Isn't it true that we must first have an adequate experience of God's love to prepare us for an adequate expression of His love? 1 John 4:19

“Learning how to receive and experience God’s relentless pursuing love is the greatest life-transforming truth we can embrace.” ~ Donald Campbell, Operation 220 Executive Director, Plano, Texas

Bridal Grace is my term for community built around more deeply experiencing Christ's pure, eternal, cherishing love for you, His bride, and learning to walk in our identity in Christ. This relationship is an astounding expression of God's multifaceted grace toward the believer.

There are two books written by Kim K. Francis that address this pursuing, cherishing relationship between Christ and His bride alongside the New Covenant fulfillment of that relationship.

Kim’s Workbook is [His Banner Over Me Is Pursuing Love](#), by Kim K. Francis © 2017, available on Amazon [here](#) or Kim's website [here](#).

The companion Devotional is [Fifty Days In His Pursuing Love](#) ©2019. Available on Amazon [here](#) or Kim’s website [here](#).

Each is stand-alone worthy.

There are some options available to you whether you live in the Dallas-Ft. Worth area or you live somewhere else.

- You are invited to an in-depth study of the Workbook in an interactive small group including both men and women. This group meets in Arlington, Texas on Mondays 6:30-8 p.m. Sept 16-Dec 9
- If you are not able to attend, how about forming and leading your own group or just sharing with a friend locally? There is a leader’s guide in the back and you could grow in this together.
- If you’d like to start smaller, the Devotional is a rich 50-day adventure useful for individual or small group study.
- On top of all that, Shepherd’s Call is offering a private Facebook group called [Bridal Grace](#) for anyone interested in reading and sharing the content of either of Kim K. Francis’ books. That means people will be posting from the Devotional and from the Workbook. We will have a suggested reading schedule for each but no “meetings”, just sharing in online community. This is available with any of the above options.
