

Tustin Area Republican Women Federated

August 2024 Newsletter

President's Report

Dear TARWF Members,

We have been working hard all summer to attract new members and prepare for the Presidential election.

Our new member outreach team has contacted over 350 hard R Republican women by sharing information about TARWF and inviting them to find out more about us by visiting our TARWF.org website, joining us for happy hour and by making plans to attend our September 27th candidate forum. We had potential members join us for our Happy Hours and expect at least a dozen prospects to join us for our September candidate forum. Thank you to our members who have assisted in the new member outreach effort, we appreciate you!

Thank you to Blondies Style and Studio 17 Salon and Day Spa for donating a total of \$230 to our Young America Foundation fund. We thank these local business owners for their support. Blondies Style will be hosting a membership/fundraising/meet and greet TARWF event on September 17th. More information will be coming to you soon about this exciting event!

Our summer ASK fundraising project is now underway. Please see the article in this newsletter for more information. TARWF makes every dollar count in our commitment to EDUCATE our members, ENGAGE them in the political process and support the ELECTION of Republicans. Please help us continue our important work towards

these goals.

Our next General Meeting is Friday, September 27th and will feature a candidate forum. Mark your calendar to attend, bring a friend and your questions!

The Tustin Tiller Days event takes place **October 4, 5 & 6**. We look forward to having local candidates and our members working at the TARWF booth all three days. TARWF Community Outreach Chair Becky Grimes is in charge, contact her at ppprebecca@sbcglobal.net to find out more and sign up to volunteer.

We are looking forward to seeing all of our members at the TARWF candidate forum in September.

Program Report

It is unbelievable to me how much has happened since we last met. I'm sure I don't need to re-cap the events of the last few weeks of a rollercoaster ride, that most of you have been glued to media updates. A crazy debate, a near assigation, a cover up, new candidates to learn about..... I have felt lately like we are watching puppets of some weirdly scripted show. The smirks of newscasters that spout off on things they have no real knowledge of, and they don't seem to have the curiosity to ask real questions or find the real answers. Or maybe they are lazy. What is curious to me is the attempt at gas lighting on issues when there is a video record of statements or events readily available. Does the media really think the public is as lazy as they are, or that we're just really that easy to manipulate. I don't know but I challenge all of you TARWF members, don't get all your information from one outlet. Find multiple outlets you like and trust, you don't have to agree with everything they say. That's probably an indicator that they are more unbiased. Our Republic (yes, we are a Constitutional Republic, not a Democracy as the left continues to say that President Trump is a threat to) cannot prevail if we do not have a free and HONEST

media or press that is unafraid to ask questions and relay that information to us.

If you have yet to become engaged in the effort to elect our Republican candidates, now is the time to do so. Call our local OCGOP, 714-453-0900 and ask what you can do to help. The headquarters are very close for most of you, near the corner of Redhill and Edinger. Or volunteer for one of our local candidates specifically. You can concentrate on your own neighborhood, make calls, stuff envelopes.....everybody can do something to help.

When we meet again in September we will be hosting a Candidate Forum of our local candidates. I have now met all of them and I am very impressed with the grassroots efforts that have inspired these folks to run for office. I will give you a full list of those candidates in our next newsletter.

Fundraising Report

Looking forward...

As we wind down during the last months of summer, it's become our tradition in August to redouble our fundraising efforts for 2024. Included in this newsletter is our Summer ASK outreach letter. President Trump has been saying, "Anything you can donate will help" and we are no different. Your generosity combined with the expanding membership of the club will help put us in an excellent position to keep our current commitments and showcase our own ongoing generosity. Thank you in advance.

In addition, we will continue with our opportunity drawings at each luncheon for \$50.00 gift cards. October will be our traditional Scoop the Season vendor fair and a great cooking class at Barbara George's home.

There might be a few surprises for December so we can finish as strong as possible.

We are still getting contacted from Chili Cook Off connections made that day. Happy Hour once again is turning out to be a great showcase for potential members to "check us out."

As I said last month, it is not just the weather that is heating up. People are looking for ways to get involved and make a difference. Please be armed with an invitation to join us for Happy Hour or as we get closer to September to come to our meeting on the last Friday of the month. People just don't know we exist so let's try to get back to pre-covid numbers.

And finally, if you have any interest in helping with or chairing the Fundraising spot next year, please reach out! We have a lot of help but need a chair to head up the fun! If you have questions about any of this feel free to reach out to me. I have many answers! One of them could be yours. Thank you for all you are already doing, just...

