

# Privacy Policy for Music Monsters

**Effective Date:** 15 December 2025

**Developer:** Russell Bauer

Music Monsters respects your privacy. This app does **not collect, store, or share any personal information or user data** of any kind.

- No personal data (such as name, email, or location) is collected.
- No usage or analytics data is gathered.
- No third-party SDKs, advertising, or tracking tools are used.
- The app does not connect to any external servers or services.

This means your activity within Music Monsters remains entirely private and offline.

If this policy ever changes (for example, if future versions introduce optional features that require data), users will be notified and the policy will be updated accordingly.

If you have any questions or concerns about privacy, please contact:
