Program Report

Election season is in full swing now with all the Candidates vying for public office in Orange County having to had filled their intention to do so in March. We should congratulate our **Orange County Sheriff, Don Barnes** and our **Orange County**

Treasurer, Shari Freidenrich both of whom had no other candidates file to run against them, thereby winning their respective seats! The same is true for **Assemblyman Phillip Chen** in the 55th Assembly District. Having those seats securely Republican frees up time and resources for other more challenged races.

We will be concentrating on introducing you to the Candidates over the next several meetings. This month the **candidates for the 40th Congressional district** will be featured, **Congresswoman Young Kim, Colonel Greg Raths and Nick Taurus** will be introduced to you. We will also have our **State Assemblymember Dr Steven Choi**, whose district has been reconfigured, here to speak to you regarding his challenges for re-election.

I urge you all to get behind one of these candidates with your support. They will all need hands, feet, (meaning volunteers) and **cash**, as the unfortunate reality of running for political office in a media market like Orange County is that media advertising is expensive. The Democrats have out spent us 5-6 times to 1 in past elections. But if we can mobilize all our volunteers to contact 5 of their neighbors or walk their own block or even walk their own precinct, we can make a difference. You can do as much or as little as you are available, but I believe everyone can do something this election. Our Party is committed to winning more Republican seats and with us all working together that can be a reality.

Next month we will continue with introducing you to the Republican Candidates for Statewide offices. Looking forward to seeing you all then on April 29th!

Linda Barcelona, 1st VP Programs, Tustin Area RWF

Ways and Means Report

NO CONTEST!!

That's right, we are *NOT* having an Easter Bonnet

contest this year...but we'd still love you to wear those hats. So, let's dress up the audience with anything you'd like to put on your head be it last year's entry or this year's brand new.

Just a few other items:

- Artisan Fair for the month of May – if you *are* someone or *know* someone who makes hand crafts items, please send them our way. There are still some spots open.
-
- May will be our final meeting before we break for the summer. Invite a friend to see how much fun we are and have them join when we start back up. Going into the holidays is always a treat at TARWF.
-
- At the May meeting you will find suggestion cards on your table. Be thinking about what you'd like to see in the future: give aways, contests, fashion shows or other FUN or FUNdraising activities. We'd love to hear from you.

Any immediate questions or suggestions,

I'm all ears and would love to hear from you

Some of you may not be aware but **Thorman Elementary School and Currie Middle School** (at 1402 Sycamore Ave in Tustin) have been closed and are now Sycamore Magnet Academy, teaching TK-grades 8. Before the names of Thorman and Currie fade into dust, we thought we'd let you know who the schools were named after

Jeane Thorman- Jeane Thorman Elementary

Jeane Cornelius Thorman was born in Missouri in 1905 and moved to San Diego, California. In July 1928, a well known and popular young man from Tustin, Albert Thorman, quietly married his bride, Jean Cornelius in a small ceremony in Glendale, California.

The couple returned from their honeymoon and settled on Albert's ranch on Main Street in Tustin. The couple raised two sons, Richard "Douglas" and Philip Owen Thorman. Jeane was the Executive Secretary to the Superintendent of Schools in the Tustin Unified School District for 17 years. She was the President of the Tustin Grammar School PTA, a member of First Presbyterian Church, a bridge and book club member, the Santa Ana American Legion, and member of the Republican Party. When Thorman

Elementary School was built in 1972, at the same time as Currie Middle School, she was very proud of what she called "her school". Jeane moved to Irvine after Albert died in 1978. Jean passed away on 25 March 1999 and is buried in Fairhaven Memorial Park in Santa Ana, California.

Arch Currie- A.G. Currie Middle School

Archibald Gilles Currie was born in Bemidji, Minnesota on 1 November 1902 and moved to Tustin, California in 1954 at the request of a friend and former Bemidji neighbor, Superintendent W.R. Nelson. He became a teacher and later principal at Mildred Morrow Elementary School. In 1956, he moved into the Tustin Unified District offices, as an assistant superintendent and business manager. He remained in that position until 1972 when he was promoted to Deputy Superintendent. He was especially honored to have Currie Middle School named in his honor when the school was dedicated on 2 March 1973. Arch and his wife Lillian raised two daughters, Mary and Margaret in their house on Laurie Lane. He was actively involved as the past Master of the Masonic Lodge, the Tustin Presbyterian Church and the Republican Party. Arch Currie died in November 1979, following a surgery. He is buried in Bemidji, Minnesota.

