## November 2019 Newsletter

### TARWF Co-Presidents Message November, 2019

We enjoyed being with you all at our **October 25<sup>th</sup> General with Craig Huey**. He was not only informative but also lively and contagiously spirited as he dashed around the room with the 'Mic' presenting facts and solutions as to how we can regain Integrity in our future Elections. He especially addressed how 'Ballot Harvesting' lead to our unsuspected Congressional seat losses in Orange County in 2018 ...and he generously provided facts via email & handouts so we can learn what will be needed to be more effective to win in 2020.

This month we are rolling out our **2020 Membership Renewal program** and you will all be receiving mail from your **Membership Team, Linette Johnston, Angela Stephens and Gretchen Whisler**. The mailing will be sent to you around mid-November, so please be on the lookout ☺ and **please place your TARWF mail on high value and return your Membership Form and check ...hopefully by Thanksgiving**.

We announced at our last meeting that we need to let you know that there will be a necessary dues increase for our yearly TARWF membership. **Starting this October, we will need to raise our annual membership dues for the year 2020 to \$40**. We have endeavored to keep our dues low and have maintained the same dollar amount for many years. To put this in perspective, this increase in dues amounts to about \$3.40 a month - less than one gallon of gasoline. We have been so very fortunate over the past few years because you have been so considerate and responded so promptly by returning your **Membership renewal checks and completed Forms** by December. This response gives us a chance to have our treasury be fully funded and

thus we can be ready to “hit the street running’ by January 1<sup>st</sup> and plan our key activities and speakers for the upcoming 2020 year. This 2020 Presidential election year promises to be a crucial one like none in our lifetime.

We look forward to seeing you all at our Christmas Luncheon event on **December 6<sup>th</sup>** where **Reverend Jesse Lee Peterson will be our speaker.** We will also host several of our favorite vendors to provide opportunity for us all to do some early **Christmas & Hanukkah Shopping.** 😊

See you all then...and May God Bless us all!

Warmest Regards,

Judy & Pat

#### FEDERATION OF REPUBLICAN WOMEN HISTORY

The Federation of Republican Women is the largest and most active volunteer political organization in the history of the United States.

Although women in California have had the right to vote since 1911, it was following the ratification of the 19th Amendment in 1920, granting equal suffrage, that the women of Southern California became active in their interest in good government. In 1923 Mrs. Florence Porter organized them into the Los Angeles Republican Study Club. This Study Club became so effective that it became a model for other cities.

After serving as an Associate Member of the Republican National Committee, and, in 1924, seconding the nomination of Calvin Coolidge for President, Mrs. Porter continued her efforts. In January of 1925 three women issued a call to women of various clubs in Southern California, and to prominent women in San Francisco and Berkeley, to attend a meeting at the Alexandria Hotel in Los Angeles. At this meeting an organization was formed, to be known as the California Federation of Republican Women (CFRW).

Mrs. Porter was chosen as President of Southern Division and Mrs. Parker Maddux of San Francisco as President of Northern Division.

In 1937-38 Central Division was formed. At the 1938 biennial convention, it was voted to join the newly organized National Federation of Women's Clubs under the name of the California Council of Republican Women. In 1954, National became the National Federation of Republican Women (NFRW) and our State organization again became known as the California Federation of Republican Women (CFRW).

*Southern Division, Guide for Republican Women, Rev. 2012*

A FEDERATED WOMAN

Charlotte Mousel, a dearly loved and respected Past President of CFRW Southern Division as well as a State and National President, symbolizes, with the words that she wrote, what we, as Republican Women, respect and feel. Charlotte exemplifies the dedication and commitment of Federated Women. Federation Women give freely of their "time and treasure" to support the ideals and values of Republican traditions. Within the Federation, we continue to debate all sides of issues in a free and open forum. The history surrounding the Republican Party from its birth under the tenure of Abraham Lincoln and its growth through many of our country's greatest Presidents can be seen expressed in our activities and involvements.

Blessed is she who stands firmly for good government, for she shall be **needed**.  
Blessed is she who works steadily for her nation, for she shall be **happy**.  
Blessed is she who believes in the cause she serves, for she shall be **respected**.  
Blessed is she who give credit to her helpers, for she shall be **successful**.  
Blessed is she who has faith in her fellow man, for she shall be **justified**.  
Blessed is she who, when others criticize her, and say all manner of evil about her,  
has the **strength of character** to forgive,  
the **strength of purpose** to carry on,  
and the **strength of body** to continue.  
For She Shall Be Called a **Leader in the Federation of Republican Women**.

**REPUBLICAN PARTY**  
OF ORANGE COUNTY

**“Today’s ruling is a victory for every California voter.”**

**This decision solidifies the California State Constitutional provisions to place candidates on the ballot, and the important fact that the legislature may not place additional restrictions on those requirements.”**

**CALIFORNIA SUPREME COURT  
RULING ON SENATE BILL 27**

**BREAKING:**

## **Republicans Win in Court - Trump will be on the Ballot**

### **Orange County Republicans -**

Out of control Sacramento Democrats passed and Governor Newsom signed Senate Bill 27 to keep President Trump off your ballot in 2020.

California Republican Party Chairwoman Jessica Millan Patterson and the California Republican Party took the Democrats to court for your right to vote for President Trump - and today Republicans won!

The California Supreme Court voted unanimously against the Democrats' stunt and President Trump will appear on your ballot in March.

We finally have a President  
*who is not afraid*  
to say the two words liberals hate

Merry  
Christmas
