1

Download and Print the Teen Resilience Curriculum

The Presenter's Guide and Teen Workbook can be downloaded from the website, along with completion certificates for participants.

2

Get to know the Teen Curriculum

The Teen MRT Curriculum mirrors the MRT training you have been certified in; however, many of the examples and prompts have been updated to be more youth and teen-focused.

3

Presentation of the Information

The verbiage cannot be changed, and the information is proprietary, however, the style in which you present can change. See the website for more ways to present, including virtual engagement and different curriculum styles.

4

The MRT Monthly Report

Keep track of all the youth you present the MRT Curriculum to, ages 11-18, and report them on the monthly report, due with the End of Month Report on the 5th of every month.
