# OUR STORY

My story is like that of many that grew up in rural America. I started hunting and fishing before I can remember. I fished and hunted in every lake; pond; woodland; field; and row crop boundary that made up our home in Central Missouri. My parents had wanderlust for travel and before I was an adult, I had traveled, hunted, and fished most of the world. From fishing the remote jungles of Colombia and Brazil, to the mountain streams in the Argentine Andes, we experienced the world. I was even able to kill not one, but two elephants in old Rhodesia and take a Cape Buffalo and plains game. In those days, we were charged by so many Black Rhinos we would lose count daily.

After graduating from Westminster college with a BA in business and finance, myself and some college buddies took a “what is life about trip” to southern Louisiana. We purchased a small box freezer full of shrimp to help pay for our trip and for my father, who owned a large restaurant. After making a very profitable trip with that first load of seafood (not to mention the adventure), my future was set on a different path. Safari Unlimited was founded in 1986 when I announced to my mother’s despair that I would not be attending Pepperdine Law School in the fall, but instead starting a business in Seafood & Hunting. As a trained chef, the first few years concentrated more on the seafood end of things, along with alligator hunts in Louisiana and whitetail in Missouri. Married in 1990 to my lovely wife Sarah, we were soon concentrating just on hunting and fishing. From Australia, fishing the barrier reef for Black Marlin, to Zimbabwe, camped out on Leopard baits we continue our love for adventure travel.

Over the last 30 years, we have expanded our business to several areas of the world. “Experience the world one adventure at a time” is our tagline and based on the principle that every trip is an adventure and the client experience paramount to our success. Our company is a leader in supporting hunting and fishing conservation. We donate over \$350,000 annually to conservation efforts worldwide. Our family, Drake, Sarah, Michael, Karlin, Nicole, and Hunter- along with our Chief Operations Officer Cole Branson, ProStaff Guides and Outfitters welcome you to experience the world with us! Our family has only one question for you: Can You Handle the Adventure?

# AFRICAN CLASSIC SAFARI

Safari Unlimited invites you to the wilds of Namibia. Nestled near the Caprivi Strip, Eldoret Safaris' vast properties border the unfenced Bushman tribal lands that contain several different ecosystems. This is a classic African "on foot" plains game safari behind bushmen trackers. Most days will result in slow tracking 6-12 miles, but nothing quite matches the excitement of tracking a free ranging Eland, Kudu or bull Giraffe. Every evening, fresh game tenderloin along with local favorites and a cold Windhoek lager await your return. After a successful hunt, you will travel a short two hours to spend the next few nights on the banks of the Okavango River. You'll be comfortable in our well-appointed bungalows with open air brie's during your river adventure. You'll spend two days fishing for the mighty tiger fish along with many other unusual fish. Making up the border of southern Angola and North East Namibia Hippos, crocs and massive amounts of bird life call this river home. This adventure is a rare treat of unspoiled Africa in one of the safest countries on the continent.

# LOUISIANA GARFISH & HOG

Safari Unlimited is excited to present a unique fishing trip for the massive and prehistoric alligator gar. Capable of reaching in excess of 300 pounds, these creatures patrol the swamps and bayous of South Louisiana in search of schools of fish. Sometimes traveling in large groups, they will slash through bait fish turning and picking off all the wounded and dazed prey. Your adventure will include setting jug-lines with fresh bait each evening only to return to the same waters in the morning searching for bobbing and moving jugs. Similar to a jaws movie, chasing the disappearing jugs as they appear, and in a fleeting moment, gone again. Once captured, you will fight your quarry to the boat-side and dispatch the fish beast in a variety of methods from a ball bat to pistol. Catching a true trophy over 100 pounds is a regular occurrence. In addition to garfish, reel in a few Redfish and abundant catfish right from the dock. If this isn't enough excitement, you will also be hunting the wary swamp hogs that penetrate into our swamps. Hunts are conducted both at night and during the day and multiple pigs can be shot on this hunt. This is an all inclusive 4 day 3 night event.
