### TARWF Goals

**Connect** with our members and community so that we may

**Communicate** the current political process, government issues of today and the principles of our chosen political leaders.

We **Contribute** our time, talents and resources to become involved in lobbying for good government for all and promoting the Republican Party.

## What does it mean to be part of the Federation of Republican Women?

You belong to a large network of Republican women Leaders and Activists across the country.

By joining TARWF, you may participate in the political process at the grassroots level and network with other like-minded women in your community to empower more Republican women in that process. Thereby, making it possible for more women to become both party and public office leaders.

As a member of TARWF, you are automatically a member of the California Federation of Republican Women (CFRW) as well as the National Federation of Republican Women (NFRW).

You will receive frequent Legislative updates from CFRW's Legislative Analysts, invitations to attend the CFRW Distinguished Speaker events presented via Zoom and have the opportunity to attend semi annual CFRW Conferences.

You may establish long term relationships with others that support and nurture your core values with mutual respect and friendship.
