Marana Regional Airport U.S. Marine Memorial Service Postponed Until Further Notice Due to COVID-19

Bill Burk, Commandant of the Nighthawk 72 Marana Detachment #1344 Marine Corps League, announced today that there will not be a Memorial Service at the Marana Regional Airport on Saturday, April 11, 2020 at 10:00AM to honor the 19 U.S. Marines that were tragically killed in an MV-22 Osprey Tilt rotor aircraft accident at the Airport on April 8, 2000.

The hope is that it is postponed rather than cancelled.

Please visit www.FriendsOfNighthawk-72.org or www.Nighthawk72MCL.org for updates.
