- (b) Enforcement of the provisions of the Declaration.

The Association may receive title to and may dedicate or transfer title to any property to which it holds title, to any public agency of authority, provided such transfer is agreed to by three-fourths (3/4) of the members of the Association.

2. Assessments:

- (a) Assessments begin January 1, 1990 and shall continue thereafter.
- (b) Each owner of a lot or lots in White Oak Bluff Subdivision by acceptance of the deed thereto, whether or not it shall be expressed in such deed, is deemed to, and does thereby, covenant and agree, on behalf of himself, his heirs, successors, and assigns, to pay assessments to the Association for the expenses incurred in providing services and in maintaining the properties which are the responsibility of the Association.

3. Voting rights: Directors shall be elected by the lot owners with all owners of lots in White Oak Bluff Subdivision being entitled to one (1) vote for each lot, as further provided in the Articles of Incorporation and the Bylaws of the White Oak Bluff Subdivision.

At all meetings of the members, each vote may be cast in person or by proxy. All proxies shall be in writing and filed with the Secretary. Every proxy shall be revocable and shall automatically cease upon conveyance of his Lot by the member giving proxy.

4. Lien of assessment: The assessments, including all regular and special assessments, late fees, fines, interest and costs of collection, including court costs and reasonable attorney fees, shall be a charge on the land and shall be a continuing lien upon the property against which each assessment is made. Each such assessment, together with late fees, fines, interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment became due. Personal obligation for delinquent assessments shall not pass to their successors in title unless expressly assumed by them.

Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the highest rate allowed by law. is hereby granted power of sale to conduct said foreclosure. Any interest, costs and reasonable attorney's fees of the action of foreclosure shall be added to the amount of such assessment. Such foreclosure shall be conducted under the procedure prescribed by statute in North Carolina for sales under a power of sale. In addition to the remedies set out hereinabove, the Association, acting by and through its Board of Directors, may deny the right to use of any of the private parks to any lot owner whose assessment is not paid with thirty (30) days after the date upon which it is due, provided, however that application of procedural requirements under North Carolina law have been met.

5. Subordination of lien to mortgage: The liens provided for herein shall be subordinate to the lien of any mortgage, mortgages, deed of trust or deeds of trust. Sale or transfer of any lot shall not affect the assessment lien provided for in the preceding section. The sale or transfer of any lot which is subject to any mortgage or deed of trust, pursuant to a foreclosure thereof which became due prior to such sale or transfer, but shall not extinguish the personal liability of the transfer shall relieve such lot from liability for any assessment thereafter becoming due or from the lien thereof, but the liens provided for shall continue to be subordinate to the lien of any mortgage, mortgages, deed of trust, or deeds of trust.

ARTICLE VII

DURATION AND AMENDMENT:

All restrictions and covenants set forth in this Declaration shall run with the land and shall be binding on all parties and persons claiming under them for a period of twenty-five (25) years from the date of recording of the Declaration, after which these restrictions and covenants shall be automatically extended for additional periods of ten (10) years each.

This instrument may be amended at any time by an affirmative vote of fifty percent (50%) of the then owners of lots in White Oak Bluff Subdivision.

ARTICLE VIII

In the event of a violation or breach of any of the covenants and restrictions herein by any owner or agent thereof, the Association, the owners of other lots, jointly or severally, or the Board of Directors of the Association acting on behalf of such owner or owners, shall have the right to bring an action to compel compliance or to enjoin such violation or breach. In the event the enforcement action should result in a judgment in favor of the owner(s) bringing the same, or in favor of the Association, reasonable attorney's fees and costs shall be recovered in such action. The failure to enforce any right, reservation, restriction or condition contained in the Deed, or in these Restrictive Covenants, as amended, however long continued, shall not be deemed a waiver of the right to do so hereafter as to the same breach or as to a breach occurring prior or subsequent thereto and shall not bar or affect its enforcement.

ARTICLE IX

SEVERABILITY:

BOOK 1360 PAGE 145

The invalidation by any court of any restrictions or obligations contained in this Declaration, as amended, shall in no way affect any other provisions hereof, which shall remain in full force and effect.
