

Best Beginnings Preschool Family Newsletter January 2025

Happy New Year and Welcome Back!

We hope you had a wonderful break and enjoyed some quality time with your loved ones. We are excited to see you all again and resume our learning journey together.

As we start the new year, please remember to take good care of your health and your child's health. If your child is feeling unwell or showing any signs of illness, please keep them at home and inform the school.

We also remind you to fill out the **Daily Attendance form** every day before bringing your student to school. This helps us keep track of our attendance and ensure everyone's safety.

In January, we have some exciting things planned for our classes. Students will be exploring various topics related to winter, such as snow, ice, polar animals, and more. We will also read some amazing books and stories that will spark our imagination and curiosity.

Our office staff is busy enrolling new students for the 2025-2026 school year. If you have any friends or relatives who are looking for a preschool program, please spread the word about our school. We appreciate your support and referrals.

We look forward to a great month of learning and fun with your children. Thank you for being part of our school community.

Happy New Year! - Kerry Lodge, Director

Snow Policy

A few reminders about our inclement weather policy as stated in the parent handbook and the flyer that went home in November.

- The safety of our students and staff is our primary concern.
- We don't make a final decision until 7:30am.
- Monitor our website, www.bestbeginningspreschool.com, and Facebook page. We will update those sites as soon as we make a decision.
- We monitor Northshore and Lake Washington school districts closure schedule, but don't always follow their closures or delays. If they are operating differently, be sure to check our website and Facebook page.
- We will offer make-up days for any closures beyond two missed class days.
- If at any time you don't feel comfortable driving, please stay home.

Reminders

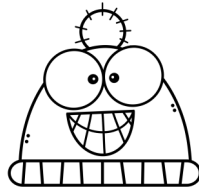

A few reminders as we start back to school.

- Attendance check in needs to be completed each day prior to arrival.
- Classes go out to recess everyday, even in the rain. Please send your child to school with appropriate clothing for being outside.
- Please remember to contact the office, your teacher, or complete the attendance check in if your child is going to be absent for any reason. You can email @ office@bestbeginningspreschool.com or call 425-881-3468.
- Tuition is due by the 9th of each month. Automatic withdrawal payments will be deducted on the 5th or the closest business day.

Kindergarten Readiness

For those students moving on to kindergarten for the 2025/2026 school year there is information about Kindergarten Readiness attached to this newsletter. Kindergarten registration usually begins in February. Be sure to check with your home school to see when registration begins. You can also check your districts website for registration events.

Late Pick Up Policy

Parents are expected to pick up their students on time each day. We understand that real life circumstances sometimes interfere and picking up on time is delayed. If you are running late we appreciate a phone call to the school at 425-881-3468 letting us know that you are on your way and running late. Young children become upset when they do not see their grown-up at pick up.

It is important to remember that we are a part time preschool and teachers are only contracted for a short time after school. Out of respect for our teacher's time, families with repeated instances of late pick up will be assessed a late fee of \$2 per minute (after a 5-minute grace period). The late fee must be paid at pick-up.

To alleviate any stress about running late for pick-up it is a good idea to have someone in your child's class or another class that you feel comfortable keeping an eye on your child until you arrive.
