### WITH THIS RULING FOR THE LOG [RECORD]:

#### TRIBAL COURT ORDER OF PROTECTION

The most Prudent approach is for tribal courts to make specific findings in every civil protection order case as to:

1. whether the defendant is a citizen / member of the tribe, a non-Indian, or a citizen / member of another tribe;
2. whether the due process requirement of the Indian Civil Right regarding notice and opportunity to be heard have been complied with;
3. whether the incident giving rise to the civil litigation occurred on tribal land 18 U.S.C. 1151, on fee land, or non-tribal right of way land;
4. whether the State Court has jurisdiction to assert non-jurisdiction;
5. whether the rights asserted on behalf of or by complainant constitute lawful attempts at liberation or freedom from enslavement, which are protected activities under the laws of Florida and the United States;

6. whether the parties had entered into a consensual relationship with the tribe or its members through commercial dealing, leases, or "other arrangements", or whether the conduct in question threatens or has some direct effect on the political integrity, the economic security, or the health or welfare of the tribe.

**Specific Findings of Law and Fact Requiring Judicial Notice**

- a. On or about 1819 the United States of America secured access to these aboriginal lands through the Florida Purchase, limiting their authority and land rights only to property and lands of the Spanish Crown and the agreement did not include private lands or indigenous property that was not claimed by the Spanish Crown, nor did the agreement divest the United States of America of inheriting Spain's (1492 treaty) obligations to protect and respect the customs and rights of self-government of the Moorish inhabitants in the [then newly] acquired territories.
- b. On or about 1838, the people of Florida established a constitution to which they would govern themselves and aliens enjoying treaty protections within the United States as an American republic that would be perpetual according to the 1838 Florida Const. Art. I Basic Rights, section 27.
- c. Respondent(s) STATE OF FLORIDA and ORANGE COUNTY BOARD OF COUNTY COMMISSIONERS, and their agents and assigns, are seeking to be funded by securities [financial transactions] that violate treaty provisions whereby services are forced upon complainant against his will and contrary to what is thought proper by him.

- d. Bro. Hiamovi Hesutu Tupi Bey has been extended a Diplomatic Immunity from civil and criminal process as a matter treaty rights, duties / obligations inherited by Blood and under the Divine Seal, Deeds, and Acts of Our Holy Sovereign of the Moorish-Americans: Prophet Noble Drew Ali [in the 1920s], originating from Our ancestral Sovereign: HIM and contemporarily sustained through the Seal of Our [Sultan / Ruler] King, HIM King Muhammad VI of the Kingdom of Morocco, and successive Heir as a Sultanate of the old Moorish Empire and public policy / Pub. L. 94-583, the Foreign Sovereign Immunity Act and Art. 23 of 1977 / 1981 THE CONVENTION BETWEEN THE UNITED STATES OF AMERICA AND THE KINGDOM OF MOROCCO.
- e. A Tribal Court Order from the Al'Maurii Khan Nation Tribal Supreme Court, Case No. AKN-TRI-SC160300, attached hereto as Exhibit A guarantees injunctive relief from the defendants' identity theft and or securities fraud through conversion of tribal rights and identity of the complainant into franchises and ens legis entities whose divine rights may be destroyed by the hand and seal of a foreigner to the tribe and without consent of the Al'Maurii Khan Nation of Moors of North America.
- f. For over 25 years complainant in this case has asserted that there exist international laws and agreements and enumerations of rights in the Supreme law against his enslavement for life, and to date he is still protected in those proclaimed rights under title 8 U.S. Code §1401(b) and through constitutional prohibitions recognizing that retroactively applying registration laws can violate the *Ex Post Facto* Clause, especially if the restrictions amount to additional punishment.

- g. Pursuant 1836 U.S.A. – Moorish Empire Treaty – Art. XX and title 18 U.S. Code §2265, the Tribal Court Order from the Al'Maurii Khan Nation as follows: *Imperial Final Judgment and Tribal Court Order of Protection* filed on behalf of the Moor is sustained by operation of law and the enforcement of this filing according to the Supreme laws of the land is guaranteed as having full faith and credit to resolve disputes between the respondent(s) as U.S. Persons / U.S. Citizens and the complainant as a Moor.
- h. As a result of previous interactions / contact with our Tribal Nationals, all of the respondents named herein have been notified by operation of law, through their respective agents and or assigns by postal mail, email and or electronic service, of the existence of the *Tribal Court Order For Protection From Identity Theft, Securities Fraud, Unlawful Detention, Assault, and Color of Law Violations of Rights* from Tribal Supreme Court Order Case No.: AKN-TRI-SC160300 for over 30 calendar days, which aids this tribal court in establishing jurisdiction and gives rise to several causes of actions for financial relief against respondents for the Moor's loss of well-being, occupancy rights, and safety in tribal lands under false claims or pretenses related to Orange County / U.S. Domestic Account Case No. 481999CF007264000AOX.
- i. The plaintiff in Orange County / U.S. Domestic Account Case No. 481999CF007264000AOX shall not continue performance against any contract that attempts to void his tribal rights, civil immunities, and freehold status in these lands to enforce any form of enslavement or forced deprivation of rights against complainant, for the following reasons:

