APPLYING PROFESSIONAL KANBAN

JAN 15-17 2026

WITH
ANDREA PRATT-SMITH

Professional Kanban Trainer

Andrea Pratt-Smith is the **first licensed ProKanban Trainer in the Caribbean** and remains the **only licensed trainer in The Bahamas**, joining the community in 2022 through the **Women in Kanban Scholarship**. In January 2024, she hosted the inaugural **Introduction to Flow Workshop** in Nassau, attended by professionals from a leading private hospital and financial institution.

She continues to champion flow-based practices across professional communities, most recently delivering a Kanban-focused workshop at the **Toastmasters District 47 Conference** in May 2025, titled "Stop Starting, Start Finishing," where she introduced attendees to the importance of flow, limiting WIP, and effective prioritization.

As the Bahamas' **leading voice in Kanban**, Andrea delivers the **Applying Professional Kanban (APK) certification program**, equipping professionals with globally recognized credentials to advance their careers and drive meaningful results.

ADVANCE YOUR CAREER WITH FLOW

LEARN THE MODERN
WAY TO MANAGE
PRODUCT & PROJECT
DELIVERY

Are you an Agile practitioner or project manager looking to stay ahead in a fast-changing world of delivery? Traditional methods are holding organizations back. Flow-based delivery is the modern approach that leading enterprises are using to deliver value faster, reduce risk, and make smarter decisions.

ProKanban Courses Help You Advance!

- **Future-Proof Your Career**: Our courses equip you with the flow practices that top companies are adopting right now.
- **Bridge Agile & Project Management**: We show you how to connect strategy to delivery without the overhead of outdated frameworks.
- **Practical, Proven Tools**: You'll learn to apply flow metrics, manage WIP limits, and forecast with confidence—skills hiring leaders demand.
