### Membership Intentions

**Please briefly describe your intentions for joining the co-op as a member (*example: I intend to apply for my own unit as soon as possible*):**

--

## Community Participation

In your current residency status, please list a few times, if any, you have engaged with the co-op community (examples: *List events attended, list times you have offered suggestions/ constructive feedback to the board/staff, ways you have built connections with fellow residents, ways you have helped maintain the property outside of your unit*)

## Membership Responsibility

How do you anticipate your responsibilities and engagement within the co-op community would change upon becoming a member?

## Next Steps

After applying to add an additional member to an existing household, the application will be brought to the board of directors. The board may

- approve the application
- request additional information (such as income verification, a credit check and/or an interview)
- reject the application.

A successful applicant must pay a one-time \$15.00 membership fee.

A new occupancy agreement must be signed for households that add an additional member.
