

Buckhead Injury Wellness Institute

Patient Residency Office Policy

It is the office policy of The Injury Wellness Institute that all patients treated at this facility must have proof of residence while under the care of our physicians. You have Thirty days to provide proof of residency or you will be discharged from this practice.

Forms of proof

- Valid GA driver's license or I.D. Card
- Rental leases or purchase
- Utility bill with Georgia address

We apologize for the inconvenience and want to treat all patients at this facility with the respect, and compassion however we are under strict guidelines to only treat Georgia patients.
