

Samburu & Mara Safari (7 Days)

The journey begins in Kenyan Capital, Nairobi before flying north to Samburu Nairobi Reserve, which is home to several large mammal species found in Kenya's northern plains, including long-necked gerenuk, Grevy's zebra, beisa oryx, reticulated giraffe, and magnificent herds of elephant. Spend two nights here, exploring the semi-arid landscapes on bush walks and game drives.

The next three nights are spent in the outstanding wildlife-rich Masai Mara National Reserve, which has over 450 bird species recorded. Aside from the fantastic birdlife, you may also see the Mara's dominant predators - lion, leopard, and cheetah - as well as their prey: Thomson's and Grant's gazelle, topi, and eland.
