CUSTOMER PRICING NOTICE

These policies are set by management. Our team members cannot modify or remove these charges.

- **15% kitchen and service charge will be added to all dine-in, takeout, online pickup, catering, and delivery orders.**

To provide fair wages for our team and maintain consistent service, we use a service-included pricing model.

This replaces traditional gratuity, so no additional tip is necessary

- **A 3% processing fee is applied to credit card transactions**

There is no fee for cash payments

Thank you for your understanding and support
