAMAGES BY LANDLORD; MITIGATION.**

(a) Scope of section. If a tenant unjustifiably removes from the premises prior to the effective date for termination of his tenancy and defaults in payment of rent, or if the tenant is removed for failure to pay rent or any other breach of a lease, the landlord can recover rent and damages except amounts which he could mitigate in accordance with this section, unless he has expressly agreed to accept a surrender of the premises and end the tenant's liability. Except as the context may indicate otherwise, this section applies to the liability of a tenant under a lease, a periodic tenant, or an assignee of either.

(b) Measure of recovery. In any claim against a tenant for rent and damages, or for either, the amount of recovery is reduced by the net rent obtainable by reasonable efforts to re-rent the premises. Reasonable efforts mean those steps which the landlord would have taken to rent the premises if they had been vacated in due course, provided that such steps are in accordance with local rental practice for similar properties. In the absence of proof that greater net rent is obtainable by reasonable efforts to re-rent the premises, the tenant is credited with rent actually received under a re-rental agreement minus expenses incurred as a reasonable incident of acts under sub. (d), including a fair proportion of any cost of remodeling or other capital improvements. In any case the landlord can recover, in addition to rent other elements of damage, all reasonable expenses of listing and advertising incurred in re-renting and attempting to re-rent (except as taken into account in computing the net rent under preceding sentence). If the landlord has used the premises as part of reasonable efforts to re-rent, under sub.(4)(c), the tenant is credited with the reasonable value of the use of the premises, which is presumed to be equal to the rent recoverable from the defendant unless the landlord proves otherwise. If the landlord has other similar premises for rent and receives an offer from a prospective tenant not obtained by the defendant, it is reasonable for the landlord to rent the other premises for his own account in preference to those vacated by the defaulting tenant.

(c) Burden of proof. The landlord must allege and prove that he has made efforts to comply with this section. The tenant has the burden of proving that the efforts of the landlord were not

reasonable, that the landlord's refusal of any offer to rent the premises or a part thereof was not reasonable, that any terms and conditions upon which the landlord has in fact re-rented were not reasonable, and that any temporary use by the landlord was not part of reasonable efforts to mitigate in accordance with sub. (d)(3); the tenant also has the burden of proving the amount that could have been obtained by reasonable efforts to mitigate by re-renting.

(d) Acts privileged in mitigation of rent or damages. The following acts by the landlord do not defeat his right to recover rent and damages and do not constitute an acceptance of surrender of the premises:

(1) Entry, with or without notice, for the purpose of inspecting, preserving, repairing, remodeling and showing the premises;

(2) Re-renting the premises or a part thereof, with or without notice, with rent applied against the damages caused by the original tenant and in reduction of rent accruing under the original lease;

(3) Use of the premises by the landlord until such time as re-renting at a reasonable rent is practical, not to exceed one year, if the landlord gives prompt written notice to the tenant that the landlord is using the premises pursuant to this section and that he will credit the tenant with the reasonable value of the use of the premises to the landlord for such a period;

(4) Any other act which is reasonably subject to interpretation as being in mitigation of rent or damages and which does not unequivocally demonstrate an intent to release the defaulting tenant.

#### **SECTION 124.19 - RETALIATORY CONDUCT IN RESIDENTIAL TENANCIES PROHIBITED**

(a) Except as provided in sub. (b), a landlord in a residential tenancy may not increase rent, decrease services, bring an action for possession of the premises, refuse to renew a lease or threaten any of the foregoing, if there is a preponderance of evidence that the action or inaction would not occur but for the landlord's retaliation against the tenant for doing any of the following:

(1) Making a good faith complaint about a defect in the premises to an elected public official or a local housing code enforcement agency.

(2) Complaining to the landlord about a violation of Section 124.8 or a local housing code applicable to the premises.

(3) Exercising a legal right relating to residential tenancies.

(b) Notwithstanding sub. (a), a landlord may bring an action for possession of the premises if the tenant has not paid rent other than a rent increase prohibited by sub. (a). (c) This section does not apply to complaints made about defects in the premises caused by the negligence or improper use of the tenant who is affected by the action or inaction.

#### **SECTION 124.20 - EVICTION ACTIONS - COMMENCEMENT**

(a) An eviction action is commenced by the filing of a summons and complaint. The summons and complaint shall conform to the requirements of Section 122.6. In addition to the requirements of Section 122.6, the complaint shall allege the type of tenancy to be terminated, the breach, and the date of notice to vacate given by the landlord. The landlord may join in the eviction action other claims arising out of the tenancy. If the landlord joins a claim for lost rent, the landlord must allege that an attempt at mitigation was undertaken.

(b) The Clerk of Court shall make available forms of the summons and complaint. (c) The requirements for return dates and service shall be as provided under Section 122(d) and (e).

#### **SECTION 124.21 - SERVICE OF SUMMONS AND COMPLAINT**

(a) Service shall be made upon defendant pursuant to Section 122.7.

(b) When the defendant has been served pursuant to Section 122.7 and does not waive lack of personal jurisdiction as a defense, service may be made as follows:

(1) If the summons is returned more than 7 days prior to the return date with proof that the defendant cannot be served under Section 122.7(1), the plaintiff may, at least 7 days prior to the return date, affix a copy of the summons and complaint onto some part of the premises where it may be conveniently read. At least 5 days prior to the return date an additional copy of the summons and complaint shall also be mailed to the defendant at the last-known address, even if it is the premises which are the subject of the action.

(2) In all other cases where the summons and complaint are returned with proof that the defendant cannot be served under Section 122.7, the court shall, on the return date, adjourn the case to a day certain not less than 7 days from the return date, and the plaintiff shall affix a notice in substantial conformity with sub. (c) onto some part of the premises where it may be conveniently read.

At least 5 days prior to the return date, an additional copy of said notice, together with a copy of the summons and complaint, shall be mailed to the defendant at the last-known address, even if it is the premises which are the subject of the action.

(3) Before judgment is entered after service is made under this section, the plaintiff shall file proof of compliance with this section.

(c) The notice required under sub. (b)(2), above, shall be substantially as follows:

## **CHAPTER 125 - CHILDREN'S CODE**

### **SECTION 125.01 - PURPOSE**

Children are the most important asset of the Al'Maurii Khan Tribe. In them lie the Tribe's future, and in their retention of Moorish culture lies the preservation of the Tribe's past. Their health, safety, and welfare are paramount to the Tribe. It is the policy of the Tribe to strengthen family structures, to prevent family breakups, and to foster conditions favorable to the growth, spirit, culture, and individuality of each child. A child without knowledge of the past is directionless in the path forward; a child without a nurturing present is denied the strengths that lead to the future. It is the Tribe's policy to favor preventive action over belated reaction, mediation over confrontation, counseling over lecturing, conciliation over punishment - but in all decisions made under this code the welfare of the child shall be the ultimate touchstone.

### **SECTION 125.02 - AUTHORITY**

This chapter is created under art. VI, sec. (1), Al'Maurii Khan Constitution.

### **SECTION 125.03 - CONSTRUCTION**

(a) This Chapter shall be liberally construed to effect the purposes stated in Section. 125.01.

(b) This chapter shall be interpreted to comport with the customs and traditions of the Al'Maurii Khan Tribal Nation. If the customs and traditions of the Al'Maurii Khan Tribe are inconclusive in any matter, federal law and law of the State may be used for guidance. (c) Except as inconsistent with any provision of this chapter, the provisions of chapters 101 through 123 shall apply to any proceeding initiated hereunder.

### **SECTION 125.04 - CHILDREN'S COURT**

(a) There is hereby established a Al'Maurii Khan Children's Court exercising jurisdiction pursuant to this chapter.

(b) The chief judge and any associate judges of the Al'Maurii Khan Tribal Court shall serve as judges of the Children's Court.

(c) All proceedings in Children's Court shall be designated as "In the interest of \_\_\_\_\_, a child."

(d) In the event that a proceeding is transferred to the Children's Court from any other court, the Children's Court may require conformity with the substantive and procedural law of the Tribe, and shall permit amendment of pleadings and other actions necessary to effect jurisdiction over the child and for conformity with this chapter.

(e) All records of the Children's Court shall be confidential. No person other than a party or a party's representative shall have access to court records, absent permission of the Children's Court.

### **SECTION 125.045 - FULL FAITH AND CREDIT TO OTHER JURISDICTIONS**

(a) The Children's Court, Child Welfare Coordinator and other officials of the Al'Maurii Khan tribal government shall grant the public acts, records and judicial proceedings of other entities applicable to Indian child welfare proceedings full faith and credit to the same extent such entities give full faith and credit to the public acts, records and judicial proceedings of the Tribe.

(b) Without limitation to subsection (a) above, the Children's Court may, upon petition, accept a case originally brought in another court. Cases not accepted by the Children's Court within 60 days of the entry of the order transferring the case shall be deemed a declination of the case. The Children's Court may decline or waive jurisdiction over a child at any time and may grant hearings upon a motion to decline or waive jurisdiction.

(c) Upon entry of the order transferring the case, dispositional orders in effect when the case was transferred to the Children's Court shall have the same effect as if they had issued from the Children's Court, regardless of whether the Children's Court would in fact have had the power to make the order. Regardless of the law of other jurisdictions, the Children's Court may modify, extend, suspend or terminate any order issued in a transferred judicial proceeding pursuant to Section 125.18 of this Chapter.

(d) Nothing in this section shall be construed to conflict with subsection 124.04(d) of this Chapter.

### **SECTION 125.05 - JURISDICTION**

(a) The Children's Court shall have jurisdiction over a child upon a petition filed by any person with an interest in the child alleging that the child is a child in need of care because one or more of the following conditions exist:

- (f) Whenever an order rendered under this chapter conflicts with a custody, physical placement, or other family court order rendered by any court, the order under this chapter shall take precedence. Nothing in this chapter shall be construed to limit the power of the Court to have jurisdiction over a child under other sections of this Code or other law.

#### **SECTION 125.055 - WAIVER OF JURISDICTION ON PROTEST OF CHILD'S TRIBE**

If the child welfare coordinator decides to not file a petition under Section 125.14, he or she may attempt to obtain an Informal Resolution rather than declining all further proceedings.
- (b) All Informal Resolutions shall be in writing, shall clearly state all of the obligations of each of the parties in such a way that their performance may be determined, shall include the effective period of the Resolution, shall bear the signatures of the child welfare coordinator, the child if over twelve years of age, and the parent or parents having legal custody or physical placement rights, and any guardian. (b) Any law enforcement officer or the child welfare coordinator shall take a child into custody upon written order of the Children's Court, which may be entered upon a verified petition showing that the welfare of the child demands the child's immediate removal from his or her present

placement or custody. A petition for an order to take a child into custody may only be filed by the child welfare coordinator.

(c) Any person taking a child into custody under this section shall immediately attempt to notify the parent, guardian or custodian by the most practical means, and shall continue to make such attempts until notification is made. Any law enforcement officer acting under this section shall also immediately attempt to notify the child welfare coordinator. If the child is physically transferred to the child welfare coordinator, the coordinator shall thereafter continue notification attempts until notification is made.

(b) The person taking a child into custody, or the child welfare coordinator, shall attempt to immediately release the child to his or her parent, guardian, or custodian, unless such release is inconsistent with the child's best interests, or, if the parent, guardian, or custodian is unwilling or unable to receive such child, to a responsible adult, with suitable counsel, advice, or warning, in which case the name and address of the person to whom the child has been released shall be immediately given to the parent, guardian, or custodian, unless there is reason to believe the release of such information will endanger the child or the person to whom the child has been released. If the procedure given in Sections 125.12, 125.13 and 125.17(a) is not followed, the child's parent, guardian or custodian shall have a right to exercise custody and supervision over the child.

#### **SECTION 125.12 - HOLDING A CHILD IN CUSTODY**

(a) A child may be held in custody if the child welfare coordinator has probable cause to believe that any of the conditions enumerated in Section 125.10(a) or (b) exists.

(b) No child shall be held in secure custody unless the child consents to secure custody in order to protect him or her from an imminent physical threat from another, and such secure custody is ordered by the Children's Court.

#### **SECTION 125.13 - HEARINGS FOR CHILD IN CUSTODY**

(a) For any child who has been taken into custody and not released under Section 125.11, a hearing shall be held to determine whether the criteria exist under Section 125.10 to 125.12 to continue

holding the child in custody. The hearing shall be held within 24 hours of the time the child is taken into custody, excluding Saturdays, Sundays, holiday, any time after 4:00 p.m. of the day preceding any such day, and any time before 9:00 a.m. of the day succeeding any such day. A petition under Section 125.14 shall be filed before or at the hearing. All reasonable steps shall be taken to notify the child's parents, guardian, and custodian of the hearing. If the parent, guardian, and custodian does not receive actual notice, he or she may request a rehearing by right if the child is still under the court's jurisdiction or the issue is not otherwise moot.

- (b) If, within the time provided by Section 125.13(a), no hearing is held, or no petition is filed, the child shall be released from custody, unless the court finds either ex parte or at a post-deadline hearing that probable cause exists to believe that the child is in imminent danger to self or another, or that the child's parent, guardian, or custodian is unwilling or unable to provide adequate supervision and care, in which case one 48 hour extension may be granted during which time the child shall remain in custody pending the filing of a petition. Ex parte findings of probable cause shall be reconsidered, and an opportunity to present oral and written evidence and argument shall be provided, by right, if any affected person requests reconsideration or hearing. Hearings under this subsection may be conducted by telephone.
- (c) The hearing required under this section may be waived by the child's parents, guardians, or legal custodians or, if the child is over 12, by the joint waiver of the above and of the child. If a guardian ad litem is subsequently appointed for the child, or if the parents, guardian, or legal custodians subsequently retain counsel, such waiver may be subsequently withdrawn and a hearing demanded, which shall be scheduled as soon as practicable.
- (d) The petitioner shall make all practicable efforts to secure the appointment of a guardian ad litem prior to the hearing.
- (e) A copy of the petition shall be given to the child's parent, guardian, or legal custodian, and to the child if 12 or older, as soon as practicable, and in no case later than the commencement of the hearing.
- (f) At the commencement of the hearing, the court shall advise the child, and the parents, guardians, or custodians, of the allegations made, the possible consequences of the hearing, the right to counsel at a party's own expense, the right to confront and cross-examine witnesses, and the right to present witnesses.
- (g) If the court finds that one or more of the conditions enumerated in Section 125.10(a) or (b) exists, it may continue custody in any of the placements enumerated in Section 125.12. The Court may also impose reasonable restrictions on the child's travel, association with other persons, or places of abode, and may assign the child to the supervision of the Al'Maurii Khan Indian Child Welfare Department. Reasonable restrictions may be placed upon the conduct of the parents, guardians, custodians, or other responsible adult as necessary to secure the safety of the child. Any order entered under this section shall be reduced to writing within ten days thereof.
- (h) Any order under this section shall be subject to rehearing for good cause.

#### **SECTION 125.14 - PETITIONS**

(a) All petitions under this chapter shall be filed with the Children's Court, shall be made under oath, and shall include the child's name, date of birth, parents' names, and child's parents' last known addresses, and the names and addresses of all other affected persons, if known.

(b) All petitions shall allege facts upon which the petitioner asserts jurisdiction exists. No petition shall be sufficient if it merely reiterates the language of the Code section invoked, but

shall include reference to the specific subsection of the Code section upon which petitioner alleges jurisdiction.

(c) No petition filed by the child welfare coordinator shall be deemed insufficient on account of hearsay, provided that there is a sufficient indication alleged of the declarant's reliability.

(d) All petitions shall be filed with the clerk of court, with copies served, by the petitioner, on the child welfare coordinator and all parties who may be affected by an order concerning the subject child.

(e) Unless impracticable or ineffective, petitions shall be served personally or by first class mail.

#### **SECTION 125.15 - INITIAL HEARING**

(a) Upon petition by the child welfare coordinator or any party pursuant to Section 125.05(b), the court shall schedule an initial hearing. The hearing shall be scheduled within ten days of the date of the petition in the case of a child held in custody, and within 30 days of the date of the petition in all other cases. All affected persons and the child welfare coordinator shall be served notice of this and all other hearings and shall be given a reasonable opportunity to prepare and be heard.

(b) Any affected person has the right to be represented at a hearing by counsel at his or her own expense. The petitioner shall secure the appointment by the court of a guardian ad litem for any child who is subject of a petition. The court may, on its own motion or that of any party, appoint a guardian ad litem for any minor parent of a child subject of a petition.

(c) At the initial hearing, the child and the parent, guardian or custodian shall be informed of their rights as follows:

(2) The right to confront and cross-examine witnesses.

(3) The right to counsel at the party's own expense.

