Dear Friend of JDRF:

Thank you so much for your recent gift of \$1,000.00 in support of Breakthrough T1D Ride. This event always inspires me as thousands of people like you—loyal donors, riders, coaches, and supporters—cheer each other on in more ways than one, both on and off the Ride course.

By supporting this incredible event, you are changing lives, right now. You're raising awareness and breaking open new possibilities for people facing T1D. You're providing critical resources and tools that help the T1D community thrive today and every day.

Your support empowers us to connect the brightest minds to help advance treatments, influence policy, and improve access to care for those all over the world who need it. You're helping us chart a path to cure, prevent, and better treat T1D and its complications—and ensure access to treatments globally.

We are creating a movement to improve and change life with type 1 diabetes, advancing breakthroughs on the way to cure the condition. Today, we are leading the way to more effective solutions. Tomorrow, we will make this condition a thing of the past.

Thank you for joining us in taking breakthrough action for the entire T1D community.

Sincerely,

Kathleen Seitz  
Chief Global Development Officer
