### TARWF Co-Presidents Message

May 2019

What a huge success to have been able to see Lieutenant Colonel “Buzz” Patterson, retired Air Force. He was captivating with his words of wisdom and his testimony of so many inspiring accomplishments that allowed us a glimpse into the courageous journey in his life. As always, we enjoyed being together with you all not only to hear our speakers...but also to just be together and share life, family & politics.

We just witnessed our esteemed AG William Barr stand firm and be unflappable amidst a grilling day of questioning, insults and slander from the opposition party. Mitch McConnell declared on 5-7 that the **Case is Closed**. Our opposition ...the resistance, will just keep coming at us with anything and all they can to invalidate our President and his 2016 win. Again, we will not lose Heart! We Patriots will remain hopeful, prayerful, faithful and vigilant as we know we are on the RIGHT side and uphold the rights guaranteed wherein by our great Constitution.

We have Two exciting events coming up for you to consider being involved. We have our upcoming **May 31<sup>st</sup> General** meeting where we will have the privilege of hearing Susan Shelley who is a VP for the Howard Jarvis Taxpayers Association, and she has written the book ‘**How Trump Won**’.

Susan is a dynamic speaker and it will be not only terrific to hear her speak live, but also be helpful for us to glean HOW he won and DUPLICATE the key factors to win in 2020.

We also have our **Chili Cook-off on Sunday June 2<sup>nd</sup>**. This is one of our biggest opportunities for TARWF 'grassroots' outreach to garner new membership in our club. We not only "touch them with our positive joyful message of conservatism... we also get to 'model' the benefits of being a Republican...they can witness what we stand for and hold dear. Carlene Cunningham and her husband Doug do a spectacular job of setting us up. Thousands of people converge on the Old Tustin streets every year to taste and partake of the chili, hear the live bands and visit all the booths. Carlene displays the famous President Trump and Melania poster that always gets a big draw...and she also creates great surveys to draw in the 'folks' to engage with us. We invite you to sign up to work at the booth and experience it for yourself. **ITS FUN! FUN! FUN! Come join us!**

Remember it is our goal and mission to help you become a more informed voter, help out at local elections with calls, and this includes participating where appropriate for your skills, and talents and abilities, e.g. Phone calling, precinct walking, or stuffing letters in envelopes for candidates at our OCGOP office. (see back of Roster)

We look forward to seeing you all at our next Lunch meeting on **Friday, May 31<sup>st</sup> with Susan Shelley** ...doors open at **10:30 am.**

Warmest Regards, Judy & Pat

**IMPORTANT MESSAGE FROM CARLENE CUNNINGHAM,  
YOUR VOTER REGISTRATION CHAIR**

**Volunteer** for our fabulous **TUSTIN STREET FAIR & CHILI COOK-OFF** on **Sunday, June 2, 2019**. We need two people per time slot and the sign-up times are as follows:

Set-up 8 to 9:30 am; 10:30 am to 12 noon; 11 am to 1 pm; 12noon to 2 pm; 1 pm to 3 pm; 2 pm to 4 pm; 3 pm to 5 pm; and 5 pm to breakdown.

This is the 35th annual Tustin Street Fair & Chili Cook-Off held in Old Town Tustin and the hours are from 11 am to 6 pm. The time slots are mostly two hour shifts. **If you would like to volunteer, please call me at home (714) 368-0786, cell (714) 785-0280, or email me at shemmie@aol.com.** If you volunteer (**please do**), I will send out a schedule, booth number and location, parking information, and other pertinent info. Any questions, just ask me!

In past years, our booth has been on El Camino Real Street in Tustin. Our booth will have TARWF club information, GOP information, and Voter Registration forms (guide sheets will be available). Hopefully several candidates will stop by our booth. I will be in the booth all day to assist. President Donald Trump and First Lady Melania Trump will also be at the booth (unfortunately cardboard cutouts only). They still attract much attention. Remember our California primary election is on Tuesday, March 3, 2020.

In 2017 attendance at the Tustin Chili Cook-Off was 35,000. And the event has only grown in size. This is a **HUGE** opportunity for our club and with **your assistance** we hope to register voters and re-register no party preference voters, independents, and democrats as Republicans. With all the radical ideas coming from the left, this is a great opportunity to change hearts and minds. There are 1.59 million registered voters in Orange County: 34% are Republican; 33% are democrat; and 28.5% are no party preference. If we can't get them to re-register, we can give them information to read and rethink their positions.

With your help, let's **GO FORTH AND BE BOLD.**  
Adorably Deplorable,  
Carlene Cunningham  
Voter Registration Chair

Happy June to all TARWF Members...!!! Hope everyone had a very Happy Easter and a wonderful Mother's Day...!!!

Please welcome our New Members:

**THIS IS INCREDIBLY WELL-PUT, AND I CAN HARDLY BELIEVE IT'S WRITTEN BY  
A STUDENT!!! WHATEVER HE RUNS FOR, I'LL VOTE FOR HIM.**

Dear American liberals, leftists, social progressives, socialists, Marxists, and Obama supporters, et al:

We have stuck together since the late 1950s for the sake of the kids, but the whole of this latest election process has made me realize that I want a divorce. I know we tolerated each other for many years for the sake of future generations, but sadly, this relationship has clearly run its course.