(4) The right to subpoena and present witnesses.

(5) The right to have the allegations of the petition proven by clear and convincing evidence.

(6) The right to demand for cause or pursuant to Section 104.4 a substitution of judge, which if not made before the close of the initial hearing is deemed waived.

(d) The child and the non-petitioning parties shall state whether they intend to contest the allegations of the petition.

(e) If no party intends to contest the allegations of the petition, the court shall set a date for a dispositional hearing no later than 30 days from the date of the initial hearing. If all parties consent, the court may proceed immediately with the dispositional hearing. (f) If the petition is contested, the court shall set a date for an adjudicatory hearing no later than 20 days from the date of the initial hearing.

(g) Before accepting an admission or a statement of no contest to a petition, the court shall make inquiry to determine that the admission or statement is informed, voluntary, and made with an understanding of the potential dispositions that could result from the admission or statement.

The court shall also establish whether any promises or threats were made to elicit the admission or statement, and shall inform any unrepresented parties that a lawyer could discover defenses or mitigating circumstances not apparent to them. The court shall also elicit a factual basis for the admission or statement.

#### **SECTION 125.16 - ADJUDICATORY HEARING**

- (a) At the adjudicatory hearing the court shall determine whether the subject child is within the jurisdiction of the court pursuant to the allegations of the petition as shown by clear and convincing evidence. In the event jurisdiction is found, the court shall schedule a dispositional hearing no later than 30 days from the date of the adjudicatory hearing. If all parties consent, the court may proceed immediately to the dispositional hearing. (b) The jurisdiction of the court shall extend for one year plus thirty days from the date of a finding of jurisdiction.
- (c) All hearings shall be to the Court without a jury, all hearings shall be closed to the public, and all records shall remain confidential except for good cause to the contrary shown to the court. All proceedings shall be recorded electronically, or verbatim by a licensed court reporter.

#### **SECTION 125.17 - DISPOSITION**

- (a) At any stage of a proceeding under this chapter the court may order interim disposition for the child. Such an order may include any disposition authorized by Section 125.17(d).
- (b) Upon entry of an adjudication order, the court shall determine the disposition appropriate for the child. The child welfare coordinator and the petitioning party if other than the child welfare coordinator, shall submit reports to the court summarizing the child's personal history, the circumstances leading to the petition, the resources available and suitable to the child and family, the disposition recommended, and the rationale for the disposition. The report shall specify how the disposition is related to the circumstances leading to the petition and the role each affected person is expected to play in the removal of such circumstances in the future. Any other party may submit such a report. All such reports shall be filed with the court no later than four (4) days prior to the dispositional hearing. Copies shall be provided to the child's guardian ad litem and counsel for any party, or directly to any party not represented by counsel. No additional copies shall be made. All copies shall be returned to the court at the close of the dispositional hearing.
- (c) Any party requesting out-of-home placement of a child shall submit to the court, and distribute as provided in subsection 125.17(b), above, a report enumerating the attempts made to prevent an out-of-home placement, and a statement describing the efforts that will be made to make it possible for the child to return home.
- (d) In considering an appropriate disposition, the court may consider any or all of the following factors:
- (1) Special physical or emotional needs of the child.
  - (2) Social, cultural, or religious tradition of the child, the child's family, or the Tribe,
  - (3) Availability of resources within the child's extended family,
  - (4) The child's preference, if the child is over 12 years of age, and the recommendation of the guardian ad litem,
  - (5) The recommendation of the child welfare coordinator or any person with an interest in the child,
  - (6) Recommendations of professionals experienced in services to children,
  - (7) Other factors calculated to meet the needs of the individual child and purposes of this chapter.

- (1) Counsel the child or the parent, guardian, or custodian.
  - (2) Remand the child to the custody of a parent, guardian, custodian, or other responsible relative in the child's home, with supervision of the child by the child welfare coordinator and reasonable rules of conduct by the child and the parent, guardian, custodian, or other responsible relative.

- (3) Participation of the child and/or parent or custodian in a specified counseling, treatment, or educational program, which may include use of traditional or culturally appropriate services or activities.
- (4) Restitution in any reasonable amount for acts of the child resulting in damage or injury to any person or the Tribe.
- (5) Community service appropriate to the needs or abilities of the child.
- (6) Removal of the child from the home and/or placement with a member of the child's extended family, a tribal member licensed foster home, a licensed Indian foster home, an institution for children approved by the Tribe, or any other foster home.
- (7) Inpatient alcohol, drug, or mental health treatment for specified purposes for a specified period of time.
- (8) Any other disposition calculated to provide for physical, mental, emotional, or developmental needs of the child.
- (9) Such order may also provide for visitation by parties or extended family members as appropriate.
- (f) Any party to a proceeding under this chapter may seek and the Court of its own motion may direct the child welfare coordinator to seek enforcement of any court order in any other appropriate court.
- (g) The Court on its own motion may waive, and any party to a proceeding under this chapter may seek by motion and for good cause shown a waiver of, continuing jurisdiction over a child and refer a case to any other court having, in such a case, jurisdiction.
- (h) In any dispositional placement of a child, the court shall require testimony and make findings that services designed to prevent the necessity of out-of-home placement are appropriate and available and have been offered. This shall not require any petitioning party to prove that services that are either not appropriate or not available through or from the Tribe have been offered, attempted, or rejected.
- (i) In any out-of-home placement, the court shall consider and make findings about the attempts made to prevent out-of-home placement and availability or appropriateness of custodial care within the child's extended family or with tribal members before ordering a placement in any other home or facility.
- (j) Whenever the court orders a child to be placed outside the home, the court shall orally inform the parents who appear in court, and shall include in the written order a statement, of any ground for termination of parental rights under Section 125.21 that may be applicable.

#### **SECTION 125.18 - EXTENSIONS AND MODIFICATIONS**

- (a) At any time in the last two months of the period in which a dispositional order issued by the Children's Court or issued by another court and subsequently transferred to the Children's Court is effective, any person with an interest in the child, or any person who was a party to the original proceedings may move or petition for an extension of the court's or dispositional order.
- (b) In the event a motion or petition for extension is filed within the time period specified in Section 125.18(a), the Court may make such temporary extension orders as are necessary to preserve its jurisdiction and to protect the interests of the child pending a full hearing on the extension motion or petition.
- (c) The scope of inquiry at the hearing on an extension is whether the conditions that warranted the adjudication continue or whether new circumstances provide jurisdiction pursuant to Section 125.05. If an extension is sought on the ground of new circumstances, the circumstances justifying

extended jurisdiction shall be alleged in the petition. To assist the court, parties and guardian ad litem, parties may prepare and distribute court reports similar to those called for in Section 125.17.

(d) Upon motion or petition by any person with an interest in the child, for good cause shown, the Court may modify a dispositional order any time before one year after entry of the order sought to be modified unless a shorter period is provided by the Court in the order.

#### **SECTION 125.19 - DISCOVERY**

(a) Copies of all peace officer reports, including but not limited to officers' memoranda and witness statements, shall be made available upon request of the tribe's attorney, to counsel or to the child's guardian ad litem prior to the initial hearing. The child, through his or her guardian ad litem, shall be the only non-petitioning party to have access to such reports in proceedings filed under Section 125.05(a)(8).

(b) All records relating to a child which are relevant to a proceeding under this chapter shall be open to inspection by a guardian ad litem or counsel, upon demand, and upon presentation of releases whenever necessary. Persons entitled to inspect records may obtain copies of them at their expense upon permission of the custodian of the records or the court. The court may require counsel not disclose material contained in the records to any other person if the court reasonably believes such disclosure would be harmful to the child.

(c) Counsel and guardian ad litem shall have the right to view any videotaped oral statement of the child upon reasonable notice.

#### **SECTION 125.20 - PSYCHOLOGICAL AND OTHER EXAMINATIONS**

The Court may in any proceeding under this chapter, order any child and the child's parents, guardians, or custodians, to submit to a psychological, mental, or developmental examination, or to a drug and alcohol abuse evaluation, if the court reasonably believes that any condition that may be illuminated by such an examination would assist in the adjudication or disposition of the case. The costs to any affected person of any such exam, if approved by the court, shall be paid by the Tribe, if the costs are not covered by a third-party payer.

#### **SECTION 125.21 - TERMINATION OF PARENTAL RIGHTS**

(a) Termination of parental rights means that, pursuant to court order, all rights, powers, privileges, immunities, duties, and obligations existing between parent and child are permanently severed; however, tribal membership, rights, privileges, entitlements, or obligations shall not be affected by such termination.

(b) Termination of parental rights may be ordered only in a proceeding where the petition clearly states that the petitioner is seeking an order of termination of parental rights, and where the mother and father have been summoned to appear before the Children's Court. No termination of the parental rights of an unadjudicated or unacknowledged father may be ordered without evidence and findings as to paternity of the child to the satisfaction of the court.

(c) Involuntary Termination. Termination of parental rights may be ordered only in cases where the court finds that one or more of the following grounds exists:

(1) Abandonment.

(a) The child has been left without provision for care or support and without reasonable expectation that a relative or other person would care for and support the child, and the petitioner has investigated and cannot locate the parent, or

(b) The child has been left by the parent with a relative or other person, or could reasonably expect that a relative or other person would provide for the child's care and support, or the child has been placed outside the parent's home by the order of a court of competent jurisdiction issued

in a proceeding whereby the parent received either an oral or written warning that their parental rights may be terminated in subsequent proceedings, and in either case that the parent has failed to visit or communicate with the child for one year or longer, and that ninety days prior to the filing of the petition for termination of parental rights the parent was notified in a written notice to the parent's last known address that a petition would be filed; or

(2) Failure to remedy condition. The child has been under the jurisdiction of court or courts of competent jurisdiction for at least one year and the parent has made no progress in remedying the conditions requiring jurisdiction or the child has been under the jurisdiction of court or courts of competent jurisdiction for at least two years and it is unlikely that the parent will remedy the conditions requiring jurisdiction, and in either case that at least ninety days prior to the filing of a termination of parental rights petition that parent was warned that a petition would be filed; or

(3) Abuse. The child is under the jurisdiction of the court pursuant to Section 125.05(a)(1) and the Court finds that the facts establishing jurisdiction show a pattern of repeated or severe abuse; or

(4) Continuing denial of periods of physical placement. The parent has been denied all periods of physical placement or visitation rights by a court or courts of competent jurisdiction for a period of at least one year, the parent has been warned at least ninety days prior to the filing of a petition that a petition would be filed, and there is no currently pending action to modify the parent's physical placement or visitation rights in a court of competent jurisdiction.

(5) Failure to assume parental responsibility. The child is a non-marital child whose father has not subsequently adopted the child or married the child's mother and who has not established a substantial parental relationship with the child, meaning the acceptance and exercise of significant responsibilities for the daily supervision, education, protection, and care of the child, as evidenced by factors including but not limited to whether the father has ever expressed concern for or interest in the support, care, or wellbeing of the child or mother, and whether the father has neglected or refused to provide support.

(d) Voluntary Termination. The court may terminate the parental rights of a parent who has given his or her informed, voluntary consent as provided in this section.

(1) The parent appears personally at a hearing and gives his or her consent, the court explains the effect of a termination of parental rights, and the court has questioned the parent and found to its satisfaction that the consent is informed and voluntary.

(2) If the personal appearance of the parent before the court would be impossible or difficult, the court may accept written consent executed by the parent before an embassy or consular official, a military judge, or any judge of a court of record of another jurisdiction, and the consent is accompanied by the official's or judge's written findings that the parent was questioned and that the consent is informed and voluntary.

(3) A person who may be but has not been adjudicated the father of a non marital child may consent as in (1) or (2) by signing a written, notarized statement that he has been informed of and understands the effect of a termination of parental rights and voluntarily disclaims any rights he may have to the child, including the right of notice of further proceedings under this chapter.

(4) If the proceeding to terminate parental rights is held prior to an adoption proceeding in which the petitioner is the child's stepparent, the parent may consent to termination of rights as provided in (1) or (2) or by filing with the court an affidavit witnessed by two persons stating that he or she has been informed of and understands the effect of an order to terminate parental rights,

and that he or she voluntarily disclaims all rights to the child, including the right to notice of further proceedings under this chapter.

(5) Any minor parent stating an intent to consent to the termination of parental rights shall have a guardian ad litem appointed for him or her by the court. The minor parent's consent to terminate rights shall not be accepted unless joined by his or her guardian ad litem. The consent of the guardian ad litem shall preclude later attack on the validity of the consent on the grounds of incompetence or minority.

(e) Petition.

(1) A petition for termination of parental rights may only be filed by a child's parent or by the child welfare coordinator.

(2) The petition commencing a proceeding for termination of parental rights shall set forth the following facts:

1. The name, birth date, and address of the child or children.
2. The names, birth dates, and addresses of the child's parents, and the names and addresses of any guardian or custodian.
3. A statement that consent to termination of parental rights will be given as provided by this chapter, or a statement that consent will not be given, a statement of the specific grounds for involuntary termination under this chapter, and a statement of facts which petitioner alleges establish the grounds.

(f) Summons. A summons shall be filed with the petition, and shall set forth the following:

- (1) The name and birth date of the child.
- (2) The nature, location, date, and time of the initial hearing.
- (3) Advice that the party summoned has the right to legal counsel at the party's own expense.
- (4) Advice that failure to respond or appear at the hearing may result in a termination of the party's parental rights.
- (5) Name of petitioner, and name, address, and phone number of petitioner's attorney, if any, or of the petitioner if unrepresented.

(g) Service.

(1) The petitioner shall cause the summons and petition to be served on the parent or parents of the child; any person who may be the father of the child, based on statements of the person or the mother; the guardian, guardian ad litem, and custodian of the child, as applicable; the child, if 12 years of age or older.

(2) Personal service shall be accomplished as provided by the tribal court code no less than seven days prior to the initial hearing or, if personal service cannot with reasonable diligence be accomplished, by publication one time in a newspaper likely to give notice to the party, together with mailing of the summons and petition to the party's last known address. The published notice shall contain the following information: i. The name of the party or parties to whom notice is given.

ii. The former address of the party or parties.

iii. The approximate date and place of conception of the child. iv. The date and place of the birth of the child.

v. The notice shall not include the name of the mother unless the mother consents. The notice shall not include the name of the child unless the court finds that inclusion is essential to give effective notice to the father.

vi. Advice that the parental rights of any parent or alleged parent who fails to appear may be terminated.

vii. Advice that any party has the right to representation by counsel at his or her own expense.

(3) Upon motion of petitioner, the court may waive constructive notice to any person whose identity is unknown but may be the father of the child if such notice appears unlikely to give the father effective notice.

(h) Initial Hearing.

(1) An initial hearing shall be held on a petition to terminate parental rights no later than 30 days after the filing of the petition. At the hearing the court shall determine whether any party wishes to contest the petition and shall inform the parties of their rights under Section 125.15(c).

(2) If the petition is contested the court shall set a date for a fact finding hearing no later than 45 days after the date of the initial hearing, unless all parties consent to an immediate hearing, in which case the court may immediately so proceed.

(3) If the petition is not contested, the court shall set a date for a dispositional hearing no later than 45 days from the date of the initial hearing, unless all parties consent to an immediate hearing and the report required by Section 125.21(k) has been filed, in which case the court may immediately so proceed.

(4) Any non-petitioning party shall be granted a continuance for the purpose of consulting legal counsel.

(5) A guardian ad litem shall be appointed for the child in any contested proceeding under this section.

(6) The court shall determine whether all interested parties, including parties who may be the child's father, have been notified. If the court determines that an unknown person may be the father of the child, the court shall further determine whether constructive notice will substantially increase the likelihood of actual notice to that person. If the court so determines, it shall adjourn the hearing and order such notice to be given. If the court determines that constructive notice will not substantially increase the likelihood of actual notice, the court shall order that the hearing proceed. (j) Fact Finding Hearing.

(1) At the fact finding hearing the court shall determine whether the facts alleged in a petition that has been contested are true beyond a reasonable doubt. If the court so finds, it shall proceed immediately to a dispositional hearing unless all parties agree to a delay or unless the report required in Section 125.21(k) has not been completed, in which case the court shall set a hearing date no later than 45 days after the fact-finding hearing.

(2) If disposition is delayed, the court may enter an interim disposition under Section 125.17(a).

(k) Disposition.

(1) Prior to disposition, the child welfare coordinator shall prepare a report to the court including a complete social, adjudicatory, and dispositional history of the child and the parent, a statement of feasible alternative dispositions, if any, and a statement applying the standards and factors contained in Section 125.21(k)(2). The report shall include a description of efforts made to prevent removal of the child from the home and efforts made, if any, to return the child, and to remedy the conditions resulting in the termination proceeding. If the report recommends termination of both parents, or of the only living or known parent, the report shall include a statement of the child's likelihood of adoption, listing factors that might prevent it and factors that might facilitate it, and the interim plan and designated guardian recommended pending adoption.

