

I want to **FOSTER** for

Halfway Home Animal Rescue, Inc.

halfwayhomerescue@yahoo.com

Amber 731-487-5813

(Completion of this application DOES NOT guarantee fostering for HHAR)

Thank you for wanting to help! Fostering is important because it helps reduce overcrowding in shelters and opens up space for another animal to be saved. It also helps prepare animals for adoption by giving them a chance to live in a home where they can fully express their personality, work to overcome fears, or recover from trauma. When you foster, HHAR will supply dog food and vetting. All you supply is love and a safe place for them to wait until adoption or spot to open up.

Qualifications

To be a successful foster parent, you will need a compassionate nature, the cooperation of your family or roommates, flexibility, and some knowledge of animal behavior. The length of time a foster pet may stay in your home varies with the animal's situation. You must be able to smile and cry at the same time when your foster animal finds it's fur-ever home.