DON'T STOP NOW!

Dear TARWF Member,

As of the writing of this letter there are less than one hundred days until the election. Across the nation concerned citizens are working at full capacity to be effective, especially the members of the TARWF.

For example, right now, we are in the middle of our new member outreach program to contact women in the area who are Republicans but may not know our club exists. To date we have mailed out over 300 letters and information cards and have followed up with many volunteer hours of phone calls and emails. So far, we have added five new members and have many more prospects planning to attend our September meeting. We would not have found these women if it were not for this effort.

Now more than ever our **E3** mission of **Educate, Engage and Elect** is relevant.

This includes the development of our club leadership facilitated by sending them to state and national conferences where they are exposed to an exchange of ideas and strategies not easily developed at the club level. Training is very important to be most effective in impacting the community.

Equipping our young people to become leaders is right up there with our primary efforts and we can do that with our annual donation to the Young America Foundation.

Being able to host educational speakers, develop events that encourage retention of current members and make an impact at community events such as the Tustin Chili Cookoff and Street Fair and Tustin Tiller days all rely on our members' Time, Talent and Treasure.

You joined TARWF because you wanted to help, and we know that not everyone has time to dedicate to running for public office or traveling to attend a conference and be a delegate. Conversely there are those willing to help but are not financially able to participate. Our participation in the CFRW conference coming up in September, supporting the ongoing mailing costs to reach potential members, and supporting the Young American Foundation all depend on our fundraising abilities.

We are ASKING YOU for a donation to TARWF. Any amount that you can contribute will make more of a difference now than ever before. Won't you help today? Thank you in advance for all that you do to help us save America!

Membership Report

To all TARWF Members!

The political landscape continues to shift, bringing with it unexpected surprises. Perhaps it's the summer heat – it seems to either energize us or drain us. One thing we can all agree on, regardless of the weather, is the joy of a good nap! Remember to stay cool, keep an eye on the air quality, and prioritize your health.

In these increasingly unstable times, our need for each other grows stronger. Let us keep our boys injured in the recent military attack in our prayers, along with all military personnel and their families. We pray for their safety, for peace, and for positive change. Strong leadership is crucial as we navigate these challenges.

Unfortunately, leaders like Kamala Harris often incite division rather than unity, which is not what our country needs. We must focus on fostering genuine, positive influence to make a real difference.

On a brighter note, let's give a warm welcome to our two new members this month! These wonderful ladies bring their unique voices, interests, and dedication to our collective goals. Together, we strive to make our country better for all its people.

Ernest Richard Costello

Petty Officer 2nd Class

United States Navy

Born 15 September 1922

Killed in Action 12 October 1944

Ernest "Rick" Costello was born September 15, 1922, the only child of Frank and Pauline Costello. He attended Tustin Elementary and Tustin High School, graduating with the Class of 1940.

Rick was a track and field star while attending Tustin High. He competed in the broad jump, held the discus record with a throw of 102 feet, and competed in the 440, was a solo runner and member of the relay team. After Tustin High, he continued his love of track, competing for Santa Ana College where he focused on the mile and the quarter mile. He was a state qualifier and competed in several regional events.

After graduating from Santa Ana College, Rick started his junior year at the University of New Mexico. He was a member of the Marine Reserves and planned on entering Officer's Training School at Quantico, Virginia after his senior year at New Mexico. Before completing his senior year, Rick entered the United States Navy on November 28, 1942. He attended recruit training in San Diego, training as an Aviation Radioman. On April 12, 1944, he was assigned to the USS Enterprise for combat duty in the Pacific Theater.

During his service time, he participated in the Hollandia landings, Truk Atoll, Marianas Island landings, Bonin Island battle, and many others. Between October 10 and 20, 1944, the Enterprise was engaged in the Battle of Formosa and part of the Task Force of the US 3rd Fleet. The attacks were to hold the Japanese position to prevent them from participating at Leyte in the Philippine Islands.

On October 12, 1944, Pilot Lt Henry Murphy, Aviation Ordinance Man Francis Skeffington and Aviation Radioman Ernest Costello took part in a bombing of Takao Harbor as part of VT-20 Air Squadron. The plane was shot down by Japanese forces. The crew was originally listed as missing in action, presumed killed. In early 1950, their remains were recovered but they were not able to individually identify them. Lt. Murphy, Ordinance Man Skeffington and Radioman Costello are buried together in Fort Scott, Kansas.