The report shall also contain a medical and genetic history of the child and birth parents on a form as provided by the local [county or state] Department of Health and Social Services.

(2) Court considerations. In making a decision about the appropriate disposition, the court shall consider the standard and factors enumerated in this section.

(a) Standard. The best interests of the child shall be the prevailing factor considered by the court in determining the disposition of all proceedings under this subchapter, (b) Factors. In considering the best interests of the child under this section the court shall consider but not be limited to the following:

i. The age and health of the child, both at the time of the disposition and, if applicable, at the time the child was removed from the home,

ii. The wishes of the child,

iii. The duration of the separation of the parent from the child, iv. Whether the child will be able to enter into a more stable and permanent family relationship as a result of the termination, taking into account the conditions of the child's current placement, the likelihood of future placements and the results of prior placements. (3) Any party may present evidence relevant to disposition, and propose alternative dispositions. The court shall order either disposition listed below no later than ten days after a hearing on disposition.

(4) Upon a finding that grounds exist for a termination of parental rights the court shall order one of the following dispositions.

(a) The court may dismiss the petition.

(b) The court may order the termination of parental rights of one or both parents. If the rights of both parents or of the only living or known parent is terminated, the court shall transfer guardianship of the child to the child welfare coordinator, the local [county or state] Department of Health and Social Services, a relative of the child, with whom the child resides, if the relative has filed a petition for adoption, or an individual who has been appointed guardian of the child by a court of competent jurisdiction. The court may also transfer custody of the child to one of the agencies listed above or to a relative or other individual if the child has resided in the home of that individual for a meaningful period of time prior to the termination.

(4) The court shall inform any parent whose rights have been terminated of the provisions of local statutes. [research laws to find corresponding application for application under this code].

(5) Any order under this section shall be reduced to writing and filed within 30 days of its rendition.

#### **SECTION 125.22 - GUARDIANSHIP**

Except when the petitioner is a person with an interest in the child, the decision to allow a person to petition for the appointment of a guardian shall be in the Court's discretion. (a) In a proceeding for Dissolution of Marriage, Legal Separation, Maintenance, or Child Support, the Court may order either or both parents owing a duty of support to a child, born to or adopted by the parents, to pay an amount reasonable and necessary for his support, without regard to marital misconduct after considering all relevant factors, including:

- (1) The financial resources and needs of the child.
  - (2) The financial resources and needs of the custodial parent.
  - (3) The standard of living the child would have enjoyed had the marriage not been dissolved.
  - (4) The physical and emotional condition of the child, and his educational needs.

  - (6) Excessive and abnormal expenditures, destruction, concealment, or fraudulent disposition of community, joint tenancy or other property held in common.

The Court may appoint an attorney or any other person to represent the interests of a minor or dependent child with respect to his support, custody and visitation. #### **SECTION 127.13 - PAYMENT OF MAINTENANCE OR SUPPORT TO COURTS; RECORDS**

- (a) Upon its own motion or upon motion of either party, the Court may order at any time that maintenance or support payments be made to the Clerk of Court for remittance to the person entitled to receive the payments.
- (b) The Clerk of Court shall maintain records listing the amount of payments, the date payments are required to be made, and the names and addresses of the parties affected by the order.

In the event a person obligated to pay child support is in arrears for at two months or more, the Court may order the person obligated to pay child support to make an assignment of a part of his periodic earnings or trust income to the person entitled to receive the payments. The assignment is binding on the employer, trustee, or other payor of the funds two weeks after service upon such person of notice that the assignment has been made. The payor shall withhold the earns or trust income payable to the person obligated to support the amount specified in the assignment and shall transmit the payments to the Clerk of the Court. #### **SECTION 127.15 - COSTS AND EXPENSES**

#### **SECTION 127.16 - DECREE; FINALITY; RESTORATION OF MAIDEN NAME**

(a) A Decree of Dissolution of Marriage or of Legal Separation is final when entered, subject to the right of appeal. An appeal from the Decree of Dissolution that does not challenge the finding that the marriage is irretrievably broken does not delay the finality of that provision of the decree which dissolves the marriage beyond the time for appealing from that provision, and either of the parties may remarry pending appeal. An order directing payment of money for support or maintenance of the spouse or the minor child or children, shall not be suspended or the execution thereof stayed pending the appeal.

(b) The Court may upon hearing within six months after the entry of a Decree of Legal Separation, convert the decree to a Decree of Dissolution of Marriage.

The provisions as to property disposition may not be revoked or modified, unless the Court find the existence of conditions that justify the reopening of a judgment

under the laws of this Community. (b) Unless otherwise agreed in writing or expressly provided in the decree, the obligation to pay future maintenance is terminated upon the death of either party or the remarriage of the party receiving maintenance.

(c) Unless otherwise agreed in writing or expressly provided in the decree, provisions for the support of the minor child are not terminated by the death of a parent obligated to support the child. When a parent obligated to pay support dies, the amount of support may be modified, revoked or commuted to a lump sum payment to the extent just and appropriate in the circumstances.

#### **SECTION 127.19 - JURISDICTION; COMMENCEMENT OF PROCEEDINGS**

(a) The Al'Maurii Khan Tribal Court is vested with jurisdiction to child custody matters by initial determination or by modification of the decree, if:

(1) Within Moorish dominions is the domicile of the child at the time of commencement of the proceeding, or had been the child's domicile within six months before commencement of the proceeding and the child is absent from these dominions because of his/her removal or retention by a person claiming his/her custody or for any other reason, and a parent or person acting as parent continues to live in this/her Community; or

(2) It is in the best interest of the child that this Court assume jurisdiction because the child and his/her parents, or the child and at least one contestant, have a significant connection with this Community, and there is available in this/her Community substantial evidence concerning the child's present or future care, protection, training and personal relationships; or

(b) Except under Paragraphs 3 and 4 of Subsection 127.19, physical presence on the land or reservation belonging to Al'Maurii Khan Tribal Nation of the child or of the child and one of the contestants, is not alone sufficient to confer jurisdiction on a Court of the Community to make a child custody determination.

(c) Physical presence of the child, while desirable, is not a prerequisite for jurisdiction to determine his/her custody.

(d) A child custody proceeding is commenced in the Tribal Court:

(1) By a parent, by filing a Petition:

(a) For the dissolution or legal separation; or

(b) For custody of the child; or

(2) By a person other than a parent, by filing a Petition for custody of the child, but only if he/she is not in the physical custody of one of his/her parents.

(a) For the dissolution or legal separation; or

(b) For custody of the child; or

- (2) The wishes of the child as to his/her custodian.
- (3) The interaction and inter-relationship of the child with his/her parent or parents, his/her siblings, and any other person who may significantly affect the child's best interest.
- (4) The child's adjustment to his/her home, school and community.
- (5) The mental and physical health of all individuals involved.

(b) No motion to modify a custody decree may be made earlier than one year after its date, unless the Court permits it to be made on the basis of affidavit that there is reason to believe the child's a present environment may endanger seriously his/her physical, mental, moral or emotional health.

(c) Fees of attorneys or lay advocate and costs shall be assessed against a party seeking modification if the Court finds that the modification action is pursued in bad faith and/or constitutes harassment.

**SECTION 127.21 - TEMPORARY ORDERS**

(a) A party to a custody proceeding may move for a temporary custody order. This motion must be supported by pleadings as provided in Section 127.06. The Court may award temporary custody under the standards of Section 127.11 after a hearing, or, if there is no objection, solely on the basis of the pleadings.

(b) If a proceeding for dissolution of marriage or legal separation is dismissed, any temporary custody order is vacated unless a parent or the child's custodian moves that the proceeding continue as a child welfare matter consistent with the Al'Maurii Khan Tribal Code and, after a hearing, that the circumstances of the parents and the best interests of the child require that a placement order is issued.

(c) If a placement proceeding commenced in the absence of a petition for dissolution of marriage or legal separation is dismissed, any temporary custody order thereby is vacated.

**SECTION 127.22 - INTERVIEWS BY COURT: PROFESSIONAL ASSISTANCE.**

(a) The Court may interview the child in chambers to ascertain the child's wishes as to his/her custodian and as to visitation.

(b) The Court may seek the advice of professional personnel, whether or not employed by the Court on a regular basis. The advice given shall be in writing and shall be made available by the Court to counsel, upon request, under such terms as the Court determines. Counsel may examine as a witness any professional personnel consulted by the Court, unless such right is waived.

**SECTION 127.23 - INVESTIGATIONS AND REPORTS.**

(a) In contested custody proceedings, and in other custody proceedings if a parent or the child's custodian so requests, the Court may order an investigation and report concerning custodial arrangements for the child. The investigation and report may be made by a social service agency, the staff of the juvenile court or any other person or agency appointed by the Court.

(b) In preparing his/her report concerning a child, the investigator may consult any person who may have information about the child or potential custodial arrangements.

(c) The Court shall mail the investigator's report to counsel of the parties at least ten days prior to the hearing, unless otherwise ordered by the Court. The investigator shall make available to counsel of the parties the names and addresses of all persons whom the investigator has consulted. Any party to the proceedings may call for examination of the investigator and any person whom he/she has consulted.

**SECTION 127.24 - CUSTODY HEARINGS; PRIORITY; COSTS; RECORD.**

- (a) Custody proceedings shall receive priority in being set for hearing.
- (b) The Court may impose as costs to the parties, the payment of necessary travel and other expenses incurred by any person whose presence at the hearing the Court deems necessary to determine the best interest of the child.
- (c) The Court shall determine questions of law and fact. If it finds that public hearing may be detrimental to the child's best interest, the Court may exclude the public from a custody hearing, but may admit any person who has a direct and legitimate interest in the work of the Court.
- (d) If the Court finds that to protect the child's welfare, the record of any interview, report, investigation, or testimony in a custody proceeding should be kept secret, the Court may then make an appropriate order sealing the record.

**SECTION 127.25 - VISITATION RIGHTS; EXCEPTION.**

- (a) A parent not granted custody of the child is entitled to reasonable visitation rights unless the Court finds, after a hearing, that visitation would endanger seriously the child's physical, mental, moral or emotional health.
- (b) The Court may modify an order granting or denying visitation rights whenever modification would serve the best interest of the child, but the court shall not restrict a parent's visitation rights unless it finds that the visitation would endanger seriously the child's physical, mental moral or emotional health.

**SECTION 127.26 - JUDICIAL SUPERVISION.**

- (a) Except as otherwise agreed by the parties in writing at the time of the custody decree, the custodian may determine the child's upbringing including his/her education, health, care and religious training, unless, upon motion by the noncustodial parent, the Court, after hearing, finds that in the absence of specific limitation of the custodian's authority, the child's physical health would be endangered or his/her emotional development significantly impaired.
- (b) If both parents or all contestants agree to the order, or if the Court finds that the child's physical health would be endangered or his/her emotional development significantly impaired, the Court may order a social service agency to exercise continuing supervision over the case to assure that the custodial or visitation terms of the decree are carried out.

**SECTION 127.27 - AFFIDAVIT; CONTENTS**

A party seeking a temporary custody order or modification of a custody decree shall submit an affidavit or verified petition setting forth detailed facts supporting the requested order or modification and shall give notice, together with a copy of his/her affidavit, or verified petition to other parties to the proceeding, who may file opposing affidavits. The Court shall deny the motion unless it finds that adequate cause for hearing the motion is established by the pleadings, in which case it shall set a date for hearing on why the requested order of modification should not be granted.

**SECTION 127.28 - INVESTIGATIONS**

The filing of a subsequent petition by either or both of the spouses more than one year after the filing of any previous petition with such effect shall have the same effect toward staying any domestic relations action then pending and toward prohibiting the filing of any such action as provided in this chapter.

## **CHAPTER 128 ADULT GUARDIANSHIP CODE**

### **SECTION 128.01 JURISDICTION IN TRIBAL COURT.**

Pursuant to the Al'Maurii Khan Tribal Constitution, Article VI Sections 1 (j) and (q), the tribal court shall have jurisdiction over petitions for adult guardianship. A guardianship of the estate of an adult person, once granted, shall extend to wherever any of his or her assets, whatever the nature, are located.

### **SECTION 128.02 VOLUNTARY PROCEEDINGS; CONSERVATORS**

- (1) Any adult member who believes that he or she is unable to properly manage his or her property or income may voluntarily apply to the tribal court for appointment of a conservator of the estate. Upon receipt of the application the court shall fix a time and place for hearing the application and direct to whom and in what manner notice of the hearing shall be given.
- (2) At the time of such hearing the applicant shall be personally examined and if the court is satisfied that the applicant desires a conservator and that the fiduciary nominated is suitable, the court may appoint the nominee as conservator and issue letters of conservatorship to the nominee upon the filing of a bond in the amount fixed by the court.
- (3) A conservator shall have all the powers and duties of a guardian of the property of an incompetent person. The conservator\*s powers shall cease upon being removed by the court or upon death of the person whose estate is being conserved.
- (4) Any person whose estate is under conservatorship may apply to the court at any time for termination thereof. Upon such application, the court shall fix a time and place for hearing and direct that 10 days\* notice by mail be given to the person's guardian, if any, the conservator and the presumptive heirs of the applicant. Upon such hearing, the court shall, unless it is clearly shown that the applicant is incompetent, remove the conservator and order the property restored to the applicant, or if the applicant so desires and the nominee is suitable, the court may appoint a successor conservator.
- (5) If the court shall upon such hearing determine that the person whose estate is administered by a conservator may be incapable of handling his or her estate, the court shall order the conservatorship continued, or if the applicant so desires and the nominee is suitable, the court may appoint a successor conservator.

(6) Appointment of a conservator shall not be evidence of the competency or incompetency of the person whose estate is being administered.

(7) If an application for conservatorship is filed, the fee, to be determined by the court, shall be paid at the time of the filing of the inventory or other documents setting forth the value of the estate.

### **SECTION 128.03 INCOMPETENCY; APPOINTMENT OF GUARDIAN**

(1) Whenever it is proposed to appoint a guardian on the ground of incompetency a licensed physician or licensed psychologist, or both, shall furnish a written statement concerning the, mental condition of the proposed ward, based upon examination. A copy of the statement shall be provided to the proposed ward, guardian ad litem and attorney. The person shall also be informed that he or she has a right to remain silent and that the examiner is required to report to the court even if the person remains silent. The issuance of such a warning to the person prior to each examination establishes a presumption that the person understands that he or she need not speak to the examiner.

(2) (a) 1. The proposed ward has the right to counsel whether or not present at the hearing on determination of competency. The court shall in all cases require the appointment of a guardian ad litem or if, at least 72 hours before the hearing, the alleged incompetent requests; the guardian ad litem or any other person states that the alleged incompetent is opposed to the guardianship petition; or the court determines that the interests of justice require it. The proposed ward has the right to a trial by a jury if demanded by the proposed ward, attorney or guardian ad litem, except if notice of the time set for the hearing has previously been provided to the proposed ward and his or her counsel, a jury trial is deemed waived unless demanded at least 48 hours prior to the time set for the hearing. The number of jurors shall be six in number. The proposed ward, attorney or guardian ad litem shall have the right to present and cross-examine witnesses, including the physician or psychologist reporting to the court under sub.( 1). The attorney or guardian ad litem for the proposed ward shall be provided with a copy of the report of the physician or psychologist at least 48 hours in advance of the hearing. Any final decision of the court is subject to the right of appeal.

2. If the person requests but is unable to obtain legal counsel, the court shall appoint legal counsel.

3. If the person is indigent, the tribe shall be liable for any fees due the guardian ad litem and counsel.

(b) If requested by the proposed ward or anyone on the proposed ward\*s behalf, the proposed ward has the right at his or her own expense, or if indigent at the expense of the tribe to secure an independent medical or psychological examination relevant to the issue involved in any hearing under this chapter, and to present a report of this independent evaluation or the evaluator\*s personal testimony as evidence at the hearing. (c) The hearing on a petition which contains allegations that the person is refusing psychotropic drugs shall be held within 30 days after the date of filing of the petition, except that if a jury trial demand is filed the hearing shall be held within either 30 days after the date of filing of the petition or 14 days after the date of the demand for a jury trial, whichever is later. A finding by the court that there is probable cause to believe that the person is a proper subject for guardianship has the effect of filing a petition. (d) Every hearing on a petition shall be open, unless the proposed ward or his or her attorney acting with the proposed ward\*s consent moves that it be closed. If the hearing is closed, only persons in interest, including representatives of providers of service and their attorneys and witnesses, may be present.

