# OUR NATIONAL ADVENTURE

Help Pierre the Pelican find his way to New Orleans for the Mardi Gras Parade!

## DID YOU KNOW?

The Louisiana National Guard actively participates in ensuring public safety and security during Mardi Gras celebrations in New Orleans. Specifically, they support security operations, working alongside local and state law enforcement agencies. In 2025, over 300 Guardsmen from various units across Louisiana were deployed by Governor Jeff Landry to help with Mardi Gras security.
