

## 2025 Michigan SCTP Championships Pre-Registration Instructions:

1. ALL Pre-Registration documents must be mailed – no drop offs allowed.
2. **Our first announcement instructed coaches to build squads in the SHOT system. This may conflict with your pre-registration squads for nationals, so all squads must be “pre-built” on the attached worksheets to avoid the conflict.**
3. MISCTP will populate the squad assignments based on the order they are received per the postage stamp placed on the envelope by USPS. PLEASE send your completed registration and payment by regular mail with NO signature required. Sending paperwork by a method requiring a signature of receipt may delay your paperwork!
4. **On the squad form, please circle your first choice of shooting date and time on line one, with your first squad name, on the next line enter the same squad name and circle your second choice of shooting date and time, on the third line with the same squad name enter your third choice of shooting date and time. Continue in this manner until all of your squads are entered on the form.**
5. Teams will be able to view their assigned time slots by May 25, before regular registration opens on May 30. Note: Completed form(s) must be sent in with payment by check, forms sent with no payment will result in no squads entered for that team. These payments are non-refundable! If you pay for 15 athletes and only 12 compete, the other 3 athletes' fees are not returned.