(3) In a finding of limited incompetency, guardianship of the person shall be limited in accordance with the order of the court accompanying the finding of incompetence. If the proposed incompetent has executed a power of attorney for health care the court shall give consideration to the appointment of the health care agent for the individual as the individual's guardian. The court shall make a specific finding as to which legal rights the person is competent to exercise. Such rights include but are not limited to the right to vote, to marry, to obtain a Tribal Conveyance operator's license or other state license, to hold or convey property and the right to contract. The findings of incompetence must be based upon clear and convincing evidence. The court shall determine if additional medical or psychological testimony is necessary for the court to make an informed decision respecting competency to exercise legal rights. The guardian, ward or any interested person may at any time file a petition with the court requesting a restoration of any such legal right, and specifying the reasons therefor. Such petition may request that a guardianship of the person be terminated and a guardianship of property be established.

(4) When it appears by clear and convincing evidence that the person is incompetent, the court shall appoint a guardian.

(5) (a) If the court finds by clear and convincing evidence that the person is not competent to refuse psychotropic medication and the allegations are proven, the court shall appoint a guardian to consent to or refuse psychotropic medication on behalf of the person as provided in the court order under par.(b).

(b) In any case where the court finds that the person is not competent to refuse psychotropic medication and appoints a guardian to consent to or refuse psychotropic medication on behalf of the person, the court shall do all of the following:

1. Order the appropriate mental health professional to develop or furnish, to provide to the ward, and to submit to the court, a treatment plan specifying the protective services, including psychotropic medication as ordered by the treating physician, that the proposed ward should receive.
2. Review the plan submitted by the mental health professional and approve, disapprove or modify the plan.
3. If the court modifies the treatment plan under sub. 2., the court shall order the mental health professional to provide the modified treatment plan to the ward.
4. If the court modifies the treatment plan under sub 2., the court shall order the appropriate mental health professional to provide the modified treatment plan to the ward.
5. Order protective services.
6. Order the appropriate mental health professional to ensure that protective services, including psychotropic medication, are provided in accordance with the approved treatment plan.

(6) If a person substantially fails to comply with the administration of psychotropic medication, if any, ordered under the approved treatment plan under sub. 5., the court may authorize the person's guardian to consent to forcible administration of psychotropic medication to the person, if all of the following occur before the administration: (a) The Tribal Attorney or the person's guardian files with the court a joint statement by the guardian and the director or the designee of the director of the treatment facility that is serving the person or a designated mental health professional stating that the person has substantially failed to comply. The statement shall be sworn to be true and may be based on the information and beliefs of the individuals filing the statement.

(b) Upon receipt of the joint statement of noncompliance, if the court finds by clear and convincing evidence that the person has substantially failed to comply with the administration of psychotropic medication under the treatment plan, the court may do all of the following:

1. Authorize the person's guardian to consent to forcible administration by the treatment facility to the person, on an outpatient basis, of psychotropic medication ordered under the treatment plan.

2. If the guardian consents to forcible administration of psychotropic medication as specified in sub. 1, authorize the sheriff or other law enforcement agency, in the county in which the person is found or in which it is believed that the person may be present, to take charge of and transport the person, for outpatient treatment, to an appropriate treatment facility.

(c) If the court authorizes the tribal police or other law enforcement agency to take charge of and transport the person as specified in par. (b) 2., a staff member of the of the treatment facility, tribal police department or other law enforcement official shall, if feasible, accompany the tribal police or other law enforcement agency officer and shall attempt to convince the person to comply voluntarily with the administration of psychotropic medication under the treatment plan.

(7) In appointing a guardian, the court shall take into consideration the opinions of the alleged incompetent and of the members of the family as to what is in the best interests of the proposed incompetent. However, the best interests of the proposed incompetent shall control in making the determination when the opinions of the family are in conflict with the clearly appropriate decision. The court shall also consider potential conflicts of interest resulting from the prospective guardian's employment or other potential conflicts of interest. If the proposed incompetent has executed a power of attorney for health care the court shall give consideration to the appointment of the health care agent for the individual as the individual's guardian.

(8) All court records pertinent to the finding of incompetency are closed but subject to access as determined by the court. The fact that a person has been found incompetent is accessible to any person who demonstrates to the court a need for that information.

(9) A finding of incompetency and appointment of a guardian under this subchapter is not grounds for involuntary protective placement.

#### **SECTION 128.04 NOMINATION; SELECTION OF GUARDIANS.**

The court shall consider nominations made by any interested person and, in its discretion, shall appoint a proper guardian, having due regard for the following:

(a) Ability to properly care for ward.

(b) Knowledge and capacity to manage assets taking into account the scope of ward's estate.

#### **SECTION 128.05 GUARDIAN AD LITEM IN INCOMPETENCY CASES.**

- (g) If relevant, report to the court that the ward requests the appointment of counsel or an adversary hearing.

(6) Communication to a jury. In jury trials the court or guardian ad litem may tell the jury that the guardian ad litem represents the interests of the proposed ward or alleged incompetent.

(7) Termination and extension of appointment. The appointment of a guardian ad litem under sub. (1) terminates upon the entry of the court's final order or upon the termination of any appeal in which the guardian ad litem participates, even if counsel has been appointed for the proposed ward or alleged incompetent. The court may extend that appointment, or reappoint a guardian ad litem whose appointment under this section has terminated, by an order specifying the scope of responsibilities of the guardian ad litem. At any time, the guardian ad litem, any party or the person for whom the appointment is made may request that the court terminate any extension or reappointment. The guardian ad litem may appeal, may participate in an appeal or may do neither. If an appeal is taken by any party and the guardian ad litem chooses not to participate in that appeal, he or she shall file with the appellate court a statement of reasons for not participating. Irrespective of the guardian ad litem's decision not to participate in an appeal, the appellate court may order the guardian ad litem to participate in the appeal.

(8) Compensation. On order of the court, the guardian ad litem appointed under this chapter shall be allowed reasonable compensation to be paid by the person whom the guardian ad litem is appointed for unless the court otherwise directs.

#### **SECTION 128.06 DURATION OF GUARDIANSHIP; REVIEW.**

Upon such a petition for review, the court shall conduct a hearing at which the ward shall be present and shall have the right to a jury trial, if demanded. The ward shall also have the right to counsel and the court shall appoint counsel if the ward is unable to obtain counsel. If the ward is indigent, counsel shall be provided at the expense of the tribe.

(5) After a hearing under sub. (4) or on its own motion, a court may terminate or modify a guardianship of an incompetent.

(6)(a) If the court appoints a guardian under this chapter the court shall do all of the following:

1. Guardianship and protective services orders for psychotropic medication shall be reviewed annually. The evaluation shall include a description of facts and circumstances that indicate whether there is a substantial likelihood that the person could function at a reasonable level if protective services, including psychotropic medication, were withdrawn. The evaluation shall also include recommendations for discharge or changes in the treatment plan or services, if appropriate.

## **CHAPTER 302 - TAKING OF BASS & OTHER FISH**

### **SECTION 302.1 - FINDINGS**

The Tribal Council finds that the lands now comprising the Al'Maurii Khan Reservation were traditional hunting and fishing grounds for our Timicuan-Eumassee-Cree-Choctaw ancestors; that these lands were selected as a Reservation because of their wealth of fish, certain game, fauna and beans, corn, & more; that Bass, or Fish in general, have been a nutritional staple for members of the Tribe for generations beyond memory; that fish continue to provide a substantial portion of the protein and other nutritional needs of the Tribe's members; that high unemployment and a cash-poor local economy indicate that fish will remain critical as a food source for the Tribe's members; that pressure on the Bass and other fish populations by non-member sport fishing reduces the availability as a food source for members; that the future stocking activities of the Tribe's fish

hatchery will contribute significantly over the next several years to the reservation Bass and other fish population; that non-member flaunting of tribal conservation laws could contribute to a decline in the reservation Bass and other fish populations and that effective regulation of both member and non-member fishing is essential for the preservation of the species in numbers sufficient to supply the economic and nutritional needs of the Tribe's members.

(a) By Operation of Law through birthright and previous occupation by Our Mississippian ancestors that were Moors whom eventually became Creek, Seminole, Muscogee, Eumassee, Estelusti, Black Indians, Negro Indians, Freedmen, et al. misnomers.

(1) Said lands are described as vacant on Hillsborough County Records as of February 21<sup>st</sup>, 2021.

(2) Said titles and deeds attached to the land as described in Hillsborough County are not verifiable and warrant no evidence of transfer through a lawful chain of title, i.e. from a sovereign.

(3) Said titles and deeds are colored and evidence no appearance of attachment, homestead, and right of possession as a matter of tribal right which the laws of the United States is bound to protect.

(4) Said lands have been evidenced to make up part of Our ancestral inhabitation that extended from a Moorish Fort styled Fort King was constructed over an ancient mound near a seep spring and also very near to “Silver Springs” which is a first magnitude spring discharging hundreds of millions of gallons of fresh water per day, forming the Silver River which is a tributary to the 74 mile long Ocklawaha River in Florida History and we have returned for

resettlement as a matter of postliminy right and the obligations established upon receiving and recognizing Our natural persons as protected under State and Federal laws from alienation of the rights established by Our having national origins antecedent to the establishment of the contemporary Nation-States and municipalities that have found a home within Our ancestral lands.

- (5) The Tribe is apprised of treaty rights restoring and protecting the effects [of their Moorish ancestors] lost during a war with a Foreign nation. See Article III of the 1787/1836 treaty between the United States of America and the Sultan of Morocco and 1866 Creek, et al. Indian Treaties.
- (6) Presidents of the United States, William J. Clinton and Barrack H. Obama, have already extended more favorable treatment than provided under the Vienna Convention pursuant 22 U.S.C. §254c by signing onto the United Nations Human Rights agreements and Declaration on the Rights of Indigenous Peoples further evidencing a status of being Internationally protected persons under 18 U.S.C. §112.
- (7) No evidence that Al'Maurii Khan Nation has made a special election or consented to any presumption of civil or criminal jurisdiction by the State or STATE OF FLORIDA pursuant title 25 U.S.C. §1321 - §1322(a) and §1326.
- (8) The Al'Maurii Khan Nation is authorized to accept a retrocession by any State of all or any measure of the criminal or civil jurisdiction pursuant Article XX of treaty of peace between the United States and the Sultan of Morocco, the 1866 Creek, et al. Indian Treaties and title 25 U.S.C. §1323.
- (9) Title 22 U.S.C. §141 - §143 and the Landmark Supreme Court Case McGirt v. Oklahoma, 591 U.S. further affirms cession of territorial jurisdiction of United States in Moorish lands [sic. Indian Country] establishing an abatement of any actions by your office [a United States court (State or Federal)] pursuant title 25 U.S.C. §1325.
- (10) Pursuant title 26 U.S.C. 641 Imposition of taxes on a foreign trust or foreign estate shall be treated as a nonresident alien individual who is not present in the United States at any time.

(b) Heritage Sites Relating to the Al'Maurii Khan Reservation at Thonotosassa.

The three Aboriginal, Indigenous Mound locations closest to the Aboriginal Estate at Thonotosassa. It is important to remember that based on sound, thoroughly researched evidence that Thonotosassa is an important Moorish Legacy site unto itself for the following cultural and scientific reasons:

- 1) There are the skeletal remains of our Beloved Ancestors located along the terrain; including sand burial mounds documented to be located, excavated and later destroyed within close distances of Lake Tenotosassa (Seminole)/Thonotosassa extending into the Green Swamp Wetlands and beyond. The burial practices evaluated are yet another validation/ connection between the true People of the Land.
- 2) There are lithic and ceramic artifacts and more that go undisclosed to the "public" taken from the Thonotosassa Estate, even at the university level. Most of these artifacts landed into private collections and were moved out of the area according to a supervised report at the University of South Florida. These artifacts validate the ancient presence and confluence of Tribal unto National technologies.
- 3) There are numerous linguistic connections between the Tribes and Nation pertaining to the resources on location. The Indigenous term which describes the massive waterway which pours from the Green Swamp Wetlands along the floodplain into the Thonotosassa Territory is derived

from the Muskogee (Yamassee) language: Locktsapopka (lokchia: acorns / popka: eating place) is documented to mean, “Place where acorns are sourced and eaten.” The Tocobaga People (later termed the “Safety Harbor People”) occupied this area (as I am certain you already know based on a question you asked a few weeks ago) and the Mocoso Tribes along with the Pohoy, inhabited the area of the Locktsapopka (“Hillsborough”) in the 16th century. The very term and meaning of Tenotosassa / Thonotosassa is derived from the Creek and Seminole languages meaning (ronoto: flint and sasv: some) “place where valuable chert or flint is sourced.” The name “Hillsborough” is said to be in tribute to a British military “officer.”

4) The evidence clearly shows that there are botanical connections based on the specific plants shrubs and trees in the “region.” The Tocobaga Mound Site (Safety Harbor) is the largest mound site remaining in the Tanpa Territory. This Mound site has a connection with one of the first mound locations we ever traveled to on the Crystal River when considering lithic and ceramic artifacts and published archeological data. ## **CHAPTER 403 -TRIBAL LEASES**

### **SECTION 403.1 -PURPOSE**

The purpose of this chapter is to provide for the public health, safety, and welfare by establishing an orderly procedure for the residential leasing of tribal land to tribal members.

### **SECTION 403.2 -AUTHORITY**

This chapter is adopted pursuant to Art. VI, sec. 1 (c) and (w),Al'Maurii Khan Nation Constitution.

### **SECTION 403.3 -MAXIMUM LOT SIZE**

No lease of tribal land to a tribal member for residential purposes shall exceed three acres in size.

### **SECTION 403.4 -PROCEDURE ESTABLISHED**

No agreement for the residential leasing of tribal land to a tribal member shall be entered into except as provided in this chapter.

### **SECTION 403.5 -ADMINISTRATOR'S DUTIES**

The administrator of this chapter shall be responsible for assisting applicants with applications, for making all necessary inter-departmental and inter-agency contracts with regard to particular applications, for certifying to the Tribal Council or denying all lease applications based on the standards provided in this chapter, for maintaining the Official

Lease Map, and for executing all other tasks specifically assigned to him by this chapter.

### **SECTION 403.6 -ADMINISTRATOR ESTABLISHED**

The Environmental Health Community Health Representative shall serve as the administrator of this chapter.

### **SECTION 403.7 -PROCEDURE**

(a)Application. The administrator shall make lease site application forms available to any tribal member seeking a residential lease. An applicant seeking a residential lease site shall complete an application on the form provided him by the administrator. The applicant may list in order of priority up to three desired lease sites. The applicant shall describe the lease sites as completely as possible and shall include a legal description if available. If necessary for adequate identification the administrator shall make a visit with the applicant to the proposed lease sites.

(b)Legal Description. If the applicant is unable to supply a complete legal description of any proposed lease site, the administrator shall request one from the Bureau of Indian Affairs before proceeding further in the certification process for that site.

(c)Zoning. The administrator shall check the proposed lease site against the Official Zoning Map, the Official Lease Map, and the Official Forestry Map, and shall verify on the application that the site is tribal property, is not otherwise leased, is within a residential district, is independent of shoreland/wetland restrictions, and is outside the boundaries of any forestry development project. If the site is encroached by shoreland/wetland restrictions but is partially usable for residential site, the administrator shall so note on the application and inform the applicant. The applicant may then choose to have the administrator continue the certification process of the site so encroached, or may request the administrator to proceed with the certification process on an alternate site.

(d)Flood Plain. The administrator shall check the proposed site against the Official Flood Map. If the site is within a 100 year flood plain the administrator shall so note on the application and inform the applicant. The applicant may then choose to have the administrator continue the certification process of the site or may request the administrator to proceed with the certification process on an alternate site. If the applicant directs the administrator to proceed with the certification process of the flood plain site, the applicant shall sign a statement declaring that he is aware that he will be ineligible for tribal or Indian Health Service assistance in the installation of sewer and water facilities. The site shall not, however, be denied certification solely because it is within a 100 year flood plain.

(e)Percolation. The administrator shall refer a site not within a flood plain and meeting the criteria specified in Section 403.7(c) to the Indian Health Service to perform a percolation test and to determine the feasibility of locating at the site a private sewer disposal system and well meeting the requirements of Chapter 402. Based on Indian Health Service reports and recommendations

the administrator shall determine if the site is suitable for an approved private sewer disposal system and well under Chapter 402. For sites within a flood plain, the applicant shall privately secure and convey to the administrator the information required by this subsection.