Our two ideological sides of America cannot and will not ever agree on what is right for us all, so let's just end it on friendly terms. We can smile and chalk it up to irreconcilable differences and go our own way.

Here is our separation agreement:

Our two groups can equitably divide up the country by land mass, each taking a similar portion. That will be the difficult part, but I am sure our two sides can come to a friendly agreement. After that, it should be relatively easy! Our respective representatives can effortlessly divide other assets, since both sides have such distinct and disparate tastes.

--We don't like redistributive taxes, so you can keep them.

--You are welcome to the liberal judges and the ACLU.

--Since you hate guns and war, we'll take our firearms, the cops, the NRA, and the military.

--We'll take the nasty, smelly oil industry and the coal mines, and you can go with wind, solar, and bio-diesel.

--You can keep Oprah, Whoopi, Bill Maher, Michael Moore and Rosie O'Donnell. You are, however, responsible for finding a bio-diesel vehicle big enough to move all five of them.

--We'll keep capitalism, greedy corporations, pharmaceutical companies, Wal-Mart, and Wall Street.

--You can have your beloved lifelong welfare dwellers, food stamps, homeless, homeboys, hippies, druggies, and illegal aliens.

--We'll keep the hot Alaskan hockey moms, greedy CEOs, and rednecks.

--We'll keep Bill O'Reilly and Bibles and give you NBC and Hollywood.

--You can make nice with Iran and Palestine and we'll retain the right to invade and hammer places that threaten us.

--You can have the peaceniks and war protesters.

--When our allies or our way of life are under assault, we'll help provide them security.

--We'll keep our Judeo-Christian values.

--You are welcome to Islam, Scientology, Humanism, political correctness, and Shirley McLaine. You can also have the UN., but we will no longer be paying the bill.

--We'll keep the SUVs, pickup trucks, and oversized luxury cars. You can take every Volt and Leaf you can find.

--You can give everyone health care if you can find any practicing doctors.

--We'll keep "The Battle Hymn of the Republic" and "The National Anthem."

--I'm sure you'll be happy to substitute "Imagine," "I'd Like to Teach the World to Sing," "Kum Baya," or "We Are the World."

--We'll practice trickle-down economics and you can continue to give trickle-up poverty your best shot.

--Since it often so offends you, we'll keep our history, our name, and our flag.

Would you agree to this? If so, please pass it along to other like-minded liberal and conservative patriots. In the spirit of friendly parting, I'll bet you might think about which one of us will need whose help in 15 years.

Sincerely,

John J. Wall

Law Student and an American

P.S. Also, please take George Clooney, Ted Turner, Sean Penn, Martin Short, Charlie Sheen, Barbra Streisand, and (Hanoi) Jane Fonda with you.

P.P.S. And you won't have to press 1 for English when you call our country

### Subject: Another great teacher

In September of 2005, on the first day of school, Martha Cothren, a History teacher at Robinson High School in Little Rock, did something not to be forgotten. On the first day of school, with the permission of the school superintendent, the principal and the building supervisor, she removed all of the desks in her classroom. When the first period kids entered the room they discovered that there were no desks. 'Ms. Cothren, where are our desks?'

She replied, 'You can't have a desk until you tell me how you earn the right to sit at a desk.' They thought, 'Well, maybe it's our grades.' 'No,' she said. 'Maybe it's our behavior.' She told them, 'No, it's not even your behavior.'

And so, they came and went, the first period, second period, third period. Still no desks in the classroom. Kids called their parents to tell them what was happening and by early afternoon television news crews had started gathering at the school to report about this crazy teacher who had taken all the desks out of her room.

The final period of the day came and as the puzzled students found seats on the floor of the desk-less classroom. Martha Cothren said, 'Throughout the day no one has been able to tell me just what he or she has done to earn the right to sit at the desks that are ordinarily found in this classroom. Now I am going to tell you.'

At this point, Martha Cothren went over to the door of her classroom and opened it. Twenty-seven (27) U.S. Veterans, all in uniform, walked into that classroom, each one carrying a school desk. The Vets began placing the school desks in rows, and then they would walk over and stand alongside the wall. By the time the last soldier had set the final desk in place those kids started to understand, perhaps for the first time in their lives, just how the right to sit at those desks had been earned.

Martha said, 'You didn't earn the right to sit at these desks. These heroes did

it for you. They placed the desks here for you. They went halfway around the world, giving up their education and interrupting their careers and families so you could have the freedom you have. Now, it's up to you to sit in them. It is your responsibility to learn, to be good students, to be good citizens. They paid the price so that you could have the freedom to get an education. Don't ever forget it.'

By the way, this is a true story. And this teacher was awarded the Veterans of Foreign Wars Teacher of the Year for the State of Arkansas in 2006. She is the daughter of a WWII POW.
