

## SCHOOL NEWS FEBRUARY 2018

Happy Valentine's Day to everyone.

This is one of the children's favorite days of the year. The month of February with mid-winter break goes by very quickly. By the time we return from break it will be time to ROAR into March and maybe a bit of spring and less rain. February brings us Valentines Day, mid- winter break, and a visit to see a play for our Pre-K/TK kids.

### **REGISTRATION**

For those of you who have children moving into Pre-K or Transitional Kindergarten, your class placement confirmation letter is attached to this newsletter.

How placements were determined:

TK Placements: were given first to those children who have completed a year in a fours class and for whatever reason are not going onto kindergarten in the Fall. The remaining spots were given to students recommended by their teacher.

Four Day Placements: There were 30 requests for 16 spots. Priority was given to children currently attending 3 days a week, children recommended by the teacher who would do well in a 4 day program, parents enrolling a sibling in a younger class as well as maintaining some gender balance.

Due to the number of children requesting placement, an afternoon 4's class will be offered MTTHF 12:15 - 3:15 costing \$350.00/mo. If you would be interested in this class but are currently enrolled in a morning class, please see the office staff.

**YOUR CLASS CONFIRMATION FOR 2018-19 IS ATTACHED TO THIS NEWSLETTER.**

If you're currently enrolled in a 3's or the three/four split class and your newsletter does not include an attached confirmation sheet we assume that you have made other arrangements for the 2018-2019 school year. If you have made other plans, we thank you so much for sharing your child with us this year and wish you the best in the future.

### **UPCOMING DATES**
