EVIDENCE OF DEED: HOLY MUNIMENT OF TITLE:

Holy Moorish Koran Chapter XLVII

Egypt, the Capital Empire of the Dominion of Africa

1. The inhabitants of Africa are the descendants of the ancient Canaanites from the land of Canaan.
2. Old man Cush and his family are the first inhabitants of Africa who came from the land of Canaan.
3. His father Ham and his family were second. Then came the word Ethiopia, which means the demarcation line of the dominion of Amexem, the first true and divine name of Africa. The dividing of the land between the father and the son.
4. The dominion of Cush, North-East and South-East Africa and North-West and South-West was his father's dominion of Africa.
5. In later years many of their bretheren from Asia and the Holy Lands joined them.
6. The Moabites from the land of Moab who received permission from the Pharaohs of Egypt to settle and inhabit North-West Africa; they were the founders and are the true possessors of the present Moroccan Empire. With their Canaanite, Hittite, and Amorite bretheren who sojourned from the land of Canaan seeking new homes.
7. Their dominion and inhabitation extended from North-East and South-West Africa, across great Atlantis even unto the present North, South, and Central America and also Mexico and the Atlantis Islands; before the great earthquake, which caused the great Atlantic Ocean.
8. The River Nile was dredged and made by the ancient Pharaohs of Egypt, in order to trade with the surrounding kingdoms. Also the Niger river was dredged by the great Pharaoh of Egypt in those ancient days for trade, and it extends eastward from the River Nile, westward across the great Atlantic. It was used for trade and transportation.
9. According to all true and divine records of the human race there is no negro, black, or colored race attached to the human family, because all the inhabitants of Africa were and are of the human race, descendants of the ancient Canaanite nation from the holy land of Canaan.
10. What your ancient forefathers were, you are today without doubt or contradiction.
11. There is no one who is able to change man from the descendant nature of his forefathers; unless his power extends beyond the great universal Creator Allah Himself.