(f)Certification -Denial. If the proposed site fails to prove suitable under Section 403.7(e), the site shall be denied certification, the applicant shall be so informed, and the administrator shall commence the certification process for an alternative site listed on the applicant's application, or shall consult the applicant to determine his wishes. (g)Certification -Granted. If the proposed site is found suitable for a private sewer system and well under Section 403.7(e), the administrator shall instruct the Bureau of Indian Affairs to prepare a lease for the site. The lease shall specify the type of private sewer disposal system permitted at the site.

(h)Tribal Council Approval. The administrator shall submit to the tribal council for approval the completed lease application, the lease prepared by the Bureau of Indian Affairs, and a draft resolution approving the lease. If the Tribal Council approves the lease resolution, the administrator shall submit all necessary papers to the Bureau of Indian Affairs for execution and recording.

(i)Recording on Official Lease Map. Upon execution and recording of the lease, the administrator shall record on the Official Lease Map the approved lease site, and shall set down the verbal information as required by Section 403.8.

(j)Appeal of Administrator Denial. Any denial of lease-site certification made by the administrator may be appealed to the Tribal Council by submitting to the Council the lease application, the administrator's denial of certification and a statement of reasons why the denial should be overridden. The Council in determining any appeal shall apply the provisions of this chapter and any applicable chapters. For purposes of appeal any failure by the administrator to certify or to proceed further in the certification process because of a 403.7(c) conflict or 403.7(e) failure shall be construed as a denial.

#### **SECTION 403.8 -OFFICIAL LEASE MAP**

The administrator shall maintain the Official Lease Map of the Al'Maurii Khan Nation. The Map shall have no legal effect but shall be used as an administrative tool to locate, identify, and pictorially record lease sites. The Map shall not be altered except by the Administrator upon the execution or expiration of a lease. The Map shall contain, along with a pictorial representation of each site, the following information for each site: Name(s) of lessee(s); date of execution and term of each lease, legal description of each site, and yearly monetary consideration for each lease. The Map shall be available for inspection to Tribal members and the administrator's office, in his presence during regular business hours.

#### **SECTION 403.9 -FLOW CHART**

The flow chart attached to this chapter as Appendix A is intended to provide a graphic representation of the procedures prescribed herein. It is not a part of this chapter and is of no legal effect. In any case of conflict between the procedures as depicted on the flow chart and the procedures described in this chapter, the latter shall be controlling.

#### **SECTION 403.10 -APPLICATION FORM**

The application form attached to this chapter as Appendix B shall be the official application form for residential leases for tribal members. The application form may be modified by the administrator provided such modification is submitted to the Tribal Council for review at the next subsequent regular Tribal Council meeting.

Section 403.11 -Effective Date

This chapter shall be effective on the date following Tribal Council approval.

Section 403.12 -Termination of Leases

thing by owner with intention of terminating his ownership, but without vesting it in any other person. The relinquishing of all title, possession, or claim, or a virtual, intentional throwing away of property.

Abandonment includes both intention to abandon and the external act by which the intentions carried into effect. In determining whether one has abandoned his property or rights, the intention is the first and paramount object of inquiry, for there can be no abandonment without the intention to abandon. Generally, “abandonment” can arise from a single act or from a series of acts.

Time is not an essential element of “abandonment”, although the lapse of time may be evidence of an intention to abandon, and where it is accompanied by acts manifesting such an intention, it may be considered in determining whether there has been an abandonment.

“Abandonment” differs from surrender in that surrender requires an agreement, and from forfeiture, in that forfeiture may be against the intention of the party alleged to have forfeited

The POWTS Inspector shall determine whether the sewer is available. Abandonment of the disconnected private sewage system shall be done in accordance with this Ordinance and the provisions of CHAPTER 64E-6, FLORIDA ADMINISTRATIVE CODE.(2)The components of an existing private sewage system that are not part of the approved

design of a replacement system shall be abandoned at the time of installation of the replacement system by the plumber installing the new system. The abandonment shall comply with this Ordinance and provisions of CHAPTER 64E-6, FLORIDA ADMINISTRATIVE CODE . (3)The POWTS Inspector may impose additional requirements for individual sites which may not be abandoned satisfactorily under the provisions of CHAPTER 64E-6, FLORIDA ADMINISTRATIVE CODE . (4)Previously abandoned POWTS shall be confirmed by the POWTS Inspector to have been abandoned in conformance with this Ordinance, or, if not in conformance, shall be properly abandoned within one of the enactment of this Ordinance. Owners shall bear all costs of abandonment.

(r)Privy Permits and Abandonment of Privies. It is the policy of the Al'Maurii Khan Nation to discourage the use of privies, whether pit or vault privies.

(1)A privy shall be permitted only when the structure or premises served by the privy is not served by an indoor plumbing system and electricity. If plumbing is installed in the structure or water under pressure is supplied to the structure, an acceptable method of sewage disposal other than a privy must be provided. All privies must meet the requirements of CHAPTER 64E-6, FLORIDA ADMINISTRATIVE CODE.

(2)Existing and new privies must be permitted by the POWTS Inspector. Owners of privies in existence at the time of enactment of this Ordinance must apply for, comply with all requirements of this Ordinance for privies, and receive a privy permit within one year of the date of enactment of this Ordinance. Owners intending to construct a privy must obtain a permit prior to beginning any construction.

(3)Applications for privy permits shall be on forms supplied by the POWTS Inspector and shall contain all information required by the POWTS Inspector, including, but not limited to, a Soil and Site Evaluation Report and an abandonment plan. Permits and applications shall generally follow the requirements for POWTS permits in this Ordinance. Applicants must pay a permit application fee, as stated in Exhibit A, at the time of submission of the application. There shall be no refunds of application fees for retracted, deficient, or denied applications.

(4)Permits shall be valid for a period of one (1) year from the date of issuance. Permit holders must renew privy permits yearly and pay a yearly privy fee, allow for yearly inspection of the privy by the POWTS Inspector or his or her designee, and provide such tests as are required by the POWTS Inspector to ensure the health and safety of the Reservation residents and resources are protected. The POWTS Inspector may refuse to renew a permit and require proper abandonment or repair of a privy where the system does not meet minimum requirements for the protection of health and safety and the environment.

(5)Abandonment. Privies shall be abandoned in accordance with CHAPTER 64E-6, FLORIDA ADMINISTRATIVE CODE.

#### **SECTION 406.4 -INSPECTION CERTIFICATES, PERMITS AND APPLICATIONS.**

(a)Inspection Certificate. All private wastewater treatments systems, whether a POWTS, Engineered or Experimental system, holding tank, privy or non-plumbing system, whether newly constructed or existing, must have a current Inspection Certificate issued by the POWTS Inspector pursuant Chapter 64E-6 of Fla. Administrative Code Procedure for Voluntary Inspection and Assessment of Existing Systems, consistent with the Supreme law doctrine as it relates to the Tribe.

(1)Inspection Certificates shall be issued to owners of POWTS and other systems which have been inspected by the POWTS Inspector and have been found to be of adequate size, meet all Performance Standards, and function properly.

(2) POWTS and other systems not meeting such criteria shall not receive an Inspection Certificate and are subject to a Compliance Schedule Agreement or Compliance Order.

(3) Inspection Certificates shall initially be valid for a period of one (1) to three (3) years based upon an inspection schedule determined by the POWTS Inspector and POWTS Board, to allow for a rotating schedule of inspection. Thereafter, Inspection Certificates shall be valid for a period of three (3) years from the date of renewal if the system passes inspection and the Inspection Certificate is not suspended or revoked.

(4) The POWTS Inspector may enter the property at any reasonable time to inspect the system to ensure the POWTS is functioning properly or to investigate the adequacy of the system.

(5) The POWTS Inspector may suspend or revoke any Inspection Certificate upon a finding of system failure or inadequacy, and after obvious demonstration of refusal to adhere to safety standards which would prevent system failure or inadequacy.

(b) Requirement. No person shall construct, install, renovate or use any type of individual sewage treatment system within the Al'Maurii Khan Nation Reservation without first obtaining the required permit or permits from the POWTS Inspector applicable to the specific activity to be undertaken. All construction permits issued shall expire within 24 months after the date of issue. Permits are not transferable from one site to another. No system permit of any type shall be issued except following compliance with the provisions contained herein. (c) Soil and Site Evaluation.

(1) Soil, site evaluations and design plans shall be complete prior to the issuance of permits as specified in this Ordinance, in compliance with Constitutional legislation which protects and preserves both the land and the Tribe's rights and long-term interests. (2) Soil test pits shall be constructed which allow adequate visual observation, in the opinion of the POWTS Inspector, of the soil profile in place.

(3) There must be verification of the Soil and Site Evaluation Report by the POWTS Inspector. This will be done prior to the issuance of a sanitary permit. Verification may result in the following: (a) Issuance of the permit, provided all information on the application, plans and calculations are correct and complete and the site otherwise meets all provisions of this Ordinance; (b) Establishment of a file indicating site suitability; (c) Holding the application pending clarification of information or new information by the owner, the plumber, or the certified soil tester; or (d) Denial of the permit if the site does not meet all the provisions of this Ordinance.

(4) The POWTS Inspector may request verification of a Soil and Site Evaluation Report by a certified soil tester before a complete sanitary permit application is submitted. Application for this verification shall contain all information required in section 406.4.H and 406.4.I on forms provided by the POWTS Inspector, the original copy of the Soil and Site Evaluation Report and as many copies as are required by the POWTS Inspector.

(d) Sanitary Permits.

(1) Every instance of construction, installation, repair or modification of a private sewage system shall require a separate application and sanitary permit immediately upon enactment of this Ordinance, unless otherwise exempted by this Ordinance. A sanitary permit shall be obtained by the property owner, prior to the installation, establishment or construction of any structure which requires a private sewage system. Any property owner, his agent or contractor, who starts construction prior to obtaining a sanitary permit is in violation and may be subject to citation or other enforcement action.

(2)A sanitary permit shall be obtained by the property owner, except as permitted in section 406.3.N, before any private sewage system or part thereof may be installed, replaced, repaired, reconnected or modified.

(3)If any part of a private sewage system has failed or requires replacement or modification, the entire system shall be evaluated for compliance with existing Codes and Ordinances prior to sanitary permit issuance.

(4)If any part of the system is found to be defective or not in conformance with the applicable provisions of this Ordinance, the sanitary permit application shall include specifications for the repair, renovation, replacement or removal of that part, except as exempted by Section 406.3.N.

(5)All sanitary applications and soil and site evaluations must be submitted to the POWTS Inspector's office. The applications must be original documents and written in ink.

(e)Permit Expiration.

(1)A sanitary permit for a private sewage or non-plumbing sanitation system which has not been installed, modified, or reconnected and approved shall expire two years after the date of issuance. Permits may be renewed following written application to the POWTS Inspector by the property owner, his agent or contractor, prior to the expiration date of the original permit.

(2)There shall be a fee for renewal of a sanitary permit.

(3)The renewal shall be based on Ordinance requirements in force at the time of renewal.

(4)Changed Ordinance requirements may impede or prohibit the renewal.

(5)The property owner shall return the original permit prior to receiving a renewal permit. (6)All sanitary permits issued prior to the effective date of this Ordinance shall expire two years from the date of issuance unless renewed.

(7)A new sanitary permit shall be obtained by the owner or his agent prior to beginning construction if a sanitary permit has expired.

(f)Permit Denial. When applicable provisions of this Ordinance have not been complied with when applying for a sanitary permit, or if the system will not meet the standards of this Ordinance, the permit shall be denied. Reasons for the denial shall be forwarded to the plumber, landowner and when appropriate the POWTS Board or Al'Maurii Khan Nation Tribal Council. The POWTS Inspector must approve or deny a permit, or request additional information or clarification, within thirty (30) days of receipt of the permit application.

(g)Permit Fees. The Fee Schedule shall be set initially by the Al'Maurii Khan Nation Tribal Council upon enactment of this Ordinance. Thereafter, the POWTS Board shall have the sole authority to amend rates and fees. The Fee Schedule shall be attached to this Chapter as Exhibit A. There shall be no refunds of application fees for retracted, deficient, or denied applications.

(h)Application Requirements.

(1)A Soil and Site Evaluation Report.

(2)Work on existing systems shall require a report by a licensed plumber relative to the condition and capacities of all other system components, and other systems on the parcel.

(3)Work on existing systems shall require a report by POWTS Inspector stating that the new system will relieve the problems of the old, now failing, system.

(4)The application shall also include the following:(a)Legal description, lot dimensions and driving directions to the proposed site;(b)Name and address of property owners and of persons performing the permit activity;(c)System plan (see Section 406.4.I);(d)Sketch of the proposed system;(e)Description of water supply, well depth, proximal location of bedrock and water table

when available.(f)Building use (single family, duplex, etc.); and(g)Any other information required by the POWTS Inspector.

(5)Each permit application shall be kept on file with any permit issued pursuant to this Ordinance.

(6)The POWTS Inspector shall, at his/her discretion, perform site visits or require additional information as necessary to evaluate or clarify information contained in the permit application with regard to the requirements contained herein.

(i)System Plans. System plans shall be submitted for approval of the POWTS Inspector in accordance with this Ordinance. Plans shall comply with the requirements of this Ordinance, except as otherwise provided.

(1)Plans submitted to the POWTS Inspector shall include the original and as many copies as are required by the POWTS Inspector.

(2)Plans submitted shall be clear, legible and permanent copies.

(3)Plans submitted shall comply with this Ordinance and include the following:(a)The name of the property owner and the legal description of the site;(b)Estimated daily wastewater flow and design wastewater flow; (c)A detailed plot plan (site plan), dimensional or drawn to scale on no smaller than 8 ½ by 11 inch paper;(d)Details and configuration layouts depicting how the system is to be constructed;(e)Provide a contingency plan in the event that the proposed plan fails and cannot be repaired or an alternate area may be provided; and(f)Sufficient supporting information to ensure the proposed private sewage system or modification complies with the Ordinance.

(4) A copy of the approved plan shall be available at the construction site until completion of the private sewage system.

(5) A final “as built” copy of the plans shall be submitted to the POWTS Inspector and kept in a permanent file for the system.

(6) A modification to the design of the private sewage system which has previously been approved shall be submitted to the POWTS Inspector. Plan revisions must be approved before revision construction begins. Only modifications which affect the treatment of the sewage/effluent (such as downsizing the mound, change in loading rate, any additional pretreatment such as an aerator in the tank) shall require plan revision. Revision is not required for modifications that do not alter the original area, dimensions or concept of the system.

(j)Transfer of Ownership. In order to ensure the provisions of this Ordinance are complied with, upon transfer of ownership of a property for which a valid sanitary permit exists, the following shall apply:

(1)Any person transferring, selling, or conveying a building or dwelling, or land upon which a building or dwelling is located, shall report such transfer, sale, or conveyance fifteen (15) days prior to said transfer, sale or conveyance to the POWTS Inspector.

Reporting shall be by such person, such person’s agent, or any real estate agent.

(2)Prior to such transfer, sale or conveyance of any building or dwelling, the transfer or, seller or conveyer shall have conducted an evaluation of the existing private waste disposal system, if said structure is served by the same. An evaluation of the private waste disposal system shall be done by the POWTS Inspector or any other person certified as a POWTS maintainer, inspector, and soil tester (all inclusive). Evaluation shall be conducted in accordance with and on forms furnished by the POWTS Inspector. All evaluations shall be submitted to the POWTS Inspector for review. The POWTS Inspector is empowered to investigate any system so evaluated.

(3)If, upon inspection, the existing system meets the criteria of a “failing private sewage system” as defined in this Ordinance or WSA Sec. 145.245(4), an order for replacement is issued under

this Ordinance or WSA Sec. 145.20(2)(e), (f), and (g), said new system shall be installed within one year of the sale or conveyance date by the transferee unless by written agreement the transferor has retained the obligation to replace the system. Any such agreement shall be filed with the POWTS Inspector and shall be enforceable by the POWTS Inspector against the transferor.

(4)The following changes in ownership shall require an inspection: Gifts through addition of another person to ownership, unless the last inspection was completed within twentyfour (24) months of the transaction; addition of children to a deed; transfer to an irrevocable trust; land contracts; addition of a name to property owners, except between spouses; proposed transfers which fall through, dating from the original transfer notification requirement.

(5)The following changes in interest shall not require an inspection at the time of transfer: life estates until the transferor is divested of all rights of ownership; transfer of marital estate between spouse, except transfer of individually classified property from one spouse to another; transfer of property to or from a revocable living trust; a lease-option until the option is exercised; subtraction of a name from ownership; as transfer within twenty-four (24) months of a passing inspection, at the discretion of the POWTS Inspector.

