Sharing of information

Information you choose to share with our program may be treated as public information.

Our program uses a third-party analytics provider (such as Google Analytics) to analyze data from cookies. The third-party analytics provider does not receive personally identifiable information through these cookies. We have also limited the provider's ability to see your full IP address.

Within our program we restrict access to personally identifiable information to employees, contractors and vendors. We do not use or share your information for commercial purposes and except as described above, we do not exchange or otherwise disclose this information.

Link to external websites and third-party

Our website may link to other websites created and maintained by other private and/or public organizations and individuals. When you follow a link to an external site you are leaving our

website and are subject to external site's privacy and security policies. Our company does not control or guarantee the accuracy, relevance, timeliness or completeness of information contained on an external site.

Security

Our program takes reasonable precautions to protect our site and information. For example, we restrict access to all personally identifiable information provided by the user. We periodically review our processes and systems to verify compliance with industry best practices and to ensure the highest level of security for our website.

Cookie Policy and other similar tracking technologies (GDPR and non GDPR)

When you visit ARNG CYS we may send cookies or other similar tracking technologies to your computer or to any other device you use. We use cookies and similar tracking technologies to track user's preferences and to know how he uses our services.

A cookie is a file containing an identifier (a string of letters and numbers) that is sent by a web server to a web browser and is stored by the browser. The identifier is then sent back to the server each time the browser requests a page from the server.

For further information visit allaboutcookies.org

Cookies are used for user identification and proper assignment of historical user data collected during previous visits.

Both temporary cookie files (session cookies) and persistent cookies may be used. Users may delete or remove cookies for the browser at any time or block cookies from being installed on its device. However, this may affect the operation of our services or even result in its blocking.

As described above, we use your personal information and data to provide you with targeted information we believe may be of interest to you.

We use Google Analytics to help us understand how our customers use the Site. You can read more about how Google uses your Personal Information here: <https://www.google.com/intl/en/policies/privacy/>. You can also opt-out of Google Analytics here: <https://tools.google.com/dlpage/gaoptout>.
