March Madness National Karate Championships
American Karate Studios
14415 South Avenue Suite 7
Columbiana, Ohio 44408

Dear Sponsor:

On March 14th, 2026, the March Martial Arts Championships will return to Columbiana High School—an exciting day of athleticism, discipline, and community pride—hosted by American Karate Studios, LLC.

This event is part of a tradition that began in 1987, when the Professional Karate Commission (PKC) held its first Ohio Series, crowning 20 State Champions—three of whom came from right here in the Mahoning Valley. Since then, the series has grown to seven qualifying events, and in the 2024 PKC season, more than 75 champions were titled—over 30 of them local athletes. These achievements highlight the incredible talent, dedication, and sportsmanship within our community.

Your support helps make these opportunities possible.

By sponsoring this event, you're not just funding a tournament—you're investing in our youth. Karate training builds confidence, discipline, respect, and perseverance—qualities that lead to better academic performance, improved behavior, and lifelong success. Every local student who steps onto the mat represents the future of our community, and your partnership helps them reach it.

Sponsors and advertisers also gain valuable exposure to hundreds of families, athletes, and spectators from across Ohio. Your business will be proudly recognized as a community champion—supporting youth development, healthy lifestyles, and local pride.

On the cover you'll find detailed sponsorship options. To become a sponsor or advertiser for the 2026 March Martial Arts Championships, please complete and return the attached form to americankarate.contactus@gmail.com or mail it to the address listed. A representative from our team will gladly answer any questions and help select the best sponsorship level for your organization.

Let's work together to inspire our youth and showcase the strength of our community. We sincerely hope you'll join us in supporting this year's event. Thank you for your consideration and community spirit.

Deven J. Fickes
Tournament Director
