## URINE DRUG SCREEN PROCEDURES

It has been requested that you provide a urine sample for the purpose of Drug Screening and Medication Management. Please follow these guidelines:

- 1) You must empty your pockets
  - A) **No** tobacco products
  - B) **No** cell phones
  - C) **No** containers or liquids of any kind
  - D) You may leave your belongings on the counter
- 2) You have four minutes in the restroom.
- 3) **Do Not** Flush the toilet!!
- 4) **Do Not** turn on the Water!!
- 5) Once you have collected your specimen, bring it to the Lab Tech  
The Tech will close the specimen cup and you will watch her write your name on it.
- 6) If you leave the facility before the urine collection is complete, you may be discharged as a patient.

**If you fail to follow all of the above guidelines, your specimen will not be collected and you may be discharged as a Patient.**
