2023 Regional Additive Manufacturing Symposium Registration Now Open

The New Jersey Chapter of SAMPE, in cooperation with the Rowan University College of Engineering and Advanced Materials & Manufacturing Institute (AMMI), is hosting a one-day symposium to highlight advancements in additive manufacturing technology and related research initiatives in the Greater NJ/NY/PA/CT area. This event will provide a forum for suppliers to showcase their products and for researchers to present their ongoing work. All participants are encouraged to explore collaboration opportunities.

This will be a full-day program with dual-track presentations from academia and industry. The symposium will include a poster session, as well as tabletop vendor displays. All presentation materials will be provided to attendees. Lunch will be served, with ample opportunity for side discussions and introductions. Registrants who are not SAMPE members will be credited a 1-year professional membership to SAMPE.

Please see the next page for our preliminary program.

Updates and speaker information will be provided at www.njsampe.org

Hotel information is being prepared and will be posted shortly.

NJ SAMPE Scholarship Program

We are pleased to announce our inaugural scholarship program to support students pursuing higher education in science, technology, engineering, or mathematics (STEM). Scholarships will be offered annually for full-time study at an accredited university or vocational school of the student's choice. The Program is administered by the NJ SAMPE Board of Directors, and all awards are granted without prejudice.

Beginning with the 2023-24 academic year, awards will be granted up to the maximum amount of \$2000. Awards are not renewable, but students may reapply to the Program each year they meet eligibility requirements.

Applicants to the Program must be relatives of NJ SAMPE Chapter members having a minimum of one (1) year of membership with the Chapter as of the application deadline date. An eligible Chapter member may also serve as sponsor for a deserving candidate's application (ex: neighbor, intern, etc.).

Additional information on the Program, eligibility requirements, and application forms can be found on our website or by clicking [here](#).

Apply by July 15th!