(6)The sanitary permit shall be returned to the POWTS Inspector so that a new permit may be issued noting the new property holder;

(7)Because the permit runs with the property, transfer of property shall not affect the expiration date unless a renewal is also requested; and

(8)A transfer filing fee of the correct amount as listed in Exhibit A shall be paid at the time of filing.

(k)Change of Plumbers.

(1)When an owner wishes to change plumbers during construction, it will be necessary for him to furnish the POWTS Inspector with the applicable change form signed by the new plumber. New plans must also be submitted by the plumber, designer, or engineer.

(2)The transfer of a sanitary permit shall take place prior to the installation of the private sewage system.

(3)A transfer filing fee of the correct amount as listed in Exhibit A shall be paid at the time filing.

#### **SECTION 406.5 -RECONNECTION AND CONSTRUCTION.**

(a)Reconnection and Construction.

(1)A reconnection permit shall be obtained prior to:(a)Construction of a structure to be connected to an existing private sewage system;(b)Disconnection of a structure from an existing private sewage system and connection of another structure to the system; or(c)Rebuilding a structure that is connected to a private sewage system.

(2)Prior to issuance of a reconnection permit, the existing private sewage system shall be examined, including soil, tanks, and components to:(a)Determine if it is functioning properly and whether it is a failing system; and(b)Determine if it will be capable of handling the proposed wastewater flow and contaminant load from the building to be served.

(3)Application for a reconnection permit shall include the following:(a)All items in Sections 406.4.H and I.(b)For all systems that utilize soil for treatment or disposal, a Soil and Site Evaluation Report verifying that the vertical separation distance between the infiltrative surface of the existing treatment or dispersal component and estimated high groundwater elevation and bedrock complies with applicable provisions of this Ordinance, unless a valid report meeting these criteria is on file with the POWTS Inspector; (c)A report provided by a licensed plumber, certified septage servicing operator or a POWTS Inspector relative to the condition, capacities, baffles,

RISERS and manhole covers for any existing treatment or holding tanks;(d)A report provided by a licensed plumber or POWTS Inspector relative to the condition and capacities of all other components and verifying that the system is not a failing system;(e)A plot plan prepared by a plumber including information specified in Section 406.4.H and I; and(f)Complete plans, as specified in Sections 406.4.H and I for any system components which will be modified or replaced.

(4)In addition, the following may also be required:(a)Reconnection to existing holding tanks may require a new servicing contract and an updated holding tank agreement which meets the requirements of this Ordinance; and/or(b)Reconnection to an existing system other than a holding tank may require a new maintenance agreement or contract.

(5)Replacing a structure with a new or different structure within two years of the date of permit issuance will only require a statement that the system has not been altered, a statement that a modification in a wastewater flow or contamination load will not occur, and a plot plan that documents all setbacks between the structure and system components.

(6)When reconnection to an undersized system is permitted by Chapter 64E-6, Florida Administrative Code Standards for Onsite Sewage Treatment And Disposal Systems, an affidavit for the use of the undersized system must be recorded in the POWTS Inspector's office.

(7)Systems may be inspected at the time of reconnection, prior to backfilling, at the discretion of the POWTS Inspector to insure that proper materials and methods are being used.

(b)Construction Affecting Wastewater Flow or Contaminant Load. Prior to commencing the construction of an addition to or modification of a structure which will affect the wastewater flow and/or contaminant load to an existing private sewage system, the owner(s) of the property shall:(1)Possess a sanitary permit to construct a new private sewage system or modify an existing private sewage system to accommodate the modification in wastewater flow or contaminant load; or(2)Provide the following to the POWTS Inspector:(a)Documentation that a private sewage system of adequate capability and capacity to accommodate the wastewater flow and contaminant load already exists to serve the structure, as specified in this Ordinance;(b)Documentation showing that the location of the proposed structure conforms to the applicable setback distances for the existing private sewage system components. (See Fla. Admin. Code as it applies to OWTS); and(c)Documentation specified in Section 406.5.A.3.(3)If the existing private sewage system is found to be undersized, construction of the building addition or modification shall be allowed only if it could be permitted by local law or applicable statute and an affidavit for the use of the undersized system is recorded in the Tribe's Records or the local (Hillsborough, Pasco, Polk, Putnam, Hernando, Citrus, El Paso, Marion, Orange and Osceola) County Register of Deeds if non-trust property. An affidavit for the use of the undersized system must also be recorded with the POWTS Inspector. (4) Any installation, addition or modification of a system must be completed and accepted before the addition or modified area of the structure may be occupied.

(c)Construction Not Affecting Wastewater Flow or Contaminant Load. Prior to commencing construction of any structure or addition to a structure on a site where there exists a private sewage system when such will not affect the wastewater flow or contaminant load, the owner or his agent shall still determine that the proposed structure conforms with applicable setback limitations of Comm 83, as adopted by Tribal law.

Documentation shall be submitted to the POWTS Inspector.

(d)Permit Fees. Reconnection permit fees shall apply as established by Exhibit A.

#### **SECTION 406.6 -LICENSING REQUIREMENT.**

(a) No person shall engage in or perform any aspects of the business or perform for others the service of site evaluation, design, installation, pumping, maintenance, or renovation of individual sewage treatment systems within the exterior boundaries of the Al'Maurii Khan Nation Reservation without first obtaining a Master Plumber or the appropriate classification of Master Plumber-Restricted, as defined as Restricted Plumber Licensee, license under WSA Chapter 145 from the State of Florida and submitting a copy of the license to the POWTS Inspector. Installer licensees shall be authorized to construct, install, renovate, and repair individual sewage treatment systems only as their license permits. (b)The POWTS Inspector may not approve a petition for variance for an existing POWTS which is determined to be a failing system.

(c)A property owner may apply to the POWTS Inspector for a variance. The applicant shall have the burden of establishing a hardship that is unique to the land in question. An unnecessary hardship may exist when compliance with the strict letter of the Ordinance would unreasonably prevent the applicant from using the property for an allowable purpose or would render compliance with such restrictions unnecessarily burdensome. Financial impact is not considered for a hardship variance. Any hardship shall be weighted against the danger to the health and safety of the environment and the Tribal membership.

#### **SECTION 406.8 -INSPECTIONS.**

(3)This inspection shall not eliminate the need for an inspection after the installation has been completed.

(c)Inspections: Mounds.

(1)The plumber installing the mound shall notify the POWTS Inspector the working day prior to the installation, excluding Saturdays, Sundays and holidays.

(2)Mound systems may be inspected at the time the ground surface is plowed, before aggregate is placed in the distribution cell, at the time the distribution piping installation has been completed and after all work has been completed. At least one inspection prior to completion is required.

(d)Inspections: At-Grade Systems.

(f)Testing.

(1)If testing of new systems or new system components is required by this Ordinance, or as a condition of a plan approval, notice shall be given to the POWTS Inspector as specified in 406.8 so that the Inspector may make an inspection during the test.

(2)The Inspector shall verify that required testing has been completed by: (a)Performing an inspection during the test; (b)Requiring written verification from the responsible person; or (c) Both (a) and (b).

The Maintenance Agreement shall be binding upon the owner, the heirs of the owner, and assignees of the owner. The Maintenance Agreement shall be filed with the POWTS Inspector and shall be recorded in a manner which will permit the existence of the agreement to be determined by reference to the property where the holding tank is installed.

(2)The owner or agent shall submit a copy of the holding tank Maintenance Agreement when plans are submitted to the POWTS Inspector for review.

(3)Pumping records shall be filed at least quarterly with the POWTS Inspector.

(4)The POWTS Inspector may inspect pumping records and the site for compliance and overflow at all reasonable times.

(5)The POWTS Inspector may require a pumping schedule and/or a metering or monitoring device on the system.

(6)Holding tanks which are connected to public sewer systems and which serve individual premises and not the entire system are considered to be owned by the individual served by the holding tank and fall within the requirements of this Ordinance. Therefore, servicing requirements and Maintenance Agreements are required for owners of such holding tanks connected to public sewer systems.

## **CHAPTER 433 -AL'MAURII KHAN LOW FLOW ORDINANCE**

### **SECTION 433.1 -PURPOSE**

(a)The idea of water conservation ordinance focusing on low-flow plumbing fixtures is to encourage water conservation at the tap by requiring all new construction and repair or renovation of existing building to utilize low-flow plumbing fixtures, such as low-flow faucets, washing machines and dishwashers, and toilets.

(b)Water quality is of paramount concern to the Tribe. Reduction in water use is necessary to ensure that the Tribe's wastewater treatment facilities are able to function without threat of overload and to prevent overloads of private or individual sewerage systems such as septic systems and holding tanks. Most water coming from the tap goes directly down the drain. Because no distinction can be made between clean, "gray" or "black" water, all of the water becomes "black" and must be treated. Although the water meets strict effluent standards, it is not as "pure" as the water originally came out of the tap. The Tribe's wastewater treatment facilities are also limited in the amount of flow they can adequately treat, as are septic systems. Too much water can cause these systems to fail to meet effluent standards. Holding tanks are limited in capacity and must be pumped out. The material pumped out must then be treated in some system. By reducing the amount of water coming out of the faucet, individuals can reduce the amount of clean water entering the waste treatment system, and, consequently, help maintain or improve the quality of the Tribe's water system.

(g) Any member who has violated his or her oath of office may be removed by the Committee by a vote of four members. Upon an allegation of such breach being lodged with the Committee, the chairperson shall call a meeting of the Committee to be held within five days to determine if

the evidence warrants removal. If the chairperson is alleged to have violated the oath, the vice-chairperson shall call the meeting. If both the chairperson and the vice-chairperson are alleged to have violated the oath, or if the vicechairperson is unavailable, any member may call the meeting. The challenged member shall have the opportunity to be heard. If the challenged member does not contest the allegations, or if he or she does not appear at the meeting, he or she shall be considered automatically removed. The Committee, or a member designated by the remaining members of the Committee, shall report any removal under this section to the Tribal Chairman within five days of such removal.

(h) Any decision on removal of a Committee member taken under subsection (f) or (g) may be appealed to the Tribal Council by an aggrieved party. "Aggrieved party" in this section shall mean, in the case of a vote to remove, the member so removed; in the case of a vote not to remove, shall mean the person or persons instituting the complaint against the member. Any such appeal must be filed by providing written notice thereof to the Tribal Chairperson and to the Committee within five days of the action appealed from.

(i) Except in times of emergency, each Committee member shall receive a stipend of \$25.00 for each Committee meeting attended and the Committee secretary shall receive a stipend of \$35.00.

#### **SEC. 501.06. APPLICATIONS AND SCREENING OF APPLICATIONS.**

(a) All persons applying for membership in the Tribe must complete an "Application for Enrollment" and on the form provided by their Enrollment Clerk, must attach to such form all documentary evidence offered as proof of eligibility for enrollment. The original of the application for enrollment must be submitted in person by the applicant to the Enrollment Clerk's office, and must be signed and dated in the presence of the Enrollment Clerk. In the case of an applicant who is under the age of eighteen (18), the application for enrollment must be submitted and signed by the applicant's parent or legal guardian, who must display proof of parenthood or legal guardianship at the time the application is submitted to the Enrollment Clerk.

(b) All applications for enrollment must include the social security number of the applicant, with the exception of newborns.

(c) Each application submitted in compliance with this Chapter shall be stamped by the Enrollment

Clerk to reflect the date of submittal. The date indicated by the Enrollment Clerk's stamp will serve as the official date of the application, regardless of any other date(s) which may otherwise appear on the application. An individual may request a copy of their application at this time.

(d) Screening of applications shall be done only when the Committee is in session at which a quorum is present, and for the express purpose of processing applications and confirming those lineal descendants who meet the requirements for membership under the Tribal Constitution.

(e) To ensure that uniform action is taken on all applications, each application shall be screened personally by each member seated present. To prevent any dispute from arising at a later date, each member present shall initial each application after screening. To further insure accuracy in the screening of applications, each member shall enter the name of the applicant and the disposition of his or her application on a personal log which the member shall keep at all times. Dispositions shall be "recommended for inclusion on the adoption ballot" or "not recommended for inclusion on the adoption ballot."

(f) The names of all applicants whose applications have been processed, and the disposition of each such application, shall be entered by the Enrollment Clerk on a master log which shall be

typed on the first regular working day following a Committee screening session, and which shall be kept by the Enrollment Clerk, who shall keep the master log locked in the file cabinet when not in use.

(g) To insure continued accuracy, the master log shall be compared to each member's private log periodically, and any discrepancies shall be resolved when discovered.

(h) When an application is complete and accurate and meets the requirements for adoption, the applicant's name shall be included on the list of those individuals recommended to the Tribal Council for inclusion on the adoption ballot.

(i) Deadlines. The following deadlines shall be observed in the processing of applications for adoption to membership under Art. II, sec. (4), Al'Maurii Khan Constitution:

1. All applications for adoption to be considered at the regular election of any year must be submitted and complete no later than the date in May six months before the first Tuesday following the first Monday of November of that year.

2. The Committee shall report to the Tribal Council at its regular meeting in June of each year the number of applications that were submitted and complete by the deadline set forth in subsection (i)(1) for that year.

3. The Committee shall report to the Tribal Council at its regular meeting in August the list of names of individuals recommended for inclusion on the adoption ballot at the regular election for that year. At the same time, the Committee shall report to the Tribal Council the list of names of

individuals not recommended for inclusion on the ballot. The two lists shall together include the names of all individuals who submitted completed applications by the deadline stated in subsection (i)(1) for that year.

4. The Enrollment Clerk shall post the list of names approved by the Tribal Council for inclusion on the election ballot no less than sixty days prior to the election.

5. Prior to February 1 of each year the Committee shall post the calendar dates for that year that correspond to the deadlines set by subsections (i)(1) through (4).

(j) The Enrollment Clerk shall notify, by certified mail addressed to the individual's last known address, each individual whose name appears on the list submitted to the Tribal Council of names not recommended for inclusion on the adoption ballot. Such notification shall be mailed no later than the date specified in subsection (i) (3). Any individual may appeal the Committee's recommendation, and seek Tribal Council inclusion on the adoption ballot, by filing a written notice of such appeal with both the Membership Committee and the Tribal Council. The individual shall be allowed to appear at any Tribal Council meeting scheduled prior to the deadline specified in subsection (i) (4) and present his or her case for Tribal Council decision. If no Tribal Council meeting is scheduled prior to the deadline specified in subsection (i) (4), the individual may demand the scheduling of a meeting upon payment of a meeting fee equal to the sum of the meeting stipends to which the Council members would be entitled for attending the meeting. The individual may, in the alternative, demand to be heard at a later scheduled meeting, in which case if the Tribal Council finds in the individual's favor his or her name will be placed on the adoption ballot for the subsequent year. (k) The purpose of this section is to regularize the processing of applications for adoption. It does not confer upon any applicant for adoption any rights or expectation of membership.

(l) Applicants who are not voted into membership through the election process must reapply in order to be considered for membership on a subsequent election ballot.

## **SEC. 501.07. PROOF OF ELIGIBILITY.**

(a) Any individual who demonstrates to the satisfaction of the Committee lineal descent to the Americas through certifiable documentation or Ancient DNA and or from a tribal member whose name appears on the Basic Membership Roll, as provided in Art. II of the Tribal Constitution, shall be eligible for recommendation for inclusion on an adoption ballot for purposes of enrollment into the Al'Maurii Khan Tribal Nation.

(b) The burden of proof rests upon the applicant to establish his or her eligibility for inclusion on an adoption ballot. Documentary evidence of eligibility includes, but is not limited to, birth certificates, death certificates, baptismal records, copies of probate findings, affidavits and records of the Bureau of Indian Affairs. The Committee shall determine the weight and sufficiency of any documentary evidence used to establish eligibility and may require the production of additional evidence if the Committee determines that the evidence submitted is insufficient to establish eligibility. If an applicant fails to respond to the Committee's request for additional evidence within thirty

(30) days, the Committee may refuse to recommend the application for approval to the Tribal Council. In addition, where the Committee determines that the documentary evidence provided in support of an application for enrollment is insufficient to establish eligibility for enrollment, the Committee may require an evidentiary hearing on the issue of eligibility. The Enrollment Clerk shall inform the applicant of the need for an evidentiary hearing by written notice, which notice shall also inform the applicant of the date, time and location of the hearing. The applicant may request that the hearing be rescheduled; any such request must be made within two weeks of the applicant's receipt of the notice of hearing. The applicant and all witnesses in support of the application for enrollment must appear in person at any such evidentiary hearing. All testimony given shall be sworn. The Committee shall determine the weight and sufficiency of all evidence offered by the applicant to establish eligibility for enrollment and may require as evidence of lineal descent that the applicant submit to blood or Deoxyribonucleic acid [DNA] testing. DNA testing shall only be recognized if performed at a bona fide laboratory employing current standards satisfactory to the committee. Applicants shall pay for any and all testing required. Submission of DNA evidence of lineal decent shall occur by the following manner and method:

i.) A DNA sample of a known living Al'Maurii Khan Tribal Member purported to be a blood relative shall be compared to that of the applicant using the Restriction Fragment Length Polymorphism [RFLP] and or any other method of DNA analysis satisfactory to the Committee. Compared subjects may be considered of the same lineal decent of a person appearing on the basic membership roll of the Al'Maurii Khan Tribe, if the compared DNA samples of the applicant and known member are of such similar genotype that the scientific community generally accepts the comparison to be so unique that the applicant is of the direct issue of the known member; i.e., either mother/father and child, or grandmother/grandfather and grandchild, etc. Comparisons which indicate that a known member is a collateral relative such as an aunt, uncle, brother or sister, etc., is not in and of itself evidence of lineal decent from a person appearing on the basic membership roll of the Al'Maurii Khan Tribe.

ii.) In no case shall a known member be compelled to submit a DNA sample or be otherwise ordered to submit a sample under this ordinance. iii.) Notwithstanding DNA evidence submissions, all other requirements of this chapter shall be met when determining eligibility for membership.

