YELLOW IS THE COLOR OF JOY...

Wow! What a ray of sunshine you are, just like Joy in Pixar's Inside Out. Whenever you walk into the room, the place lights up. You're a smiling, positive, happy bundle of fun energy. Way to go!

MELLOW YELLOW! In America, the color **YELLOW** is associated with warmth, happiness, friendship and fun. That's sounds just like Joy in **INSIDE OUT!**

RED IS THE COLOR OF ANGER...

Whoa! Calm down, calm down... There's no need to be so angry. What's upsetting you? Maybe you need some chill time? Sit back, relax and look at our fun color facts. Maybe that will calm your nerves!

DANGER! DANGER! Colors represent different feelings in different parts of the world. In Western cultures, **RED** often signifies danger – but in Asian cultures it symbolizes joy and prosperity.

BLUE IS THE COLOR OF SADNESS...

Oh no... Are you feeling blue? There's honestly no need to be down in the dumps. For starters, **INSIDE OUT** is about to be released on Blu-Ray and DVD. Bring this perfect Pixar movie into your life and you'll be smiling in no time at all. Whoop!

FEELING BLUE! **BLUE** is the color of the sky and the sea. It's one of the most popular prime colors in the world – but tears on a face are often painted blue in pictures. Boo-hoo for blue!

GREEN IS THE COLOR OF DISGUST...

Yuck, yuck, yuck! You're a bit of a picky person who always voices your opinion... And you do it with style. Broccoli is not your favorite vegetable, but who likes broccoli anyway? It's so green and gross. Blurgh!

GREEN WITH ENVY! The color **GREEN** is often associated with the environment and nature, but people can get green with envy, too. Green is also the color of boogers – and Disgust is not a fan. Yuck!

PURPLE IS THE COLOR OF FEAR...

Eek! What was that? Did you hear that noise? That was scary, right? Just like Fear in **INSIDE OUT**, you're a little scaredy cat – and that's why your color is purple. You're not a fan of creepy creatures or things that go bump in the night.

FEEL THE FEAR! Have you noticed something similar about Disney villains? They often wear black, red or **PURPLE** costumes – or a combination of all three. Just look at The Evil Queen in *Snow White*. Eek!

a broccoli trick

Riley is not a fan of broccoli—Disgust helps her look out for such gross things. Help Disgust by coloring in the spaces that have green dots to see who is playing hide-and-seek among the vegetables.
