- Athlete must be registered to compete at the BC Provincial Championships in 2024 (either as a team or in a group or partner stunt)

High Performance Pathway - Provincial Designation Co Ed

The following skills will be used by BC Sport Cheer evaluators to identify High Performance Athletes in BC. The progressions listed below are skills necessary to compete at the highest level of Cheerleading, and necessary to move from the Provincial Level, to Canadian Developmental or Canadian Elite designation.

Coed Style Group Stunt

Athletes will be required to perform all skills within a base group (of 3). All basket requirements can add an additional base and front spot of their choice. All basket and stunt sequence skills must be performed. For additional requirements, athletes may select the tumbling OR the stunting skills (not a combination of both). Please see the FAQs documents regarding use of spotters.

HOW TO APPLY

New Athletes: If you or ANY member of your group is NOT currently designated as a high Performance athlete, you will be evaluated by a live. zoom assessment. During this 15 minute assessment, all skills must be performed in order (Baskets, Stunt Sequence, followed by Additional Skills).

Please use this link: <https://forms.gle/YZ4UWWTvHjLpfExd7> to register by March 15, 2024.

Please only submit one form per group and a coach evaluator will reach out to schedule your zoom assessment sometime in March 2024.

Note: it is possible for not all participants to receive designation within a group. If not all athletes perform the tumbling requirements, or are unable to satisfy the additional stunting requirements—one or more members may NOT be selected. In addition, coach evaluators may determine that the execution of skills performed does not meet the Provincial Standard.

Successful applicants will be notified in April 2024.
