Sponsor of the Month Daicel Group

DAICEL Corporation is a Japanese corporation with head offices in Osaka and Tokyo. It has operations and strategic partners throughout the world. Our company's operations have expanded into a variety of fields around our core technologies of cellulosic derivatives, organic chemicals, polymers and pyrotechnic devices. The nature of our business has now expanded beyond just the chemical industry to encompass businesses related to assembly processes. This is represented by our automotive airbag inflator business, which has grown to become one of our core businesses.

Our products include POM, PBT, nylon-12, PEEK, PS, and LCP resins, high performance polymer alloy and polystyrene sheet, barrier films, ultraviolet and electron beam curable resins, celluloid, and acetic acid, among other products.

Our specialty oligomer include the Caprolactone PLACCEL series and the

Cycloaliphatic epoxide CELLOXIDE® series which are utilized in composite, adhesive, coatings, etc.

At the Daicel Group, we believe in the unlimited potential of chemistry. By applying our unique technologies and expertise in the most effective manner, we are meeting the diverse needs of society.offers