- (1) Amendment IX of the Bill of Rights prohibits a denial of enumerated rights retained by the people of the Al'Maurii Khan Nation, specifically the right to not be subjected to peonage or enslavement, unless sentenced for criminal violations of law initiated from an indictment by impartial jury of peers, under an Article III Court.
- (2) It is cruel and unusual punishment to penalize, for life, through prejudice of the right to privacy of any Moor whom has previously made restitution for an alleged crime and has not been established or proven to be a threat to the public or the safety of others.
- (3) It is an abuse of authority and an unconstitutional expansion of judicial discretion to condemn any Man or Woman to a life sentence of any kind whom has previously made restitution for an alleged crime and has not been established or proven to be a threat to the public or the safety of others.
- (4) The respondent(s) in this matter are corporations, ens legis entities, and no party employed by them or authorized to speak for them, nor the clerk of court or the administrative judge can affirm that his [Bro. Hiamovi Hesutu Tupi Bey] exercise of tribal sovereign immunity and other federally protected rights of privacy constitutes grounds for standing to properly move any judge with committing authority pursuant Fla.Stat. 901.01 or to cause a prosecuting attorney, acting under F.R.C.P. 3.730, to issue a capias / warrant for arrest.
- (5) The respondent, STATE OF FLORIDA, as a corporation has no immunity to assert because it employs the judge and is a represented party in Orange County / U.S. Domestic Account Case No. 481999CF007264000AOX and said corporation, through

its budget, also funds the judiciary, all of which impair or hinder the Mission & Vision<sup>1</sup> of the judiciary and a constitutional obligation to provide the Moor a fair and or impartial hearing.

- (6) The complainant in this case, along with other Moors / Moorish inhabitants, is not and cannot be a U.S. Citizen per Art. I Sec. 2 Cl. 4 of 1791 Organic Constitution for the United States of America, and even under such presumption of citizenship pursuant 8 U.S. Code §1401(b) his tribal property rights are not waived and [like other Moors in or near Florida] he has been generalized as *Urban Tribal Citizens* in a 2014 press release from Florida Department of State honoring Native American heritage, but in actuality he is a Moor of the Al'Maurii Khan Nation, with aboriginal title in the land and or tenant in fee-simple rights under common law and a member of an indigenous community alleging a right of imperial authority and existence that is inextinguishable under international law and local human rights laws that has not ever been voluntarily surrendered or waived.

- (7) The contracts being used to enforce reporting requirements upon the Moor in this matter are voidable as peonage is prohibited and indigenous peoples have tribal immunity from statutory presumption that would prejudice treaty rights and obligations.
- (8) Said requirements of the demand for performance cannot be met, per the fact [a] complainant has not waived his tribal rights and treaty protections of due process, [b] that respondents have no constitutionally protected right to encourage complainant to waive his rights to privacy and to not be subjected to arbitrary interference with the enjoyment of his liberties, and [c] that 3<sup>rd</sup> parties (agents of the Orange County Sheriff's Office) have to threaten physical harm / assault (possible arrest) and or use intimidation to substantiate a defrauding of a member of an indigenous community out of rights protected under Supreme law and tribal laws of a Moorish government.
- (9) Bro. Hiamovi Hesutu Tupi Bey formerly known as El Shurshank Bey ex-relatione: Kenneth Jackson has been adopted by the Al'Maurii Khan Nation of Moors of North America and vested by tribal law to aid this tribal government in it's Mission to restore and protect the old Moorish Empire in North America in accordance with the Duties and Authority granted all Moors from Our Moorish Sovereign, Prophet Noble Drew Ali of the Moorish Science Temple of America.
- (10) Bro. Hiamovi Hesutu Tupi Bey, as a Tribal Law Clerk and Moslem Minister of Our Religious Creed of I.S.L.A.M. is protected by the laws of the United States of America as a Mission Staff Member of AL'MAURI KHAN TRIBAL NATION, under the Divine Seal of the Sultan of the Moroccan Empire, whose authority is perpetually binding upon the nations of

the Earth and the United States, as a result of said mission rights under international law and his being a part of the mission staff, he [Bro. Hiamovi Hesutu Tupi Bey] shall enjoy immunity from attachment pursuant 28 U.S.C. §1609, especially when said attachment interferes with tribal government business and or the ability of the United States to maintain its trust obligations to the Moors of the Al'Maurii Khan Nation in North America.

(11) Bro. Hiamovi Hesutu Tupi Bey has already given the restitution required by sentencing in Orange County / U.S. Domestic Account Case No. 481999CF007264000AOX, which further confirms that all debts incurred have been satisfied accordingly by set-off / discharged per Fla.Stat. 671.207 and Fla.Stat. 673.3111, and according to federal laws supporting the same.

(12) Bro. Hiamovi Hesutu Tupi Bey, FEIN: 39-7139471, is protected under the laws of the Al'Maurii Khan Nation from unlawful conversions of private / personal and tribal property rights and is also indemnified by the attached *Proof of Insurance: Indemnification & Hold Harmless Agreement*. See *Exhibit A – Tribal Court Order of Protection*, *Exhibit B – Authorization from competent authority of United States*, and *Exhibit C – Certification of Foreign Status Form W-8BEN*.

Respondent(s), STATE OF FLORIDA, ORANGE COUNTY DEPARTMENT OF CORRECTIONS, ORANGE COUNTY BOARD OF COUNTY COMMISSIONERS (BOCC), and FLORIDA DEPARTMENT OF LAW ENFORCEMENT, are hereby ORDERED to CEASE and DESIST in their actions that prejudice this Moorish Tribal Government from protecting and
