Dear Landowner:

The Board of Directors of Butte Water District (BWD) gives notice, pursuant to Water Code Section 35450, that the date that applications and payments for water for all crops for the **2019 irrigation season** must be received is **April 30, 2019**. The application for water must specify the crops and acreage of each crop the applicant is intending to irrigate, and shall state the name of the owner, name of tenant, or tenants, acreage and the Assessor's Parcel No. for which water is desired. Applicant should indicate 100% of the lands he or she desires to irrigate. Should no application be made in the proper time and manner for any parcel, the BWD reserves the right not to serve that parcel in 2019. **Applications will not be accepted unless they are completed, and payment is made in full and received by the District by April 30, 2019. An application has been enclosed for your convenience and the current water rates are below. Please mail in your application with payment.**

Thank you for your cooperation.
