

Cancellation Policy

I am introducing a cancellation policy for sessions booked in. This starts from – 20th September 2021.

If a booked session is cancelled with 24 hours or less notice then 100% payment will be due.

If the cancelled session payment is not made further sessions will not be able to be booked in.

If you need to cancel a booked session, please contact me ASAP via email or text or voicemail. Please not via Facebook/Instagram or Facebook messenger.

Thanks and any questions please do ask!