- (c) The applicant shall complete a family tree showing lineal descent from a member whose name appears on the Basic Membership Roll. If the applicant is unable to complete the family tree, the applicant may request the Enrollment Clerk to do so, in which case the applicant shall pay for the actual time and costs incurred by the Enrollment Clerk in completing the family tree. The applicant shall make advance payment of \$25.00 to the Enrollment Clerk for the estimated total expenses of completing the family tree, prior to the Enrollment Clerk undertaking any work thereon. The Enrollment Clerk shall keep accurate contemporaneous time and expense records for all work undertaken on each family tree, and shall prepare a regular statement for the applicant thereon. Upon exhaustion of the initial payment, the Enrollment Clerk shall require additional payment to continue work.
- (d) Only originals or certified copies of documents submitted as proof of eligibility will be accepted as evidence by the Enrollment Office.
- (e) The Enrollment Office shall retain all documents that are submitted, unless the applicant requests that the documents be returned to applicant, in which event a copy of the submitted documents shall be retained by the Enrollment Office.
- (f) The Tribe shall have sole ownership of all Tribal Membership documents retained by and in the custody of the Committee.
- (g) Individuals of Indian blood of other tribes, and of no Indian blood, who claim lineal descendancy through a person who has been legally adopted by a lineal descendant, are not eligible for enrollment, except that individuals of Al'Maurii Khan Indian / Moorish blood shall be eligible for adoption to membership under Article II, Section (4) of the Al'Maurii Khan Constitution.
- (h) Each applicant shall be required to disclose whether he or she claims descendancy through any person who has been legally adopted. Applicants who so claim must indicate whether their biological descent is of Al'Maurii Khan blood, blood of another Moorish tribe, or no Indian blood.

#### **SEC. 501.08. NEWBORNS.**

Newborns, one or both of whose parents are tribal members, may be enrolled by a parent or legal guardian by completing an application form provided for that purpose and filing it with the Committee no later than sixty (60) days after the date of birth of the newborn.

#### **SEC. 501.09. RECORDS AND FILES.**

- (a) Membership applications and supporting evidence, and all related documentation, correspondence, and collateral records related to membership shall be kept secure at all times, except when necessary for the conduct of business of the Committee or of the Enrollment Clerk.
- (b) No person other than the Committee and Enrollment Clerk in the course of their official business shall have access to any membership file other than his or her own and that of his or her minor children or wards, except that a member may authorize in writing another person to have access to his or her file and that of any of his or her minor children or wards.
- (c) Any person may obtain a copy of documents in his or her file, or that of his or her minor child or ward, at a charge of twenty-five (.25) cents per page to cover the cost of copying documents.
- (d) The following information shall be deemed public information: the names of members, their sex, date of birth, date of death, roll number, allotment number through which member is enrolled and last known address. Upon request, membership lists showing this information may be made available to candidates for tribal political office upon payment of a charge set to reflect the cost of preparing and copying the list.

#### **SEC. 501.10. DISENROLLMENT.**

(a) Grounds for Disenrollment. Any tribal member may be disenrolled from membership in the Tribe upon proof of the following, and in accordance with the procedures for disenrollment set forth below:

1. Any person whose membership is based on false material information contained in his or her application, or who withheld material information in making his or her application for enrollment, shall be removed from the membership rolls.
2. Any person whose membership is based on false material information submitted by another person, or whose membership is based on another person's withholding of material information in making the application for enrollment, shall be removed from the rolls.
3. No member may be enrolled in the Tribe who is also enrolled in another tribe. Any member who is alleged to be enrolled in another tribe may be required to furnish proof that he is not so enrolled.

Any person who fails to furnish such proof shall be removed from the membership rolls. (b) Disenrollment Proceedings. Disenrollment proceedings shall be governed by the following procedures:

1. Upon receipt of any evidence that a tribal member should be subjected to disenrollment proceedings, the Committee shall discuss the matter at the next scheduled meeting, and shall vote on whether to initiate disenrollment proceedings against such tribal member. No proceeding for disenrollment of a tribal member shall be initiated unless at least four (4) members of the Committee vote to initiate such proceedings. If a majority of the fails to vote in favor of initiating disenrollment proceedings, the matter shall be deemed closed.
2. If the Committee decides to initiate disenrollment proceedings against a tribal member, the Enrollment Clerk shall send a "Notice of Disenrollment Proceedings" by certified letter to the last known address of such tribal member. The letter shall specify the grounds for initiating such disenrollment proceedings, and shall explain the disenrollment procedures and the rights and remedies available to the tribal member. The date stamped by the U.S. Post Office on the Domestic Return Receipt shall be deemed to be the date on which the tribal member was served with the "Notice of Disenrollment Proceedings." 3. In the event that the "Notice of Disenrollment Proceedings" is returned undelivered by the United States Post Office, the Enrollment Clerk shall publish the "Notice of Disenrollment Proceedings" in the local newspaper in the county of the last known address of the tribal member against whom disenrollment proceedings have been initiated. At the expiration of sixty (60) days from the date such notice first appears in the local newspaper, the tribal member shall be deemed to have been served with the "Notice of Disenrollment Proceedings."
4. Any tribal member against whom disenrollment proceedings have been initiated must file a written response challenging such proceedings within thirty (30) days of receipt of the "Notice of Disenrollment Proceedings." Such a response can be mailed by certified or regular mail, and will be deemed filed on the date the response is post-marked by the U.S. Post Office. Failure to file a written response to the "Notice of Disenrollment Proceedings" within the thirty day time period shall waive the tribal members rights to an informal hearing before the Committee and a formal hearing before the Tribal Council.
5. Any tribal member against whom disenrollment proceedings have been initiated shall have a right to appear and testify in an informal hearing before the Committee. At such hearing, the Committee shall determine if sufficient evidence exists to support a finding that the tribal member should be disenrolled. If a majority of the members of the Committee decide that the tribal member

should remain on the membership rolls, the disenrollment proceedings shall be deemed closed. If a majority of the members of the Committee find that sufficient evidence exists to support disenrollment, the Committee shall submit a written recommendation to the Tribal Council that the tribal member be disenrolled. The recommendation of the Committee shall include all evidence compiled in the disenrollment proceeding. Upon receipt of such recommendation, the Tribal Council shall schedule a hearing to decide whether the tribal member shall be disenrolled, unless the tribal member has waived his/her right to a hearing by failure to respond to the “Notice of Disenrollment Proceedings,” in which event the Tribal Council will make its decision based on the recommendation and evidence furnished by the Committee.

6. Any tribal member subject to a disenrollment proceeding, who has filed a written response to the “Notice of Disenrollment Proceedings” with the Enrollment Clerk, shall have the right to be represented by counsel at his or her own expense at all stages of the proceeding, the right to inspect and copy all documents which purportedly support disenrollment, the right to inspect and copy all documents in the custody of the

Committee which support the member’s claim to continued eligibility for enrollment, the right to inspect and copy all documents in the member’s application file, the right to cross-examine all adverse witnesses, the right to present testimony and documentary evidence on his or her own behalf, the right to adequate notice of all proceedings, and the right to a written decision in which the facts relied upon and the conclusions made by the Tribal Council are given. All disenrollment proceedings shall be conducted as closed hearings in Executive Session.

7. In any disenrollment proceeding, the Committee shall have the burden of proving by clear and convincing evidence that the tribal member is not eligible for enrollment.

8. A decision to disenroll a tribal member shall be made by vote of the members of the Tribal Council. No less than five (5) members of the Tribal Council must vote to disenroll the tribal member before such member shall be disenrolled. The decision of the Tribal Council in any disenrollment proceeding shall be final and non-appealable.

9. If the Tribal Council votes to disenroll a tribal member, the Enrollment Clerk shall strike the name of such tribal member from the membership rolls of the Tribe. Any tribal member who has been disenrolled shall be prohibited from thereafter seeking enrollment in the Tribe.

(c) Voluntary Disenrollment. Any tribal member may request that his/her name be stricken from the membership rolls. Such voluntary disenrollment must be carried out in accordance with the procedures set forth below.

1. The tribal member seeking voluntary disenrollment must submit to the Enrollment Office a notarized statement requesting relinquishment of membership in the Tribe, and stating the reason(s) for seeking relinquishment of membership.

2. The statement requesting relinquishment of membership in the Tribe must be either submitted in person, or delivered by certified mail, and must be dated no more than sixty (60) days before the date such statement is received at the Enrollment Office.

3. The Tribal Council shall direct the Enrollment Clerk to strike from the membership rolls the name of the tribal member seeking voluntary disenrollment.

4. If a request for relinquishment is made on behalf of a tribal member who is under the age of eighteen (18) years, the following procedures will govern the voluntary disenrollment process:

i. The person requesting relinquishment must be the parent having legal custody of the tribal member, or the legal guardian of such tribal member, and must provide the Enrollment Office with proof of such legal custody or guardianship. For purposes of this Chapter, the term “legal custody”

means the custody awarded by a court of competent jurisdiction. Any documentary evidence provided as proof of legal custody or guardianship must be in the form of originals or certified copies. Proof of parenthood alone, without proof of legal custody or guardianship, will not authorize a person to request relinquishment on behalf of a tribal member who is under the age of eighteen (18) years.

ii. Any parent requesting relinquishment for a child who is a tribal member must have sole custody of such child in order to request relinquishment of membership on behalf of the child. If a parent making a request for relinquishment on behalf of a child does not have sole custody of such child, such parent must demonstrate that he/she has joint custody of the child, and a notarized statement from the other parent joining in the request for relinquishment must be provided to the Enrollment Office. Certified copies of the divorce decree or order of separation, and of the order granting custody, must be submitted to the Enrollment Office.

iii. No tribal member under the age of (18) years shall be disenrolled from membership in the Tribe until the Enrollment Office receives official notification from another tribe that such person has been accepted for membership in such other tribe.

iv. If a person who is under the age of eighteen (18) years is disenrolled from membership in the Tribe by request of a parent or legal guardian, such person shall be entitled to enrollment in the Tribe in accordance with the procedures and requirements set forth in this Chapter, if such person makes a request for enrollment after his/her eighteenth (18th) birthday. No benefits associated with membership in the Tribe shall be granted to such person for the period of time during which he/she was not enrolled in the Tribe. Any tribal member whose membership is challenged under subsection (a), (b), or (c) shall have a right to be heard by the Membership Committee, which shall determine if there is sufficient evidence to believe that the tribal member should be disenrolled. If the Committee so finds it shall present its evidence and recommendation to the Tribal Council which shall decide whether the tribal member shall be disenrolled.

### **SECTION 800.9 - GROUNDS FOR EXCLUSION AND REMOVAL:**

Upon consideration of a Petition, the Tribal Council may enter an Order of Exclusion and Removal if it finds that it is in the best interests of the Tribal Nation to do so. ## **CHAPTER 900 HIRING BY CONTRACTORS IS RESTRICTED.**

### **SECTION 901.01. PURPOSE.**

The purpose of this ordinance is to help provide employment for tribal members living on or near the reservation who may have skills as laborers, heavy machine operators or in other construction areas. Often times there are contracts given out for road, bridge and other types of construction in this area. The idea is to allow for our members participate in such jobs to enable them to be employed and to instill pride in their work on or near the reservation.

### **SECTION 901.02. DEFINITIONS.**

- (a) "Tribe" and "Nation" both mean the Al'Maurii Khan Tribal Nation de Societas Republicae Ea Al Maurikanos.
- (b) "Member" means any person who is a member of the Al'Maurii Khan Tribal Nation de Societas Republicae Ea Al Maurikanos.
- (c) "Reservation" refers to all lands and roads within the exterior boundaries of the reservation and lands owned or occupied by the tribe.

### **SECTION 901.05. VIOLATION.**

All violations shall be tried in Tribal or Federal Court. [Procurement Standards]

## **CHAPTER 920.01. AL'MAURI KHAN PROCUREMENT STANDARDS.**

Procurement standards are necessary to ensure that materials and services are obtained efficiently and economically in compliance with the provisions of applicable Tribal. Federal and State laws to ensure compliance with contractual provisions of programs, grants, contracts, etc. A sound procurement system includes systematic procedures for determining which items are needed, based on technical and specific specifications, regarding quality, quantity, and allocable cost. A cost/price analysis must be performed before all major purchases and procurement contracts are made.

When appropriate, cost/price analysis must be conducted on lease versus purchase alternatives to determine which approach would be most feasible and economical. Compliance with Tribal procurement standards does not relieve the Program Coordinator, or Department Head, of any contractual responsibilities under its contracts arising out of procurement extended in support of a grant. These include, but are not limited to, source evaluations, protests, disputes and claims.

The organization of the procurement function require that each Program Coordinator, and department Head, perform their own purchasing rather than through a centralized purchasing department. Accordingly, the responsibilities for following the established procurement procedures rests with the Program Coordinator and Department Head. Grantors and members of the Tribe demand accountability over the Tribe's expenditure of grant funds and appropriated funds. This accountability is achieved through the budgetary process. The development of the budget requires the coordinated efforts of the Department Head, Accounting Department, and the Program Coordinator for which the budgets are being developed. Under the Tribe's budget system all expenditures must be approved before the actual disbursement is made. The approval function should include:

- a. Determination that the expenditure does not exceed the allotment limit.
- b. Determination that the purpose of the expenditure is in line with the purpose detailed in the budget.
- c. Proper classification of the expenditure to facilitate recording in the budget accounts. The Program Coordinator, Department Head, and Property and Procurement Manager should consider a, b, and c before approving a purchase or purchase order. The approving Tribal Official should review the purchase, or purchase order, for a, b, and c before approving.

Before entering into an agreement with a vendor to purchase goods or services, the following procedures should be followed:

- a. Affirmative steps will be taken to assure that small and minority businesses are utilized when possible as sources of suppliers. Affirmative steps shall include, as examples:
  1. Qualified small and minority businesses.
  2. Local businesses.
  3. Dividing total requirements into smaller tasks or quantities so as to permit maximum small and minority business participation when economically feasible.
  4. If possible, establish delivery schedules which will encourage participation by small and minority businesses.
  5. Services and assistance of the General Services Administration, Small Business Administration, the Office of Minority Business Enterprise of the Department of Commerce and the Community Services Administration.

b. All procurement transactions, regardless of whether by sealed bids or by negotiation and without regard to dollar value, shall be conducted in a manner that provides maximum and free competition consistent with OMB Circular 102, but without restricting or eliminating competition. Examples of competitive restrictions are:

1. Unreasonable requirements on firms to qualify to do business.
2. Organizational conflicts of interest.
3. Unnecessary experience and bonding requirements.

c. Depending on the anticipated cost of goods and services to be procured, the appropriate selection procedure will be followed. These procedures are:

1. Small purchases under \$500
2. Small purchases over \$500 and under \$25,000
3. Competitive sealed bids
4. Competitive negotiation
5. Non-Competitive negotiation

Note: All procurement transactions in excess of \$10,000 must abide by the specifications of Title 25, Chapter 1, 276.12 of the Code of Federal Regulations or the most current code of the most applicable regulation.

d. No Tribal employee shall participate in selection of the award or administration of a contract/grant supported by Grantor or Tribal funds if a conflict of interest, real or apparent, would be involved. Such conflict would arise when an employee or any member of his or her immediate family, his or her partner, or any of those mentioned above, has a financial or other interest in the firm selected for award.

Tribal employees shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, potential contractors or parties to sub-agreements. However, where the financial interest is insubstantial or the gift, if unsolicited item of nominal intrinsic value, the grantee may accept the offering if non-acceptance would impair the working relationship with the contractor.

