CRYPTOGRAM

A cryptogram is a secret code that reveals a hidden message.

Can you crack the secret message?

The sentence below is a history fact, but it's written in code! Each number stands for a letter. Try to figure out what the message says by matching the numbers to letters (like 1 = W, 20 = Y, 3 and so on).

1 2 3 5 6 7 9 10 11 12 13 14 15 16 17 18 19 20 22 23 24 26
