

BC SPORT CHEER COMPETITIONS

2022

We are proud to offer two events in the 2021-2022 season. The annual Provincial Championships for BC teams and Sunshine Cup open to programs everywhere.

EVENTS

Provincials will be at the PNE Forum in Vancouver on Sunday March 6th 2022.

Sunshine Cup will be at the Rutland Arena in Kelowna on Sunday May 15th 2022.

DETAILS

These non-profit events are where the sport comes first. Provincial Health Orders will be followed and as these adapt quickly, we will send out the impact starting after early registration. Warm-up will include ample space to tumble and jump with a full sprung floor. There will be a full sprung competition floor with full lights and sound as your team competes to be a Champion! All athletes and coaches will receive a gift with the winning teams receiving a banner.

The Provincial Championship will be offering all novice, prep all-star and scholastic team divisions. Specialty divisions included are group stunt and partner stunt only. Sunshine Cup will be offering all of the above in addition to Individual and Duos. The IASF safety rules will apply to all-star while the Cheer Canada rules will apply for scholastic teams.

DEADLINES

Provincials registration deadlines (with payment) are Dec 15 for early, Jan 15 for on time and final deadline Feb 9. The final deadline will allow our schedule to be out in a timely fashion.

Sunshine Cup registration deadlines (with payment) are Jan 15 for early, March 15 for on time and final deadline April 15.
