

Gated Parking Directions

Hello 😊,

Here is the studio address information:

*****No Sessions without Photo ID.**

Studio is centrally located in Expo Park:

Expo Park lofts

840 Exposition Avenue, Dallas, TX 75226

Parking:

*****I have secured a Gated Parking Spot for my guests.**

These are the directions to the Private Gated Parking, which is super close to the studio entrance:

Please enter the loft address in your navigation.

Ideally, you will take **I30 & Exit Haskell.**

(It is best to Avoid the Fair Park Exit during the State Fair, but otherwise you can also exit 37 for Fair Park. If you do, then Left on Parry & immediate Left onto Exposition. The roll up door to gated parking is fairly immediate - on your right (*see photo below). Text upon arrival so I can click you into private parking.)

Go East on Haskell, towards Parry Avenue.

You are basically going towards Fair Park.

Turn Right on Parry, going South.

You will be **crossing the train/light rail tracks** & then...

Take a Right (past Commerce) onto Exposition.

The roll up door to gated parking is fairly immediate - on your right.

Signage Above Gate Reads: "840-842 EXPOSITION / 3711 Parry"

(Text upon arrival so I can click you into private parking.)

*****See Photo Below**

I secured **Convenient Private Parking** because I don't trust the safety of your vehicle on the street. There is open street parking in front of the building on Exposition, but **Private is the BEST option.** (**DO NOT PARK** on the street during The State Fair. **The City of Dallas enforces towing.**)

Please Note:

Normally there will not be a car exiting, but it is a shared entrance/exit.

***Upon exiting, the gate opens automatically to let you out.

I aim to be on time, but remain flexible during the State Fair for October.

*****Text me once you are out front & I will meet you & click the parking gate to open.**

Should you need to reschedule, please let me know, no less than 24 hours in advance.

Your time/date is specifically locked in for you.

Please confirm you received this information.

I look forward to meeting you.

Namaste,

Rev. Jen Chi
