Please note the following Questions & Information:

1. Were you both able to review the Session 1 info. & FAQ's?  
Please make sure you were both able to read the FAQ's.  
I cover a lot of information there.
2. During Session 1, who will be giving the massage with me?
3. How tall is the person giving the massage? I adjust the table accordingly.
4. I do the massage barefoot. For the person helping me give the massage, you might want to bring support socks – if you have any back issues.  
There are no shoes in the Studio.
5. It is best to be hydrated & eat light.
6. No jewelry or make up, perfume or cologne etc. is ideal.
7. For people with long hair, it is advisable to bring a hair tie.
8. I have light draping here, but, when a man is giving the massage, please wear boxer briefs.
9. Please text me a photo of you together, so I know who I am meeting with 😊!

Should you need to reschedule, please let me know no less than 24 hours in advance – to change the time/date. Your session is locked in specifically for you. As sessions are in high demand, and there is little supply of me (LOL), please be mindful that I turn down inquiries for sessions during your timeslot.

Please confirm you received this information & respond with the Answers to Questions 1 – 3 & 9.  
I look forward to meeting you both & celebrating your love!

Namaste,

Rev. Jen Chi