March was Woman in History Month and we'd like you to know about Tustin's first female City Council Member! If you asked most Tustin residents who that was, most would respond with Ursula Kennedy. While Ms. Kennedy was Tustin's first elected City Council member, she was not the first female City Council member in our history. The first female City Council member was Patricia Sutcliff!

Patricia Sutcliff is a Tustin Woman of History.

Patricia moved here in 1972 with her husband Richard and their five children, Scott, Ken, Todd, Mark and Keri. The children attended Red Hill Lutheran School. At the time of her appointment to the Planning Commission, Patricia was employed by the Providence Speech and Learning Center, having received her degree in speech, with studies in history, Spanish, and drama from Chapman University.

When City Council Member Joe Langley resigned from the council in January 1975, Mayor Don Saltarelli, Agnes Bacon and Art Charleston asked Patricia to apply for the vacant position. She was one of six applicants and was selected to become Tustin's first female City Council member!

Shortly before her term was about to expire in March 1976, Patricia announced she would not be a candidate for re-election. Her five young children, their activities at school and in Little League, as well as her own commitments, were where her focus needed to be.

Later, her career would change to distribution manager of the Orange County Register and her husband, Robert Ferreira owned several

Imaginarium Toy Stores. Patricia still resides in Old Town Tustin in a Colonial Revival home that was built by Ray Auger, one-time owner of the Tustin Hardware Store.

PFC Allen Jacques DuRoy

Private First Class,
United States Army
101st Airborne Division, 2nd Battalion, 327th Infantry, D Company
Born 1 December 1948
Killed While Serving 18 April 1971
Thua Thien, Vietnam

Allen Jacques DuRoy was the second child and only son of Jacques and Ruth Jenkins DuRoy. He was born December 1, 1948 in Flint, Michigan. The family, along with his older sister Kay, moved to California in 1954 living in Garden Grove, Northern California, Santa Ana and eventually moved to Williams Street in Tustin in 1964. Allen had a lot of nicknames, starting as Skipper, then Skip, then Allen as a grown up 8 year old.

Al, as he was now called in high school, had been attending Santa Ana Valley High school when the family moved to Tustin. He decided to stay at Valley High. Al was quiet, liked school and was described as studious. A classmate from his graduating class of 1967 wrote that Al was a lot of fun and made going to school fun. Al could be seen driving around town in his 1957 turquoise and white Chevy. His sister shared that at age 16-17, Al was caught speeding his Chevy on Main Street by the Tustin Police. He was feisty and fought the ticket, explaining that all the other cars were driving the same speed and he was targeted because of his age. The judge overturned the ticket! After high school he worked for Southern California Edison and attended Santa Ana College. During his college time, Al stopped for a semester to marry his high school sweetheart, Mary Sparks on May 17, 1969. Mary and Al lived in an apartment down the street from his parents on Williams Street. His sister Kay said they were completely devoted to each other.

While on his break from college, Al was drafted into the United States Army, completing his military training at Fort Bragg. Allen found that he really enjoyed the military and talked about making it a career. His father Jacques had been a Navy veteran during WWII and grandfather Herbert, an Army veteran during WWI in France.

Allen's tour of duty in Vietnam began on October 23rd, 1970. Six months later, while on night patrol on April 18, 1971, PFC Allen J DuRoy stepped on an American land mine and was killed while serving his country. He was the last of the Tustin Soldiers to die in the line of duty. He was just 22 years old.

Allen loved the ocean and would go there for hours to enjoy the peace. He is buried at Pacific View Memorial Park in Newport Beach, overlooking his beloved ocean.

TARWF President Sheryl Franke and past president Linda Barcelona with OC DA Todd Spitzer.

TARWF members Linda Barcelona, Sheryl Franke, Pamla Manazer and Noel Parrish attended California College Republicans Back the Blue event.

We wanted to reach out and say thank you, truly, for attending and supporting our Back the Blue event. Thanks to you, we had a hugely successful night!

We raised \$15,000 for DA Todd Spitzer and \$19,000 for the College Republicans.

With this, we can make a dent in George Soros and Pete Hardin's efforts to make OC unsafe, and we can re-elect our great DA. No LA in OC!

And, we can pay for our annual College Republican convention, tabling supplies for our chapters, and other resources as necessary to fight the Left on our campuses and in our communities. This will serve to build, support, and motivate one of the Party's most important volunteer sources.

This is all possible thanks to you. You made this happen!

But our work is not over — now we have to fight to win in November!! And we can do that with some hard work. We look forward to deploying for many of our great candidates over the coming weeks and months.

For Liberty,

The California College Republicans (CCR)
