COALITION FOR ACCOUNTABILITY, RESPECT AND EXCELLENCE

Aug 12, 2017

Dear Dr. Clement,

We respectfully submit the following to be considered as questions to be asked of the candidates at the Superintendent Candidate Forums this coming week.

Thank you in advance for your consideration of our questions.

1. How would you improve student achievement? What role should testing play in an improvement plan?
2. What experience have you had and where as a superintendent?
3. How would you move money from the administrative budget into the classroom?
4. What is your strategy to achieve unitary status, in our existing deseg. case?
5. What is your experience in implementing/ working with a federal desegregation order?
6. Provide an example of how you can build consensus when you have a divided board.
7. What do you see as the top 3 things TUSD needs to focus on to raise student enrollment?
8. Of those students who want to attend college, how do you plan to better prepare them for that journey?
9. What is your plan to retain qualified teachers, as a great number of teachers have resigned in the last four years?
10. Would you explain your position on the MAS program and how would you implement same?
11. How do you define accountability and how do you plan to implement accountability at all levels of the TUSD organization?
