

Best Beginnings Preschool Family Newsletter March 2025

With the arrival of spring, we eagerly anticipate sunny days and warmer temperatures. March promises to be busy with picture day, conferences, daylight saving time, and fun themes at school.

February's snow days led to school cancellations. Per our snow policy, we will make up days for classes that missed more than two days. Only Teacher Karen and Magda's 4-day PreK class and Teacher Erika and Andrea's TK class missed more than two days. They will make up their missed classes on their conference day and at the end of the school year. Please refer to the back of this newsletter for the adjusted class schedule.

We are still looking to fill some of our classes for next year. If you know of any families looking for a preschool send them our way.

Happy Spring! ~ Kerry Lodge

School Pictures

Picture day is Tuesday, March 4th and Wednesday, March 5th. Your child will have photos taken on their regular class day. We have many classes to photograph each day so please arrive on time to school.

Kids Photography has been coming to our school for many years. They do an excellent job obtaining a wonderful photo of each child.

There is no need to send money at this time. The photographer will take multiple pictures of your child on picture day. Families will receive an email with a direct link to view and purchase photos. There is a deadline to purchase photos without shipping cost so be sure to pay attention to that date when you receive your email link. Pictures will be sent to school to be distributed by teachers.

Conferences

On March 12th and 13th, depending on class schedule, we offer parent's the opportunity to meet with their child's teacher and learn about their school progress. Please check your class calendar for your specific conference date. Teachers will be posting a schedule for conference time sign ups the week of March 3th.

Conferences last 15 minutes. Please be mindful of the time as the teachers have a tight schedule to keep.

This is a time for you and your child's teacher to talk so we ask that you make arrangements for childcare. Some parents work out a childcare schedule with the parents who are conferencing before or after their scheduled conference. You are welcome to play on the playground or use the grass area while you wait.

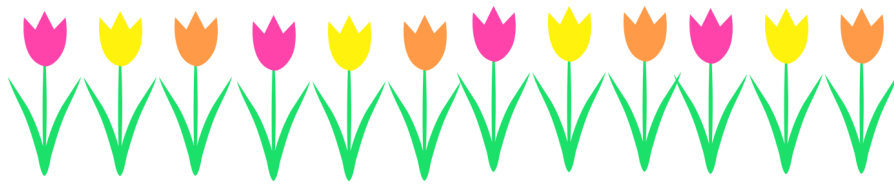

There is no regular class on conference day for these classes.
