**Stare Decisis Law**

“A court cannot confer jurisdiction where none existed and cannot make a void proceeding valid. It is clear and well-established law that a void order can be challenged in any court.” See **Old Wayne Mut. L Assoc. v. McDonough**, 204 U.S. 8, 27 S.Ct. 236 (1907)

For the record, I, Brother Grey: Hawk El ex-relazione: JAMES GRAY, JR., am a Moorish-American national recognized by the Al'Maurii Khan Nation of Moors of North America affording me and my person, as well as, any property held under any other derivative an enjoyed sovereign status as a native American Aborigine and or Moor, under Cherifian jurisdiction / (Indian Law) according to the Al'Maurii Khan Nation Tribal Constitution and Codex, the Treaty protections, privileges and immunities afforded me as a Moor. I, as a Man of Flesh and Blood, am not and cannot be named in the statute under Florida law and am guaranteed a protected person status under international law and federal law. The Polk County Court and Clerk or Law equivalent and their statutory presumptions and claims of jurisdiction as they relate to me and my person / estate / property do not represent any one of the 5 branches of sovereign authorities described in the Organic Constitution for the United States of America [ergo said constitution for U.S.A. recognizes only the sovereignty of (1) the Legislature / Congress through 2/3rds majority vote (2) the Supreme Court's unanimous decisions (3) the Executive authority of the President (4) the Will of the American people (5) the American Military under the Commander in Chief ].

"We are mindful that rights of succession to property under local law may be affected by an overriding federal policy when a treaty makes different or conflicting arrangements. In such event, the state policy must give way". **Clark v. Allen, 331 U.S. 503, 517 . . . 220 Ore. 448, 462, 349 P.2d 255, 262-263.** –In other words, the Black Codes, Liber Code, and other local rules and customs that restricted / prejudice my or mine ancestor's property rights cannot preclude the treaty obligations of the United States and the enforcement of the claim of rights to property as I have asserted in this matter – specifically the right to freedom of movement, of religious worship, to govern oneself, to enjoy the basic unalienable rights as guaranteed any free inhabitant of any territory according to the supreme law.

### **Jurisdiction and Venue**

Let the records of the administrative court reflect that I, Brother Grey: Hawk El ex-relazione: James Gray Jr., have forwarded and registered under RA511289202US by United States Postal Service my Silver-Copper Surety Bond and evidence of indemnification and solvency to State of Florida Attorney General, Ashley Moody, and invoked my religious freedoms, tribal customs, and tribal rights under the Tribal constitution and laws of the Al'Maurii Khan Nation to which consular jurisdiction under Articles XX and XXI of the 1836 U.S.A. – Moorish Empire Treaty of Peace and Friendship is guaranteed; said treaty and tribal laws aver the following:

If any of the Citizens of the United States or any Persons under their Protection, shall have any Disputes with each other, the Consul shall decide between the Parties, & whenever the Consul shall require any aid or Assistance from our Government to enforce his Decisions, it shall be immediately granted to him.***

***& 21. If a Citizen of the United States shall kill or wound a Moor, or on the contrary if a Moor shall kill or wound a Citizen of the United States, the Law of the Country shall take place & equal Justice Shall be rendered the Consul assisting at the Tryal; & if any Delinquent shall make his escape, the Consul shall not be answerable for him in any Manner whatever."***

***"Al'Maurii Khan Nation Tribal Constitution, Article 8 Section 2. Jurisdiction. The judicial power shall extend to all cases, in law and equity, arising under the Constitution of the Al'Maurii***

*Khan Tribal Nation, the Laws of the Al'Maurii Khan Tribal Nation, Nation Governmental Councils, to all tribal Nationals and property within the jurisdiction of the Al'Maurii Khan Tribal Nation, and Al'Maurii Khan Tribal Trust.*

***Al'Maurii Khan Nation Tribal Codex 404.2(a)*** All tribal claims and actions against land and or property shall be under the jurisdiction of the Tribe and administered by the Tribal Court.

***Al'Maurii Khan Nation Tribal Codex Chapter 1500*** is enacted by the Al'Maurii Khan Nation Tribe to provide for the establishment of standards for the issuance of TRAVELERS PERMITS, registration of motor vehicles, the establishment of lawful regulations for the operation of motor vehicles and other related purposes inclusive of and not limited to protection of Our right to freedom of movement unmolested by prejudices against Our tribal community.

***Al'Maurii Khan Nation Tribal Codex 1500.36 – VENUE*** Any disputes arising under this Chapter shall be brought before the Al'Maurii Khan Nation Tribal Court.”