Insubstantial – of little value

Nominal Intrinsic – small dollar value

**Note: Any physical, or monetary, item(s) received, regardless of dollar value, becomes property of the Tribe.**

A meal will not be considered a gratuity or favor if during the meal business is conducted and there is no other reasonable time to meet.

Discounts, credits, frequent flier miles, etc. shall be allowed if they are redeemed for Tribal purposes. To the extent permitted by Tribal regulations (Al’Maurii Khan Personnel Policies) and Federal law, violation of these standards of conduct shall provide penalties, sanctions or disciplinary actions.

Approved Vendors:

When tribal employees are selecting a vendor to purchase goods or services, the employee should Consider the following factors:

- a. Competitive Price
- b. Responsible Supplier
- c. Minority, Small, or Indian Business
- d. Locally-Owned Business
- e. Quality of Product
- f. Proof of Insurance (When Contracting)

None of these reasons alone is sufficient justification to use a sole source vendor. Employees should select a vendor who meets a majority of the above stated criteria, if economically feasible. An employee should obtain at least two (2) price quotations for all goods and services. This is not cost justified in the case of relatively small dollar purchases or in the situation where a number of employees are acquiring similar goods such as supplies, services, the qualitative difference between firms and offers are equally, if not more, important than the final price.

In cases where a vendor has been removed from the approved tribal “vendor” list, for poor service, or due to lack of compliance with the approved Tribal purchase regulations (e.g. Continually allowing programs to exceed the “Purchase Not to Exceed” amount stated on the approved purchase order. –OR- Continually allows employees to purchase goods and services, under the Tribal name, without an approved purchase order or proper tribal officials signatures authorizing the purchase. –OR- The vendor has been known to give employees kickbacks. Etc.); the Accounting Department may require the employee to use another vendor for his or her purchase.

#### Selection Procedures

##### I Small Purchases under \$500

The Program Coordinator may select the supplier of goods or services without the need to obtain more than one price quote.

##### II. Small Purchases over \$500 and under \$25,000

The Program Coordinator must obtain at least three price quotations for goods and services. Verbal price quotations may be used for purchases of \$500 to \$1,000. Documentation must be provided showing a list of vendors contacted and amount specified by each vendor must be attached to the purchase order when submitting it for approval. Written price quotations are required whenever the purchase exceeds \$1,000. Written confirmation from the supplier must indicate that the goods or services meet the minimal essential characteristics and standards necessary to conform to the intended use, as well as the intended terms of delivery and payment.

In the case of good and services which, by their nature, are not readily selected on the basis of price only, competitive or non-competitive negotiation should be used.

##### III. Competitive Sealed Bids

Sealed bids are required for all purchases over \$25,000 and should be considered for less expensive procurement when, in the opinion of the Coordinator, it would be in their best interest to use this procedure.

Sealed bids are publicly solicited and a firm-fixed price contract is awarded to the responsible bidder whose bid, meets the terms and conditions of the Invitation for Bids. Appropriate conditions must be present in order for formal advertising to be feasible, including, as a minimum:

- a. A complete, adequate and realistic specification or purchase description is available.
- b. Three (or more) responsible suppliers are willing and able to compete effectively for the Tribe’s business.
- c. The procurement lends itself to a firm or fixed price contract, and selection of the successful bidder can be made principally on the basis of price.

The following requirements must apply:

- a. The invitation for Bids must be publicly advertised.

Note: The Procurement Officer must insure that each Invitation to Bids is thoroughly reviewed prior to its issuance to detect and correct discrepancies or ambiguities which would limit competition or result in the receipt of non-responsive bids.

b. Bids must be solicited from an adequate number of known suppliers in a sufficient amount of time prior to the date set for the opening of the bids.

Note: Bidding time must not be less than twenty (20) calendar days when procuring standard commercial article for service.

c. The Invitation for Bids must clearly define the items or services needed in order for potential bidders to properly respond to the invitation for bids.

d. All sealed bids must be received by the Executive Secretary and must be properly marked "Sealed Bid" on the outside of the envelope to ensure the bid will not be opened prior to the time of public opening. The time and date of receipt must be acknowledged. For the safeguarding of bids, all bids will remain unopened in a locked file until the specified time for the bid opening.

e. All bids will be opened publicly at the time and place stated in the Invitation for Bids. Note: When bids are opened the following steps should be taken:

1) All bids will be read aloud to persons present. If it is impracticable to read the entire bid, the total amount of the bid, and relevant factors, will be read.

2) The bid opening date, general description of the procurement items(s), service(s), names of the bidders, price bid and other information required for bid evaluation. Will be recorded, except in the case of classified procurement, and will be available for public inspection.

f. The successful bidder on a firm-fixed price contract award will be notified by written notice within ten (10) calendar days following the acceptance of the bid.

g. All provisions of the Invitation for Bids, must be clearly and accurately set forth in the award document, since the award is an acceptance of the bid and the bid and award constitute the contract.

h. All unsuccessful bidder must be notified within ten (10) calendar days following the rejection or acceptance, of one or more of the bids received.

i. Any or all bids may be rejected when in the best interest of the Tribe.

#### IV. Competitive Negotiation

In competitive negotiation, proposals are requested from a number of sources and negotiations are normally conducted with more than one of the sources submitting offers, and either a fixed-price or cost-reimbursable type contract is awarded. Competitive negotiation may be used if conditions are not appropriate to use "Small Purchases Over \$500 and Under \$25,000" procedures or "Competitive Sealed Bid" procedures. If competitive negotiation is used for procurement, the following requirements shall apply: a. The decision to use competitive negotiation must be jointly made by the Program Coordinator and Department Head.

b. Requests for proposals must be solicited from an adequate number of qualified sources to permit reasonable competition consistent with the nature and requirements of the procurement.

c. Request for proposals must identify all significant evaluations factors.

d. The Program Coordinator must provide mechanisms for technical evaluation of the proposals received and the evaluation of competence of the vendors.

e. The Program Coordinator and Department Head will jointly select the vendor whose proposal will be most advantageous to the procuring party, price and other factors will be considered.

f. All unsuccessful vendors must be notified within ten (10) calendar days following the rejection, or acceptance, of one or more, of the proposals received.

Note: Upon request, unsuccessful vendors whose prices were lower than those of the contractor which received the award shall be furnished the reason why their proposals were not accepted.

Under no circumstances shall the vendor's cost breakdown, profit, overhead rates, trade secrets, or other confidential business information be disclosed to any other negotiated vendor.

Note: Competitive negotiations procedures may be used for the procurement of professional services in which the competitors qualifications are evaluated and the most qualified competitor is selected.

#### V. Non-Competitive Negotiation

Non-competitive negotiation is procurement through solicitation of a proposal from only one source or, after solicitation of a number of sources, competition is determined inadequate. Noncompetitive negotiation may be used when the award of a contract is infeasible under small purchase, competitive bidding (formal advertising) or competitive negotiation procedures.

Circumstances under which a contract may be awarded by non-competitive negotiation are limited to the following:

- a. The item is available on from a single source.
- b. Competitive solicitation is not required in a public emergency when the requirement will not permit delay.
- c. The grantor agency authorized non-competitive negotiation: or
- d. After solicitation of a number of sources, competition is determined inadequate. The use on non-competitive negotiation requires the joint approval of the Program Coordinator and Department Head.

Use of this method of procurement is limited to circumstances outlines in OMB A-102. The Department Head must maintain records in detail to comply with the above selection procedures; examples would be written quotations, written approval from the Program Coordinator in the case of competitive and non-competitive negotiation, and the rationale for the contractor selection or rejection.

#### Documentation of Procurement

Once the vendor/contractor has been selected, the procurement is finalized by a contract and evidence by issuance, and approval, of a purchase order. Two copies of contracts can be used.

- a. Fixed-Price
- b. Cost-Reimbursable

With a fixed-price contract, the contract price and scope of work is set at the time of the award, and the work must be performed for that price. Cost-reimbursable contracts take two basic forms; cost or labor hour. Under the cost type, the contractor bills the Tribe for actual cost incurred plus a fixed fee. Under labor hour contracts, billings are presented in terms of actual hours worked, by rates set forth in the contract.

There is a significant distinction between fixed-price and cost reimbursable contracts. Under a fixed-price contract, the contractor must complete the work called for irrespective of the accuracy of his/her initial estimate of cost or effort involved. Under cost-reimbursable contracts, however, the dollar magnitude of the effort is considered to be an estimate only, and the contractor is under no obligation to incur cost or to expend man hours beyond those set forth in the contract without an appropriate increase in the contract value.

The cost plus a percentage of cost and percentage of construction cost method of contracting shall not be used. Generally, if the total cost contemplated is less than \$10,000, the Tribe may elect to award the work or purchase by use of a purchase order rather than a contract. However, purchase of goods and services using the selection procedures of competitive sealed bids, competitive negotiation and non-competitive negotiation will require the use of a contract. If the contract is

less than \$10,000, the form and content is determined by the two parties to the contract. If the contract is in excess of \$10,000 (\$2,000 in the case of certain construction contracts), the following conditions must be present:

a. Contracts other than small purchases shall contain provisions or conditions which will allow for administrative, contractual or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as may be appropriate.

b. All contracts in excess of \$10,000 shall contain suitable provisions for termination by the contractor / grantee including the manner by which it will be effected and the basis for settlement. In addition, such contracts shall state the conditions upon which a contract may be terminated for default as well as conditions where the contract may be terminated because of circumstances beyond the control of the contractor.

c. All contracts awarded in excess of \$10,000 by grantees and their contractors or subgrantees shall contain a provision requiring compliance with "Equal Employment Opportunity" provision of the Department of Labor Regulation (41 CFR, Part 60).

d. All contracts and sub-grants for construction or repair shall include a provision for compliance with the Copeland "Anti-Kickback" Act (18 USC 874) as supplement in Department of Labor regulations (29 CFR, Part 3). The Act provides that each contractor or sub-grantee shall be prohibited from inducing, by any means, any person employed in the construction, completion or repair of public work, to give up any part of the compensation to which he/she is otherwise entitled. The grantee shall report all suspected or reported violations to the grantee agency.

e. When required by the Federal Grant Program Legislation, all construction contracts in excess of \$2,000 awarded by grantees and sub-grantees shall include provisions for compliance with the Davis-Bacon Act (40 USC 276a to a-7) as supplemented by the Department of Labor regulations (29 CFR, Part 5). Under this Act, contractors shall be required to pay wages to laborers and mechanics at a rate not less than the minimum wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay not less often than once a week. The grantee shall place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation and the award of a contract shall be conditioned upon the acceptance of the wage determination. The grantee shall report all suspected or reported violations to the grantor agency.

f. Where applicable, all contracts awarded by grantees and sub-grantees in excess of \$2,000 for construction contracts and in excess of \$2,500 for other contracts which involve the employment of mechanics or laborers shall include a provision for compliance with sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 USC 327-330) as supplemented by the Department of Labor regulation (29 CFR, Part 5). Under Section 103 of the Act, each contractor shall be required to compute the wages of every mechanic and laborer on the basis of standard work day of 8 hours and a standard work week of 40 hours. Work in excess of the standard work day or work week is permissible provided that the worker is compensated at a rate of not less the 1-1/2 times the basic rate of pay for all hours worked in excess of 8 hours in any calendar day or 40 hours in the work week. Section 107 of the Act is applicable to construction work and provides the no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous to his/her health and safety as determined under construction, safety and health standards promulgated by the Secretary of Labor. These requirements do not apply to purchases of supplies, materials, articles ordinarily available on the open market or contracts for transportation or transmission of intelligence.

- g. The contract shall include notice of grantor agency requirements and regulations pertaining to reporting the patents rights under any contract involving research, developmental, experimental, or demonstration work with respect to any discovery or invention which arises or is developed in the course of or under such contract and grantor agency requirements and regulations pertaining to copyrights and rights in data.
- h. All negotiated contracts (except those awarded by small purchase procedures) awarded by grantees shall include a provision to the effect that the grantee, the Federal grantor agency, the Comptroller General of the United States or any of their duly authorized representatives, shall have access to any books, documents, papers, and records of the contractor which are directly pertinent to that contract for the purpose of making audit, examination, excerpts and transactions.
- i. Contracts, sub-contracts and sub-grants of the amounts in excess of \$100,000 shall contain a provision which requires compliance with all applicable standards, orders or requirements issued under Section 306 of the Clean Air act (42 USC 1857 (h)), Section 508 of the Clean Air Act (33 USC 1368) and the Environmental Protection Agency Regulations (40 CFR, Part 15), which prohibit the use under nonexempt Federal contracts, grants or loans of facilities. The provision shall require reporting of violations to the grantor agency and to the USEPA Assistant Administrator for Enforcement (EN- 329).
- j. Contract shall recognize mandatory standards and policies relating to energy efficiency which are contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act (P. L. 94-163).

## **CHAPTER 1000 ESTABLISHMENT AND OPERATION OF THE AL'MAURI KHAN TRIBAL POLICE COMMISSION.**

### **SECTION 1000.1 PURPOSE**

The purpose behind the creation of a Tribal Police Commission is to provide oversight of tribal police operations, approve policy and procedure, assist in the tribal budgeting process where necessary, and provide direction for the police force. The safety and security of the Al'Maurii Khan Tribe requires a full time professional police force to operate on reservation with the cooperation of the membership, local community, Tribal leadership, state, county and neighboring communities. Effective oversight and communication concerning all aspects of the police force operations is essential. It is critical that day to day operations be kept separate and distinct from the oversight of the operation of the police departments and that the interjection of political influences be kept out of the operation of the tribal police force.

### **SECTION 1000.2 SCOPE.**

This ordinance is applicable to Al'Maurii Khan Tribal Police Commission as it relates to the oversight responsibility of the Al'Maurii Khan Police Departments.

### **SECTION 1000.3 AUTHORITY.**

This ordinance is enacted pursuant to Article VI, Section 1(m) and (q) of the Constitution and Bylaws of the Al'Maurii Khan.

Members of the police commission may not simultaneously serve as members of any other law enforcement agency. Tribal member appointees must reside within the exterior boundaries of the Al'Maurii Khan Reservation and be at least twenty-one years of age.

The Tribal Council shall dismiss a petition for reconsideration which is not timely filed unless the petitioner shows probable good cause that the reason for failure to timely file was beyond the petitioner's control. If no petition is filed within 21 days from the date that a copy of the findings or order is mailed to the last known address of the parties in interest, the findings or order shall be considered final.

(1)(b) In such an action a complaint shall be served with an authenticated copy of the summons. The complaint need not be verified, but shall state the grounds upon which a review is sought. Service upon the Tribal Council or agent authorized by the Tribal Council to accept service

3. That the findings of fact by the Tribal Council do not support the order or award by preponderance of the evidence presented before the Council.

(2)Upon the trial of any such action the court shall disregard any irregularity or error of the Tribal Council unless it is made to affirmatively appear that the plaintiff was damaged thereby.

(3)The record in any case shall be transmitted to the Tribe within 5 days after expiration of the time for appeal from the order or judgment of the court, unless appeal shall be taken from such order or judgment.

(5)The commencement of action for review shall not relieve the Tribe from paying compensation as directed, when such action involves only the question of liability as between the Tribe and one or more insurance companies or as between several insurance companies.

(6)If the Tribal Council's order or award depends on any fact found by the Tribal Council, the court shall not substitute its judgment for that of the Council as to the weight or credibility of the evidence on any finding of fact. The court may, however, set aside the Tribal Council's order or award and remand the case to the Third Party Administrator or Tribal Benefits Specialist or if the Tribal Council's order or award depends on any material and controverted finding of fact that is not supported by credible and substantial evidence.

In finance, the availability of money and in accounting, a liability or equity entered on the right side of the page in double-entry accounting. The other entry is called a debit.
- (10) debt – an obligation to repay an amount owed. Debt securities, such as bonds or commercial paper, are forms of debt that bind the issuer, such as a corporation, bank, or government, to repay the security holder. Debts are also known as liabilities.

- (14) national bank – in banking, the term national bank carries several meanings: especially in developing countries, a bank owned by the state; an ordinary private bank which operates nationally, in the United States, an ordinary private bank operating within a specific regulatory structure, which may or may not operate nationally, under the supervision of the Office of the Comptroller of the Currency. In the past, the term "national bank" has been used synonymously with "central bank", but it is no longer used in this sense today. Some central banks may have the words "National Bank" in their name; conversely if a bank is named in this way, it is not automatically considered a central bank. For example, National-Bank AG in Essen, Germany is a privately owned commercial bank, just like National Bank of Canada of Montreal, Canada.
